YOUR PURPOSE

What God has ordained for your life

30th September 2022

I Am Revealing To You What Is The Purpose Of Your Life Here On Earth, Says The Lord

My beloved, you are receiving my message to you now, for it is written, it was ordained, before I created the heavens and the earth.

I am revealing to you what is the purpose of your life here on earth.

Before I lifted the veil for you, before I removed the scales from your eyes, before I gave you the eyes to see and the ears to hear, before I began softening your hardened heart, you lived on earth often striving to have meaning in your life, desiring to have a purpose in life.

My beloved, you have been through many things in your life. You have experienced things in your life that many, many other people walking the earth would not have survived. At times, you have felt totally and completely lost. At times you have been completely overwhelmed with fear. You have been in some very dark valleys. You have had times in your life when you felt completely surrounded. So surrounded that no matter which way you turned, no matter what you said, no matter what you did, no matter what you tried to do to break out of that situation, you were continually being attacked by people in your life, by your circumstances, by financial challenges, by health issues.

You have had people during your life telling you what is the best thing to do. What is the right thing to do. You have been confused. You have felt

something on your heart, yet people in your life have said different. In your life when you have hit a crossroads, you have sometimes been like a rabbit in the headlights, not knowing which way to turn.

My beloved, from when I created you, from when I formed you, from when I knitted you together in utter seclusion, from when I brought you forth on the day you were born at the exact time and the exact place where you came into a world, I the Lord have been with you. I the Lord have carried you. I the Lord have sustained you. Yes, I have ALWAYS sustained your life, and I will ALWAYS continue to sustain your life, because my beloved, YOU ARE CHOSEN AND NOT FORSAKEN.

I have called you by name from your mother's womb to have the purpose and the calling that I am revealing to you in my message here.

Your purpose that you are going to be living out for the rest of your life on earth, IS TO BE MY GLORY CARRIER.

You may be wondering “what does it mean to be your glory carrier?”.

My beautiful, fearfully and wonderfully made child, let me explain.

Firstly, your identity is not in the things that you have experienced during your life.

Your identity is not in your family.

Your identity is not in the experiences that you've had.

Your identity is not in what people have said about you.

Your identity is not in how people have treated you.

Your identity is not in your appearance.

My beloved, YOUR IDENTITY IS IN ME THE LORD YOUR GOD AND IN ME ALONE.

I have poured my spirit in to you, and greater is the spirit that is in you than the spirit that is in the world. My beloved, YOU CAN DO AND YOU WILL DO ALL THINGS THROUGH ME the Lord your God who gives you strength.

By you following the two greatest commandments, by my spirit, your purpose to be my glory carrier is going to become absolutely natural for you.

Being my glory carrier means that you seek my kingdom and my righteousness first at the start of every single day, and my promise to you is all else will be given unto you.

BEING MY GLORY CARRIER MEANS BEING MY HANDS AND FEET.

As you receive my words now, I am releasing the gift of faith. I am releasing the gift of tongues. I am releasing the gift of prophecy. I am releasing the gift of healing. Yes, my beloved, by faith as you receive everything that I'm pouring into you now, I am equipping you to truly, truly, truly live the rest of your life as my glory carrier.

From this moment going forward, following you receiving my message to you, where I have given you, I have put inside of you, your purpose on earth for the rest of your life, you will begin to experience life going from glory to glory to glory.

By the power of my spirit, I have now DESTROYED every yoke of bondage that has been in place, that has kept you in a place of waiting. I am RELEASING into your life right now an outpouring of my spirit. You are being filled with my spirit now.

MY FIRE, MY DEVOURING FIRE, IS FALLING UPON YOU NOW.

Raise your arms to the air. Praise me. Worship Me. Thank me. Glorify glorify glorify your Father in heaven.

From this moment forward, by you following the two greatest commandments, the first to love me with all your heart, with all your mind, with all your soul, with all your strength, and secondly, to love your neighbour as yourself, YOU WILL NOW BE HEARING MY VOICE THROUGHOUT EVERY DAY.

I have given you the ears to hear my voice and to know my voice.

I will speak to you to guide your steps through each day.

I will speak to you to give you wisdom, understanding and revelation.

I will speak to you to give you clarity and to remove any possible confusion.

I will speak to you to tell you how proud I am of you.

I will speak to you and say “keep trusting me, keep trusting me”

I will speak to you and say “keep your eyes focused on me”.

I will speak to you and I will say “remember that I am working in ALL THINGS FOR GOOD”.

I will speak to you through my Word in ways in which you have never experienced before. You are going to be gaining wisdom, understanding and deep revelation through my Word in ways in which you have never experienced before.

My beloved, live your life worthy of the calling that you have received, of the purpose that I have put inside of you.

You are chosen.

You are ordained.

You are anointed.

You are fearfully and wonderfully made in my image.

You have received all the spiritual gifts that you need to do everything that I have ordained for the rest of your life.

It is not you that live, but I that live in you.

You will never again hide your light under a bushel.

My beloved, YOU ARE MY GLORY CARRIER, and the world is going to see that you are my hands and feet, says I, the Sovereign Lord.

ALL THE LORD'S MESSAGES GIVEN DURING 2022

What the Lord is saying to His people

December 10th 2022

STOP Looking Back At Former Things, FIX Your Eyes On Me, Says The Lord

My beloved child, I have been ruthlessly, relentlessly and purposefully refining you and purifying you. For the intensity of the purification, of the cleansing, of the complete obliteration of everything in you of your old self, I have a crucial message that I have ordained for you to receive.

STOP complaining.

STOP murmuring.

STOP casting judgement on others.

STOP talking negatively about any particular person.

STOP making negative generalisations about people from any country, from any background, who are at any level of society.

STOP getting frustrated with things that I have ordained to take place across the earth.

STOP getting angry about things that you cannot control.

STOP seeing yourself as any better than anyone else.

STOP allowing curses of other people to come from your tongue.

No longer look back at the former things.

My beloved, FIX YOUR EYES ON ME, the Lord your God. Don't look left. Don't look right. Don't look back. FIX YOUR EYES ON ME.

FOCUS FOCUS FOCUS on heavenly things and NOT earthly things.

My beloved child, I have put my Spirit in you, and by my Spirit, receive ALL my crucial correction and commands.

I have been purifying you seven times over in the refiners fire. You, like Shadrach, Meshach and Abednego, have not been alone for a SINGLE MOMENT IN THE FIRE. I the Lord your God had been in there with you.

Remember what my Word tells you my beloved child. EVERY DAY of your life and everyone walking the earth is written in my book. Every single moment was laid out before a single day had passed.

When you do any of the things that I'm commanding you to stop doing, you are coming against me.

I am Sovereign. I am in absolute, total control of EVERYTHING across the earth.

My beloved child, live your life worthy of the calling that you have received. For I chose you from before I created the heavens and the earth to be one of my discipies, to be one of my glory carries, to be my hands and feet. Therefore, IMITATE ME IN ALL THAT YOU DO.

Thank you, my beloved child, for receiving and embracing my message to you, says I, the Sovereign Lord.

December 9th 2022

You Are Not In A Battle, You Are IN ME, Says The Lord

My beloved child, I am calling you now to no longer see yourself in a battle.

My desire is for you to no longer say “I am in a battle with the enemy” because my beloved, you are in ME. Your identity is IN ME and IN ME alone. I have put my Spirit into you, and greater is the spirit that is in you than the spirit that is in the world.

I have made you the head and NOT the tail.

I have made a table for you in the presence of your enemies, but your enemies FLEE when you use and you stand on the authority that I have given you, your authority that is IN ME, the King of kings, the Lord of lords, the one given the name above ALL names.

My desire is for you to live in joy and peace EVERY DAY.

My beloved child, cast ALL your burdens upon me because I care for you, for my yoke is easy and my burden is light.

I desire for you to be content in ALL circumstances, no matter where you are at any given moment, because remember my beloved, every day of your life is written in my book. Every single moment, including this moment right now as you receive my words to you, was laid out before a single day had passed, and my plans for you, my beloved child, are plans for good and not for disaster to give you a future and a hope.

My hand is mighty upon you. No weapons formed against you will ever prosper, and every tongue that rises up against you, you will condemn for that is a heritage of the servants of me, the Lord your God.

I have not given you a spirit of fear, but of power, of love and a sound mind. As you are receiving my words to you now, I am pouring my Spirit into you. My devouring fire has destroyed the remaining yolks of bondage

in your life. I have put my Spirit into you, and I have given you a new heart, a heart of flesh from the heart of stone you once lived with.

Remember, the two most important commandments are first to love me with all your heart, with all your mind, with all your soul and with all your strength, and secondly, to love your neighbour as yourself.

Remember my beloved, for the rest of your life, you are NOT in a battle with the enemy, YOU ARE IN ME. Your help comes from me, the Lord, the Creator of the heavens and the earth.

I the Lord your God, the Alpha and the Omega, the beginning and the end, the first and the last, I am for you and not against you, and because I am for you, my beloved, who can EVER be against you?

You are IN ME NOW, and you will always be IN ME, says I the Sovereign Lord.

You Are No Longer In Any Way Going To Be Living With Unforgiveness, Says The Lord

My beloved child, you know that my Word tells you that three things remain - faith, hope, and love, these three, and the greatest of these is love.

You know that the two most important commandments are to love me with all your heart, with all your mind, with all your soul, with all your strength, and to love your neighbour as yourself.

The reason that you are receiving my message to you now, is that I have called you by name from your mother's womb to truly embody and live the rest of your life following those two greatest commandments.

As you are receiving my words now, I am pouring my Spirit into you, and my devouring fire is destroying the remaining chains that have been around your heart. I am the chain breaker. Every chain of bondage breaks in my name.

My beloved child, you are no longer in any way going to be living with unforgiveness, for now what I am doing, is taking out of you your heart of stone, and giving you a new tender, responsive heart. A new heart of flesh, for what you say flows from what's in your heart.

And now, as you have received by faith your new heart of flesh, you will begin to truly embody my love for my chosen people, my love for all people.

No longer will anyone in your life or that will come into your life be able to offend you, will be able to hurt you, will be able to steal your joy, for no weapons formed against you will prosper and every tongue that rises up against you, you will condemn for that is a heritage of the servants of me the Lord your God.

My beloved, fearfully and wonderfully made child, I have called you by name from your mother's womb to be my glory carrier, to be my hands and feet.

From this moment moving forward, following you receiving by faith your new heart of flesh, my Word is going to come alive in your heart unlike you have ever experienced before. Through you reading my Word yourself personally, I will be giving you wisdom and revelation in ways you have never experienced before.

As you listen to anointed worship music, the words are going to be speaking to you on a more deeper, on a more profound, on a more personal level than you have ever experienced before.

My beloved, expect me to bring you into tears of joy, tears because I am speaking to you and you are hearing on the inside of you by my Spirit, me speak to you throughout every single day.

The depth of intimacy of your relationship with me the Lord your God is now going to levels in which you have never experienced before.

Thank you, my beloved precious child for receiving my words by faith.

Thank you for everything you have already done for my kingdom, and thank you my beloved child for living your life worthy of the calling that you have received.

My will be done, on earth as it is in heaven, in your life and in the lives of every man, woman and child walking the earth, says I, the Sovereign Lord.

You Will No Longer Identify As A Chinese Person, You Will Identify As A Disciple Of Me The Lord Your God, Says The Lord

My beloved, chosen child. On earth you identify as a Chinese person. You are receiving my message to you now, for I, the Lord your God, I have called you by name from your mother's womb to be one of my disciples.

You have lived your life in sin, in darkness, having been deceived and having not before received the truth that you my beloved child are chosen and not forsaken, and who I set free is free indeed.

My beloved child, just like most of my people walking the earth, you have been deceived and you have been indoctrinated throughout your life, but as you are receiving my message to you now, I am pouring by Spirit into you. My devouring fire is destroying the strongmen that have been in your life due to generational sin and iniquity, due to all the lies that you have received during your life, the lies that have come from deceptive, deceitful man.

My beloved child, every day of your life is written in my book. Every single moment was laid out before a single day had passed. Before I created the heavens and the earth, I chose you to receive my message now. You are receiving my message now, not by coincidence, not by chance, but because I have called you by name to become my disciple, to be my glory carrier, to be my hands and feet, and yes, my beloved child, you were born and have been raised as a Chinese person, but your identity is not in your family.

Your identity is NOT in where you were born.

Your identity is NOT in your past.

Your identity is NOT in how you have lived your life before.

Your identity is NOT in the decisions that you have made.

Your identity is NOT in your appearance.

Your identity, my beloved child, is in me the Lord your God and in me alone.

You will no longer identify as a Chinese person, you will identify as a child of God, you will identify as a disciple of me the Lord your God.

I have called you by name from your mother's womb to be a witness to Chinese men, women and children, to be a witness to my chosen people currently living in darkness. I have chosen you to preach the Gospel. As you are receiving my words to you now, I am releasing into your life ALL the gifts of the Spirit. The gift of prophecy, the gift of teaching, the gift of healing, the gift of tongues, and as you begin to activate the gifts that I have put inside of you, you are going to be seeing my glory manifest in your life, and your family, your friends and the people that I'm going to be bringing into your life, are going to be seeing my glory manifest through you.

My beloved, precious fearfully and wonderfully made child, HAVE NO FEAR. I have not given you a spirit of fear, but of power, of love and of a sound mind, and my perfect love expels all fear.

I have put my Spirit in you and the spirit that is in you is greater than the spirit that is in the world.

NO WEAPONS formed against you will prosper and every tongue that rises up against you, yes, every word spoken against you, from your own family, from friends, from the Chinese, every tongue that rises up against you, you will condemn, for that is a heritage of the servants of me, the Lord your God.

I am now taking out of you your heart of stone, your stony stubborn heart, and I am now giving you a new heart, a tender, responsive heart of flesh, says I the Lord your God.

My beloved child, I chose you before I created the heavens and the earth to play an increasingly important part of my worldwide reformation, that I began revealing to the world in early 2020.

I have ONLY JUST BEGUN destroying the rulers, the kings, the forces of darkness. The weapons that you fight with, the weapons that my chosen people fight with, are not of the world, they are not carnal, on the contrary, they have divine power to break down strongholds, and I am going to be using you my precious chosen child, to do mighty, mighty, mighty feats for my Kingdom.

As you speak my Word, as you declare my Word, as you decree my Word, demons are going to flee, the dead are going to raise to life, the blind are going to see again, the deaf are going to hear again, the mute will be able to speak again, the lame are going to walk again, says I the Sovereign Lord.

Greater is the spirit that is in you than the spirit that is in the world, and you can do, my beloved child, ALL THINGS through me the Lord your God who gives you strength.

My will be done on earth as it is in Heaven, in the lives of every man, woman and child walking the earth today, that will walk the earth, says I the Sovereign Lord.

I Am Taking You From The Globe Deception To A Firmament Of Fire, Says The Lord

My beloved child, I have called you by name from your mother's womb, not just to have faith, not just to believe in me, not just to pray, not just to read my Word, not just to worship me - I have called you by name to be my disciple, to be my hands and feet, to be my glory carrier.

I the Lord your God am a devouring fire and my devouring fire is absolutely obliterating the globe deception.

One by one, as I destroy the deception through indoctrination of the globe earth, my chosen people are then ready for me to put A FIRMAMENT OF FIRE AROUND THEM.

YES, as my Word tells you, I created a firmament above the Earth, separating the waters above the firmament from the waters below the firmament.

YES, as my Word tells you, within this firmament I created lights to separate the day from the night. These lights shine down on the earth. I made two great lights, the larger one, the sun, to govern the day, and the smaller one, the moon, to govern the night. I also made the stars.

My beloved, fearfully and wonderfully made servant, I am calling you now to share the truth in my Word every day. No longer be afraid of speaking about the truth that the earth that you live on, that I created, is fixed, immovable, as my Word tells you.

So many of my people who are in relationship with me, still have not yet accepted that they have been deceived by man into thinking that they live on a globe spinning and flying through space, but remember, I am a devouring fire, and as you speak my Word, as you declare my Word, as you share my Word about my creation, the strongholds of deception in other people are going to be destroyed, and I will put a firmament of fire

around you, so that no weapons formed against you will prosper, and every tongue that rises up against you, you will condemn, for that is a heritage of the servants of me, the Lord your God.

Read My Word More, Listen To Other People Reading My Word Less, Says The Lord

My beloved child, I chose YOU before I created the heavens and the earth, to be one of my disciples. I have called YOU by name from your mother's womb to be one of my glory carriers. I chose YOU to be a part of my worldwide reformation that I began revealing to all my people across the earth in early 2020.

You have had some of the most challenging experiences of your whole life since early 2020. At times the experiences that I have allowed you to have have almost broken you completely. You have been crushed. You have been beaten down. You have felt surrounded on all sides. Your faith in me has sometimes been a total rollercoaster. There have been many times where you have longed to hear from me, yet I have remained quiet.

My beloved child, I have had you in the refiners fire. I have been purifying you. I have been ruthlessly devouring and destroying the remaining things of your old self. All things that have been apart of your old wineskins I have been ruthlessly destroying. Your old habits. Your old behaviours. Your old thought patterns. Your old belief systems. Things which you have believed in from what you have been taught by deceived, deceptive man, I have been destroying everything. ALL that which is a part of your old wineskins.

You have been seeking me. You have prayed. You have worshipped me. You have spent many, many, many hours listening to other people who are my followers.

Up until you receiving my message to you here, you have lived feeling like you have had to receive wisdom and understanding and revelation through other people, above you receiving wisdom, revelation and understanding from me directly by you reading my Word.

My beloved, there has been an imbalance, and as you are receiving my message now, the imbalance is being corrected, for I am calling you, for the rest of your life, to spend an increasing amount of your time with me, reading my Word for yourself, and receiving wisdom and revelation by my Spirit that I have put inside of you, and through this, spending less and less and less time listening to other people.

My Spirit leads you into ALL TRUTH.

The more that you focus your time each day on your personal relationship with me and you spend less time watching other people talk about me and my Word, the more wisdom and revelation you are going to get, the more you are going to experience my presence, the more peace you are going to feel, the more joy you are going to experience, the more strength you are going to have, the greater your faith is going to become, the more wisdom and revelation you are going to receive.

Now is the time for you to draw a line in the sand, for you to commit to trusting that you are going to be receiving from me personally and directly by my Spirit EVERY SINGLE DAY, and less and less and less rely on other people.

FEAST on my Word every day.

Saturate your eye gates and your ear gates on my Word.

Hunger for my Word from when you wake up in the morning.

Read my Word.

Receive my Word.

Speak my Word.

Declare my Word.

Decree my Word.

Trust in my Word.

My beloved child, I have called you by name from your mother's womb to be my hands and feet, to be my glory carrier.

The more deeper that you come in your relationship with me, the more I will be shaping you, I will be moulding you, I will be transforming you, into my image, and through this, the more glory you will be experiencing in your life, the more glory people in your life will be experiencing through you, through your words, through your actions, through your behaviour, through your presence, says I the Sovereign Lord.

I Have Chosen You To Share The Gospel To Muslims, Says The Lord

My beloved chosen son, you have lived your life up until receiving my message to you now, as a Muslim. You have lived denying that I the Lord am the Christ. You have lived your life persecuting me.

I have called you by name from your mother's womb to be one of my disciples, and it will be futile for you to fight against my will. Every single day of your life is written in my book. Every single moment was laid out before a single day had passed.

I know the fear that you have had of turning away from the religion which you were born and raised up in, but I the Lord your God, I have not given you a spirit of fear, but of power, of love and of a sound mind. I have put my Spirit into you, and I am going to give you a new heart, a heart of flesh from a heart of stone.

As you are receiving my words to you now, I am pouring my Spirit into you. My devouring fire is destroying every strongman that has been in place in your life, due to this sin and iniquity through your generational family bloodline. I am destroying the altars. I am destroying every single generational curse and ancestral curse.

My beloved child, have no fear. My perfect love expels all fear. I am for you, not against you, and if I am for you, who can ever be against you?

My promise to you, my beloved child, is that when you confess with your tongue, that I am your Lord and Saviour, that you will serve me for the rest of your life, my promise to you is that **NO WEAPONS FORMED AGAINST YOU WILL PROSPER**, and every tongue that rises up against you, yes, from all your family, from your friends, from the Muslim community, every tongue that rises up against you, you will condemn for that is the heritage of the servants of me, the Lord your God.

My beloved, fearfully and wonderfully made child, I have chosen you to be a witness and to share the Gospel to Muslims, to your own family, to your

own friends, to the Muslim brothers and sisters that you know. Yes, it will be futile for you to fight against my will. I am going to be bringing you into the lives of other chosen men and women who I have called out of the darkness and into my glorious light, because more and more and more am I setting my captives free. More and more am I reaching down into the deep waters of Muslim men and women to rescue them from the deep waters, from all that enemies, and I am bringing more and more Muslims into my glorious light, and when I send my Word out, it does not return to me void. It accomplishes all that I desire and it prospers everywhere that I send it.

My will be done on earth as it is in heaven, and as I am continuing my worldwide reformation, I am continuing to set my captives free. I am continuing to rescue my people. I AM CONTINUING TO DESTROY deception, indoctrination, darkness, lies corruption, sin, lust, envy, pride, religion.

I AM DESTROYING IT ALL, says I the Sovereign Lord.

My beloved child, every single day, read my Word, devour my Word. Saturate your eye gates and your ear gates with my Word. Completely switch off from worldly distractions. Completely switch off from secular music, news, entertainment.

I am going to be ruthlessly purifying you.

I am going to be ruthlessly cleansing you.

I am going to be ruthlessly destroying all your old habits, behaviours, thought patterns and belief systems.

Everything that you have been taught by deceived, deceptive man, I am going to be destroying, says I the Sovereign Lord, for I am a devouring fire.

Listen to worship music. Worship me in spirit and in truth. Embrace the tears as I am destroying every chain of bondage in your life. ALL the iron bars are going to be destroyed says I the Sovereign Lord.

I am going to be taken out of you your stony, stubborn heart and giving you a new, responsive, tender heart of flesh, says I the Sovereign Lord.

All my promises to you are yes and amen. You can do all things through me who gives you strength. You have no fear, because I have not given you a spirit of fear, but of power, of love and of a sound mind.

My will be done in your life and in the lives of every single Muslim man, woman and child walking the earth today, says I, the Sovereign Lord.

In Spite Of Your Current Circumstances, In Spite Of How Society Looks Down Upon You Currently, I Am Your Provider, Says The Lord

My beloved, precious child, I know that as you are reading my message to you now, your life circumstances are incredibly challenging.

It is I the Lord your God that have always carried you in my arms through every dark valley that you have ever been in. It is I the Lord your God that are carrying you in my arms now, and my promise to you, my beloved child, is that I will always carry you, for I am for you and not against you.

You are chosen and not forsaken. In my Kingdom, the first will become last and the last will become first. I have called you by name from your mother's womb to be one of my disciples. My plans for your life are plans for good and not for disaster, to give you a future and a hope.

Before I created the heavens and the earth, every day of your life was written in my book. Every single moment was laid out before a single day had passed. You reading my message to you here hasn't happened by chance, hasn't happened by coincidence, it has happened for I planned and ordained for you to receive my message.

You are chosen.

You are ordained.

You are anointed.

My hand is mighty upon your life. In spite of your current circumstances, in spite of how society looks down upon you currently, I am your provider. You always have something to be thankful for, for you have breath in your lungs, you have my breath in your lungs. It is I the Lord

your God that have sustained you through every single trial and tribulation that you have experienced.

My beloved child, I surrendered my life on the cross to save your life. I shed my blood on that cross so that you can be forgiven for all your sins, as you come into a personal relationship with me, your Lord and Saviour.

As you are receiving my words now, I am releasing spiritual gifts into your life. The gift of faith, so that your faith will be in me the Lord your God and in me alone. Faith so that you can walk by faith not by sight. Faith so that you can talk by faith, not by sight. Faith so that you can talk to people I will be bringing into your life, about my goodness, about my unfailing love, about my mercy, about my grace, about my peace, because the peace that I give you, my beloved child, is a gift the world cannot give you.

Lean not on your own understanding. Trust in me with all your heart. Love me with all your heart, with all your mind, with all your soul, with all your strength.

My beloved precious child, as you are reading these words now I am doing a miracle inside of you. By my devouring fire I am now destroying the iron bars and the chains of misery that you've lived in. Every chain breaks in my name, and I am now taking out of you your unresponsive, stony heart and I am giving you a new heart, a new tender, responsive heart of flesh. Yes, my beloved, what is impossible with man is possible with me the Lord your God. You are now receiving your new heart of flesh.

Embrace the feelings that you are having right now. Goosebumps, tingling feelings in your body. The weight and the burden been lifted off you, my beloved child, as you cast all your burdens upon me because I care for you, for my yoke is easy and my burden is light. My beloved child, I have not destroyed all the yokes of bondage that have been suffocating you.

In spite of your current circumstances, I have you in the palm of my hand. I have made you the head and not the tail. I have not given you a spirit of fear, but of power, of love and of a sound mind, and when I send my Word out into your life, as you have been receiving my words, they do not return to me void, they accomplish all that I desire and my words prosper into the lives of everyone that I send my words.

My beloved, fearfully and wonderfully made child, you are my masterpiece. You are the apple of my eye.

Your identity is not in your current circumstances.

Your identity is not in your past.

Your identity is not in how people have treated you.

Your identity is not in what people have said about you.

Your identity is not in your family.

Your identity is not in the condition of your body physically.

Your identity, my beloved child, is in me, the Lord your God, and in me alone.

As you surrender everything to me, with your new heart of flesh, my promise to you my beloved child, is that I have plans for your life, plans for good and not for disaster, to give you a future and a hope. Keep hold of my message here. Come back to my message. Read my message again and again. Your faith comes by hearing and hearing by my Word, and you do not live by bread alone, but by every word that comes from my mouth.

My beloved child, I have called you by name from your mother's womb to be one of my disciples, to be my hands and feet, to carry my glory, and I am pouring my Spirit into you now. Rivers of living waters are flowing into your entire being now as you receive my words. Rivers of living waters and rivers of living waters are going to be flowing from your new heart of flesh, as I pour my love into you, you are going to be pouring my love out into other people, telling other people about me, the Saviour of the world.

Thank you my beloved precious child for receiving my words to you now.

My will be done in your life and in the lives of every man, woman and child walking the earth, on earth as it is in heaven, says I the Sovereign Lord.

My Apocalypse Against Sin Is Leading My Chosen People To Suddenly Die To Their Flesh, Says The Lord

My beloved child, you are beginning to hear about a film titled “Died Suddenly”. You are beginning to hear the word “apocalypse” being used in relation to things taking place upon the earth.

My beloved child, the ONLY apocalypse for you to be focused on is the apocalypse that began in early 2020, IN THE SPIRIT REALM.

It is I the Lord that has begun the apocalypse, that has begun the UTTER DESTRUCTION AND OBLITERATION OF DEMONIC ALTARS, TO POWERS, TO PRINCIPALITIES, TO STRONGMEN, TO CURSES.

YES, the apocalypse has begun in the spirit realm, and YES, this apocalypse is leading people to SUDDENLY DIE TO THEIR FLESH, to SUDDENLY have the revelation that I the Lord surrendered my life on the cross for them, that I the Lord shed my blood on the cross for them.

YES, every moment of every day across the entire stationery earth that I have created, MEN, WOMEN AND CHILDREN ARE DYING SUDDENLY TO THEIR FLESH.

I am setting the captives free.

I am lifting my people out of the miry clay.

I am reaching down into the deep waters to rescue my people from all their enemies.

I am obliterating my people's sinful nature.

I am filling my people with my spirit.

I am giving more and more men, women and children their very own Damascus Road experience.

OH YES, my beloved child, the apocalypse has begun, in the spirit realm. The apocalypse against evil, against darkness, against corruption, against sin, against lust, against pride, against envy, against indoctrination of man.

YES, THE INDOCTRINATION IS BEING DESTROYED, says I, the Lord your God.

I AM OBLITERATING THE DECEPTION OF THE GLOBE EARTH for more and more and more people.

Make no mistake about it, my beloved child, you are living in and through, and everyone walking the earth today, are living in and through MY REFORMATION, MY WORLDWIDE REFORMATION, AND THE APOCALYPSE THAT IS TAKING PLACE HAS ONLY JUST BEGUN.

The sudden death of my people, death to their sinful nature, has only just begun, says I the Sovereign Lord.

I am the King of kings and the Lord of lords.

I am the Alpha and the Omega.

I am the beginning of the end.

I am the first and the last.

I am the King of glory, AND MY GLORY IS COMING IN TO THE LIVES OF MORE AND MORE PEOPLE.

I am flooding my people with my Spirit.

Rivers of living waters are flowing, flowing, flowing into the lives of my people.

My GLORY is coming upon the earth unlike my people have seen before.

Here this, you leaders other people, listen all who live in the land. In all your history, has anything like this happened before? Tell your children about it in the years to come, and let your children tell their children.

Pass the story down of MY WORLDWIDE REFORMATION from generation to generation.

Pass the story down of MY APOCALYPSE of the kingdom of darkness.

Pass the story down from generation to generation.

Pass the story down as more and more people suddenly dying to their flesh.

Pass the story down from generation to generation, says I, the Sovereign Lord.

Quora Was Set Up And Is Run By People Living In Total And Complete Darkness, Says The Lord

My beloved, I am giving you wisdom and understanding about Quora.

Quora was set up and is run by people living in total and complete darkness. There are many, many, many Freemasons that are not just an integral part of Quora, but they are very, very influential and very popular contributors.

On Quora you will mainly find human wisdom. Wisdom from the world. Man's wisdom.

Remember my beloved child, I make the wisdom of the world look foolish. There are philosophers, there are scholars and there are brilliant debaters on Quora, and if you are to spend some time looking at the wisdom that is shared on Quora, the vast majority of the wisdom, man's wisdom, human wisdom, keeps people under the deception through indoctrination that I have allowed to be upon my people for generations.

This includes the deception of man walking on the moon.

This includes the deception of the expanding universe.

This includes the deception of the globe earth.

This includes the deception of gravity.

My beloved, put your trust in me the Lord your God and in me alone. One by one, I the Lord your God, I am bringing my people who are currently an integral part of Quora, I am bringing them onto their knees in repentance. Repentance of their detestable sins. Repentance of them doing the things that I the Lord your God detest, for I detest a lying tongue. I detest haughty eyes. I detest hands that kill the innocent. I detest a heart that plots evil. I detest feet that race to do wrong. I detest a false witness who pours out lies. I detest a person who sows discord in a family.

Remember my beloved, for every Freemason walking the earth, there is nowhere to run, there is nowhere to hide. I have begun sending out the locusts into the lives of Freemasons and their family members, and there is going to be weeping and gnashing of teeth for more and more and more Freemasons, Freemasons of every level.

I know and see everything and it will be futile for anyone to fight against my will. For my will be done on earth as it is in heaven.

My beloved child, read my Word each day. Fix your eyes on me. Focus your eye gates and your ear gates on the things of my Kingdom. Worship me each day. Talk about me more and more and more, for the less you talk about yourself, the more that you'll be talking about me.

Remember, my beloved, I am Sovereign. I am in control, and I laugh and I scoff at the plans and schemes of man.

NOW Is The Time To Step Off The Boat In Faith & Live Your Life Worthy of The Calling You Have Received, Says The Lord

My beloved child, up until this moment of you receiving my message to you now, you have been feeling something building up inside of you. You have been feeling increasingly uncomfortable, by staying comfortable.

There has been this yearning building inside of you. This yearning is a yearning that I have placed on the inside of you, because my beloved, I have called you by name from your mother's womb to be my glory carrier.

As you are receiving my message to you now, I am pouring my Spirit into you. NOW is the time my beloved child, to step off the boat in faith, to step OUTSIDE of your comfort zone and to begin to truly live your life worthy of the calling that you have received.

I have called you by name to be my hands and feet, to be one of my increasing number of glory carriers walking the earth. You are going to be experiencing more power and more authority in your prayers than you have ever experienced before. There are going to be blazing coals of FIRE coming from your tongue as you speak my Word, as you declare my Word, as you stand on my Word, as you trust in my Word, for my Word is sharper than the sharpest two-edged sword, and the weapons that you fight with my beloved child are not of the world, they are not carnal, on the contrary, the weapons that you fight with have divine power to break down strongholds, and I have CALLED YOU BY NAME from your mother's womb to OBLITERATE demonic strongholds, to OBLITERATE altars, to OBLITERATE strong men.

Before I created the heavens and the earth, I planned for you to be receiving my message to you know, because I have been building something on the inside of you. Whilst you have been in the refiners fire like Shadrach, Meshach and Abednego, whilst I have been stripping you

down, whilst I have been cleansing you, whilst I have been purifying you, whilst I have been sanctifying you, I have been building what is going to be an explosive fire on the inside of you. My devouring fire is falling upon you now, and my devouring fire is going to be coming from your tongue, my beloved child, for it is not you that live but I that live in you. You can do ALL THINGS through me the Lord your God who gives you strength. I have not given you a spirit of fear, but of power, of love and of a sound mind. I have made you the head and not the tail.

You are my glory carrier. Yes, you are my chosen disciple, joining all my other chosen disciples, my army that I am rising up, as I continue my worldwide reformation, for I am the King of glory, and my will be done, on earth as it is in heaven, says I the Sovereign Lord.

I Am Imploring You, My Beloved Child, To “Feast” On My Word, Says The Lord

My beloved, I have chosen you to live in freedom.

I am calling you now to no longer “snack” on my Word. Instead, I am imploring you my beloved child to “feast” on my Word.

Read my Word more than you ever have done before.

Listen to my Word more than you ever have done before.

Saturate your eye gates and your ear gates with my Word.

Since early 2020, I the Lord your God have been at times ruthlessly refining you by fire. You have experienced some of the most challenging circumstances of your entire life, but through everything that I have sent you through, I have gone before you. I have carried you. I have been in the fire with you, like Shadrach, Meshach and Abednego, and now my beloved, fearfully and wonderfully made child, I am now bringing you out of the fire. You have been refined seven times over.

Your old wineskins, your old self, your old habits, your old behaviours, your old thought patterns, your old relationships, your old idols, I have been destroying all that is old in you, so that you now my beloved, are beginning to live and walk and experience life in your new wineskins, for me to be able to pour out my new wine every single day.

For you to experience my peace throughout every day.

For you to experience my love throughout every day.

For you to experience my joy throughout every day.

For you to be so saturated with my Kingdom with my Word that there is no more room for the enemy, there is no more room for your sinful desires to arouse sinful behaviour within you.

Remember my beloved child, I am a devouring fire, and my Word, which is sharper than the sharpest two-edged sword, as you SPEAK my Word, as you DECLARE my Word, as you DECREE my Word, as you READ my Word, as you FEAST on my Word every day, my promise to you my beloved is that you are going to be going from glory to glory to glory, from blessing to blessing to blessing.

I have called you by name, my beloved child, to be my glory carrier, to be my hands and feet, says I the Sovereign Lord.

I Am Doing A Miracle Heart Transplant In You, Says The Lord

My beloved precious child, I have seen everything that you have been through during your life. I have seen how people have treated you. I have seen every painful and every traumatic experience that you've had. I know the times when you have felt helpless. I know the times when you have felt hopeless. I know when you have been crushed in spirit. I have seen every tear that you've ever shed. It is I the Lord your God that have carried you in my arms through every one of the dark valleys you have been through.

It is I the Lord your God that gave you the strength to come through those experiences in your life that many other people walking the earth would not have survived.

My beloved child, I have called you by name from your mother's womb. You are chosen and not forsaken. I am for you and not against you. I have plans for your life, plans for good and not for disaster to give you a future and a hope.

What I the Lord are doing inside of you, as you are receiving my words now, I am doing a miracle heart transplant. The heart that you were born with has become a stony heart due to everything that you have experienced during your life. The pain, the suffering, the heartache, how other people have treated you.

My beloved I want you to now imagine the heart inside of you. This heart of stone, and all around your heart of stone are chains, and these are chains to your past. These are chains to your past life experiences, for it is your past life experiences that have led to your heart becoming hardened and becoming stubborn and stony, but as you imagine now your stony heart wrapped in impenetrable chains without a way to unlock, also imagine that around your hardened heart wrapped in chains are iron bars all around, like prison bars. What appear to be impenetrable iron bars.

This is how you have been living and experiencing life with your hardened heart in chains to your past, behind an impenetrable prison and iron bars.

What I the Lord are doing now on the inside of you, as you receive my words, as I am pouring my Spirit into you, I am destroying every one of those iron bars.

They are destroyed now.

I am destroying every single chain now, for every chain breaks in my name, and now with just your hardened heart of stone visible, I the Lord your God, I am now taking out of you your heart of stone and giving you a new heart, a responsive heart, a tender heart of flesh, and with your new heart of flesh, for the first time in your life, not only will you begin to truly love me with all your heart, with all your mind, with all your soul with all your strength, but you will also truly be able to love your neighbour as yourself, including those people that have hurt you the most in your life.

My beloved child, as you lay at the foot of my cross your unforgiveness, as I am pouring my Spirit into you, I am going to give you the strength now to not only confess with your tongue, with all your heart, that you forgive those who have hurt you during your life, by my Spirit, you will also be able to pray and ask me to set them free from their life that is dominated by sin, by darkness, by acts of evil.

Thank you, my beloved child, for receiving my message. Thank you my beloved child for receiving by faith, your new heart of flesh, from your old heart of stone, for when I send my Word out into your life and into the lives of my people across the earth, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it.

My beloved child, fix your eyes on me. I am the author and the finisher of your faith. I am your strength. I am your hope. You get your peace from me, and the peace that I give you is a gift the world cannot give you.

Go forth, my beloved, fearfully and wonderfully made child. I have called you by name from your mother's womb to be my glory carrier, to be my hands and feet, says I the Sovereign Lord.

Don't Allow Anyone To Exalt You In Any Way, For That Can Open The Door To Pride, Says The Lord

My beloved, the more that you walk in the calling that you have received, to be my glory carrier, to be my hands and feet, there is going to be an increasing amount of people who encounter you, who will aim to give you the credit and the appreciation for what you are doing. People will aim to lift you up, to exalt you, to give you praise, to give you honour, to in some cases worship you.

The words to be on your lips in response to anyone trying to exalt you are "I give God all the glory, praise and honour, for I am living out everything that God planned and ordained for my life before He created the heavens and the earth."

My beloved, fearfully and wonderfully made servant, in times gone by there have been revivals, and these revivals have been given names. In these revivals there has often been a person, an individual, who has received praise, who has been exalted, as the one who played an integral role in the start and in the continuation of that revival.

THE TIME NOW IS DIFFERENT.

Everyone walking the earth, every man, woman and child, I chose them to be living upon the earth to experience not just a revival but my
WORLDWIDE REFORMATION.

I am the King of glory.

I am the Alpha and the Omega.

I am the First and the Last.

I am the beginning and the end.

I am Sovereign.

Everything that I am doing across the earth from early 2020, and every second, every minute, every hour, every day, every month and every year moving forward, it is ALL for my glory.

My beloved child, don't allow anyone to exalt you in any way, for that can open the door to pride. Respond in truth and in love to anyone who hasn't yet had the revelation that all glory belongs to me, and say to them "It is God who gets all the glory, praise and honour. I am a chosen vessel, I am the hands and feet of Jesus, and you too have been called by name to be his glory carrier, to be his hands and feet".

I Know That You Don't Have Your Earthly Parents, But You Have Me, Your Heavenly Father, Says The Lord

My beloved precious little child, you are chosen and not forsaken. I know that you don't have your earthly parents, but you have me, your Heavenly Father, and you will always have me, for I have you my beloved, precious little child in the palm of my hand.

You are more loved by me, your Father in Heaven, than you can possibly understand. As you are receiving my message to you now, I am pouring into you my Spirit. As I am pouring into you my Spirit, I am filling you, my beloved little child, with my unfailing love and my peace which is more than you can comprehend. The peace that I give you is a gift the world cannot give you.

My promise to you, my beloved little child, is that I have plans for your life, plans for good and not for disaster to give you a future and a hope. No weapons formed against you will prosper. Nothing will harm you, for I am your protector, I am your comforter, I am your healer, I am your rock, I am your Father in Heaven.

My beloved child, I love you so much that my thoughts for you outnumber the grains of sand - a bigger number than anyone could ever comprehend. I know everything about you, and it is me the Lord your God, that have always carried you in my arms through your life experiences so far, and I will ALWAYS carry you in my arms, for you are my precious child.

Speak to me each day. Ask me to help you. Ask me to speak to you. Ask me to keep you in my peace.

My beloved, precious little child, I have put my Spirit into you, and my Spirit that is in you is greater than the spirit that is in the world. My perfect love for you expels all your fear.

I have called you by name to be my disciple, and by my Spirit within you, you are truly going to become my disciple.

My beloved precious little child, you are my masterpiece, says I, the Sovereign Lord.

I Am Going To Set You Free From The Addiction That Is Ruining Your Life, Says The Lord

My beloved, I know what you are battling with.

I know that the battle you have with that that you are addicted to, has proven to be impossible for you to win.

I know how you have felt when you have experienced condemnation, self condemnation, for your actions and your behaviours and your choices.

I have seen the impact that your addiction has had on your day to day life, on your experiences of life, of your circumstances, of your finances and of your relationships with others.

I know that at times you have been desperate to overcome this battle, this battle that has been a war raging in your mind for a long time.

I know at times you have attempted to justify and excuse your addiction, but there is no justification and there is no excuse for you to continue with this addiction.

My beloved child, you are receiving my message to you now, for what is impossible for you to do on your own strength is possible with me the Lord your God. I AM the chain breaker. I AM the one that is going to finally destroy your addiction for the rest of your life.

For me to fulfil my promise to you, my beloved child, you need to totally and completely surrender your entire life to me.

You have to make me the Lord over your entire life.

You have to make me the Lord of your actions, your behaviour, the words that you speak, your thoughts, your feelings, your emotions.

My beloved, THE ONLY WAY that you are going to finally be free from your addiction is when you TOTALLY SURRENDER YOUR LIFE TO ME.

My beloved, get down onto your knees. Raise your arms to the air and ask me the Lord your God to fill you with my Spirit. Ask me to baptise you by the Holy Spirit so that my Spirit will join with your spirit, and you will finally have the power, the strength and the authority through my Spirit to once and for all put to death the dictates of your sinful nature.

My beloved child, I am giving you the key here to set you free from the prison that you have been. There is only I the Lord your God that holds the key.

My beloved child, I have called you by name from your mother's womb to be my follower, to be one of my disciples, to be my hands and feet, to be my glory carrier, and you have received my message here because the addictions that you have battled with are going to become apart of your testimony - your testimony of how I the Lord your God set you free from your battles. How I the Lord your God set you free from the addiction that was ruining your life.

Remember my beloved, every knee will bow and every tongue will confess that I am the Lord. I have put my Spirit into you, and the greater is the spirit that is in you than the spirit that is in the world.

You can do and you will do all things through me the Lord your God who gives you strength.

My will be done in your life, on earth as it is in heaven, says I the Sovereign Lord.

I No Longer Want The Church That You Have Been In To Quench My Spirit That I Have Poured Into You, Says The Lord

My beloved, I no longer want the church that you have been in to quench my Spirit that I have poured into you.

Above any of your brothers, your sisters, your elders, your pastor, I the Lord am your teacher.

Since early 2020, I have exposed the current state of the organised church, and my message here to you is for you to no longer feel trapped in the current church you are in.

No more am I willing to allow you to be getting confused by what people are saying to you and how that is different to what you are feeling inside because of my Spirit that I have put inside of you. There are people within your church family, without them even realising it, they have been quenching the Spirit that I have put inside of you, the fire that I have put inside of you. I am now asking you my beloved to come out from amongst them.

The church family that has looked to subdue what is starting to burn inside of you, there time has not yet come. They haven't yet got to that place where they are willing to be hated by the world. There are still things in the world that they love. They still trust in man. They still trust in deceitful, corrupted man. Since early 2020, I have exposed which churches, which church leaders, which pastors are still being a friend to the world. I have exposed those who have followed and complied and obeyed man.

My beloved, I have put my Spirit into you, and greater is the Spirit that is in you than the spirit that is in the world. I have called you by name from your mother's womb to be my glory carrier. I have set you apart. I know

that you have agonised over the church family that you are within, because you have your friendships, you have had your fellowship, you have had your relationships there, but my beloved, NO-ONE, AND I SAY NO-ONE, IS GOING TO QUENCH THE SPIRIT ANY MORE IN YOU.

I am calling you to come out of your current church family, with love, with respect, because I have called you to come out, because you are coming into a more deeper, a more personal and more profound relationship with me the Lord your God, and you will have seen that I have started to bring brothers and sisters into your circle who have the same fire as you, and now is a time for you to surround yourself with on fire, Holy Spirit filled followers of me the Lord your God.

I no longer want there to be any more compromise in your life.

I am your teacher. It is through me and through my Word that I am going to be giving you more and more wisdom, revelation and understanding. I am pouring my Spirit into you now. No weapons formed against you will prosper and every tongue that rises up against you, including those within your church family, every tongue that rises up against you, you will condemn for that is the heritage of the servants of me the Lord your God.

Do everything my beloved in love.

Remember, you do not fight flesh and blood enemies. The more that you fix your eyes on me, the more that you love me with all your heart, with all your mind, with all your soul, with all your strength and the more that you love your neighbours as yourself, the more that you are going to be stepping into a life filled with my glory every day, as you step out in holy boldness, following my will for your life, you are going to be going from glory to glory to glory.

My beloved child, your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord have got planned for you because you love me.

I No Longer Want You To Feel Guilty & Condemned For How You Have Been As A Parent, Says The Lord

My beloved, I know how challenging it can be for you as a parent.

I know the behaviour that you have experienced.

I know every single one of your feelings and your emotions that you have had as a parent.

I know the times when your children's behaviour has made you get angry.

I know that at times you have been desperate for your children's behaviour to improve.

I know the times when you have been shocked by your children's behaviour.

I know when you have thought to yourself that things will never change, that you will continually have to deal with your children's behaviour.

I have seen every tear that you have ever shed because of experiences that you've had as a parent, and often what you have felt after you have acted and behaved in ways in which you later regretted.

I know that you have been worried for the future.

I know you have been worried about the impact that you have had as a parent on your child.

I know all the negative words that you have spoken as a parent.

My beloved child, my Word tells you that I work in all things for good for those who love me, and those who live according to my purpose for them.

My desire for you my beloved child is that more and more you are filled with my Spirit, and therefore the actions and their behaviour and your

experiences as a parent, don't lead you into reacting from your flesh, with your feelings and your emotions.

I know how intensive it has been, but the reason it has been so intensive for you, is that through all your experiences as a parent, I have called you by name to become one of my chosen parents who embody me, who are my hands and feet, who are my glory carriers, who no longer get affected by the actions and behaviours of their children, and instead they live and walk each day in joy and in peace.

My beloved, you as a parent and your child, you have been in the refiners fire, but in the refiners fire, I have been purifying you, I have been sanctifying you, I have been revealing to you that you can't get angry, that when you get angry, it only increases the battle and the challenges that you've had as a parent.

My beloved child, I have plans for you and your family, and those plans are plans for good and not for disaster to give you a future and a hope.

I have you and your family in the palm of my hand.

I love each of you more than you can comprehend.

I surrendered my life on the cross for you and your family.

I shed my blood on the cross for each of your sins.

My beloved, I no longer want you to feel guilty and condemned for how you have been as a parent for now there is no condemnation for those who belong to me, the Lord your God, who walked by the Spirit and not by the flesh.

My beloved child, you yourself personally cannot save your child, there is only me. I am calling you to truly surrender everything in your life to me, your entire family surrender, it all to me. Put your trust and your faith in me and in me alone. Focus each day on my Word. I will create the time for you to focus on my Word.

I am calling you now to to turn away, to turn off from everything that this world distracts you with. I am calling you now to focus on my Word, to

read my Word, to hear my Word, to focus on the things above not the things below.

As you are receiving my message to you now, I am pouring my Spirit into you. I am releasing into your life the gift of faith, so that you can not only walk by faith, not by sight, but you can also talk by faith not by sight.

You and your children, you are mine. You are in the palm of my hand. There is nor height nor depth nor any other creature, not even the powers of hell, will be able to separate you and your family from my love, from my love.

My beloved, cast all your burdens upon me, because I care for you, for my yoke is easy and my burden is light.

No longer worry in any way. Instead come to me every single day.

You and your family, you are all mine. You are all chosen, says I the Lord your God.

No Longer Expect To Experience Things That You Read In My Word, Simultaneously With Other People, Says The Lord

My beloved, everything that you experience is personal to you.

Everything that every man, woman and child experiences is personal to them.

I the Lord always work in my people personally, one by one.

I the Lord create my people, one by one.

I the Lord bring my people into the world, one by one.

I the Lord sustain my people, one by one.

I the Lord rescue my people from the deep waters, one by one.

I the Lord give my people the eyes to see and the ears to hear, one by one.

I the Lord remove the scales from the eyes of my people, one by one.

I the Lord take my people through sorrows, one by one.

I the Lord take my people through tribulation, one by one.

I the Lord come down from heaven, mounted on a mighty angelic being, to rescue my people, one by one.

I the Lord give my people the revelation of who they are in me, one by one.

I the Lord work continually in all my people, one by one.

My beloved, no longer expect to experience things that you read in my Word, simultaneously with other people.

Everything in my Word takes place, one by one.

Remember my beloved child, everything is personal.

I Know The Reasons You Have Had For Not Believing In Me, Says The Lord

My beloved child, I know that you haven't believed in me. I know that you have lived your own way. I know the reasons that you have had for not believing in me.

I know the feelings and the emotions that you have had, in those moments in your life when you have just started to ask that question in your mind, "Is God real?"

My beloved child, you are chosen and not forsaken. Before I created the heavens and the earth, every day of your life was written in my book. Every single moment was laid out before a single day had passed. That's right, every one of your decisions, all your actions, how you have behaved, the decisions you have made, the choices you have made, the reason why you have lived without faith in me, the Lord your God.

I know the pride that you have lived with.

I know the pain that you have experienced.

I know that grief that you have suffered.

It is I the Lord your God that has carried you through every single one of your dark valleys.

It is I the Lord your God that has given you the strength to keep going.

It is I the Lord your God that has sustained you.

It is I the Lord your God that has put my breath in your lungs.

As you are receiving my words to you now, I am giving you the eyes to see and the ears to hear. I am lifting the veil. The scales are falling from your eyes. You are now beginning to comprehend that I the Lord your God surrendered my life on the cross for you. I shed my blood on the cross to atone for all your sins.

You have lived your life separated from me by sin. You were born with a sin nature and you live with a sin nature. You will always live with your sin nature, and your sin nature is opposed to my laws.

You have lived your life putting yourself at the centre of your life and not me the Lord your God who created you, who formed you, but my beloved child, when you come to me, when you receive me as your Lord and Saviour, when you repent, and with all your heart you confess with your tongue that I am your Lord and Saviour, there is now no condemnation for those who belong to me, who walk by my spirit and not by their flesh.

Let the tears flow, because by my Spirit I am going to be bringing you into repentance, through the conviction of the sins that you have committed, of the decisions that you have made. There is only I the Lord your God that can give you the strength to comprehend the truth of your life, the truth of your sin, the truth that you have been heading on the wide path of sin that leads to death and eternal damnation, but through you crying out to me with an open heart, with you surrendering your life to me, with you getting down onto your knees and calling out to me the Lord your God, my promise to you my beloved child, is that I am going to give you the strength to come through everything that you are going to be going through, for my plans for your life, are plans for good and not for disaster, to give you a future and a hope.

I have called you by name from your mother's womb to be my hands and feet, to be my glory carrier, and I have put my Spirit in you, and my Spirit that is in you is greater than the spirit that is in the world.

My beloved child, have no more fear of death. I have not given you a spirit of fear, but of power, of love and of a sound mind, and as you begin to experience my unfailing love for you, as you begin to comprehend the truth of who you are, a child of God, you will see that my perfect love expels all fear.

My Desire For You Is For You To Be Completely Surrendered To Me, Says The Lord

My beloved, my desire for you is for you to be completely surrendered to me.

My desire is that you have surrendered every single thing in your life to me.

Remember that I know and see everything.

I desire for you to be completely free.

I desire for your faith to be in me and in me alone.

I desire to answer your prayers.

My Word tells you in Matthew 7:7, "Ask and you will receive, seek and you will find, knock and the door will be open for you", but my Word also tells you that it is only my people with pure hearts and clean hands, that can climb my holy mountain. So my beloved, I am calling you now to go into the secret place, to get down onto your knees and to ask me, the Lord your God, to reveal to you what are the things that you haven't YET surrendered to me.

You will ask and you will receive, for I desire for you to know what it is you need to surrender to me. By my Spirit within you, I will speak to you and I will reveal to you what you need to surrender, and then through you surrendering that which you haven't previously surrendered, you will experience freedom. You will feel a burden lifted off you. The remaining chains to experiences that you've had in your past and things in your life currently, every chain is going to break in my name.

My promise to you my beloved child, is that you are no longer going to be weighed down. You are no longer going to be heavy laden. You are no longer going to be burdened with those things which you have been carrying, those things which you haven't previously surrendered to me.

I have called you by name from your mother's womb to be totally surrendered to me, for when you are totally surrendered to me, you are ready to truly receive everything that I've been preparing to pour into your life.

Remember my beloved, it is my breath in your lungs. It is I the Lord your God that sustain you. Your identity is not in the accumulation of things that you've experienced in your life. Your identity is not in those particular things that you've been holding on to, those things which you are going to be surrendering to me.

My beloved child, your identity is in me the Lord your God and in me alone .

From you receiving my message to you now, once you go into the secret place to come to me to ask me to reveal to you what you need to surrender to me, once you have surrendered those things, once you have experienced the chains breaking, once you have experienced the burden being lifted, my beloved child, I'm calling you to testify, to testify about what you experience. For your testimony is going to encourage more of your brothers and sisters that they too also need to come to me in to the secret place, and ask me to reveal to them what they need to surrender to me.

Thank you my beloved for hearing my voice.

You are my masterpiece, says I the Lord your God.

My Beloved Little Child, I Have Always Been With You, And I Will Always Be With You, Says The Lord

My beloved little child, I the Lord your God know how hard it has been for you being brought up without one of your parents.

I know how often you have compared yourself to other children and you have longed to experience what they experience, living with both their parents.

I know that you have longed to not feel confused, to not feel hurt, to not feel angry, to not feel unloved.

My beloved little child, I the Lord your God have always, always been with you, and I will always be with you. You are my precious child. I have you in the palm of my hand. I will never leave you nor forsake you. My plans for your life are plans for good and not for disaster, to give you a future and a hope.

I have put my Spirit in you, and the spirit that is in you is greater than the spirit that is in the world.

I know that your heart has been broken. I know that you have been crushed. At times you have felt backed into a corner. I know every single second that you have spent on your own, thinking about your life and your experiences. My beloved child, I know when that voice in your head has tried to make you believe that you are to blame, that there is something that you have done wrong. My beloved child, it wasn't your fault.

As you are receiving my words now, I am taking out of you your broken heart, your stony heart. Stony because of what you have experienced in your life so far. I am taking your broken heart out of you, and I am giving you a new heart, a heart of flesh from a heart of stone, and with your new heart that I am giving you, my beloved little child, you are going to be able

to experience my unfailing love so that you will never, ever again feel like you are unloved.

You will never ever again feel like you are unlovable.

You will never ever again feel lost.

You will never ever again feel hopeless.

You will never ever again feel helpless

My beloved child, I know the fears that you have experienced. I know the fear that you have lived with, but now I the Lord your God, I am taking away all your fears. My perfect love for you, my little child, expels all fear.

I have called you by name from your mother's womb to be one of my disciples. You are going to see and the people in your life now and the people that will come into your life going forward, will see that you are my hands and feet, that you my beloved little child, are carrying my glory, my love, my peace, my joy.

My beloved little child, I have numbered every hair on your head. My thoughts for you out number the grains of sand. You are chosen and not forsaken. I the Lord your God, I am for you and not against you, and because I am for you, who can ever be against you?

My beloved little child, you are my masterpiece. No weapons formed against you will prosper, and every tongue that rises up against you you will condemn, for that is the heritage of the servants of me the Lord your God.

My beloved child, you are fearfully and wonderfully made in my image.

You are the apple of my eye, and you are going to live in joy and peace, says I the Sovereign Lord.

Remember My Beloved, It Is ALL Written, It Is ALL Written, Says The Lord

My beloved, you know that my Word tells you that every day of your life is written in my book.

You know that my Word tells you that every single moment of your life was laid out before a single day had passed.

You know that my Word tells you that I the Lord your God, I work in all things in your life for good, because you love me and because you live according to my purpose for you.

You are receiving my message to you now, because I desire for you to embrace everything that will come into your life from this moment forward.

It is I the Lord your God, that through your life have shut doors that you have not been able to open. It is I the Lord your God that through your life, I have opened doors that you have not been able to shut.

I have used every one that has ever been in your life, and that is in your life today, and I will use all the people that I will bring into your life from this moment forward. I use all people to carry out my divine plan and my divine purpose for your life.

My beloved child, I am encouraging you now, when faced with a circumstance or a situation that you don't understand, when faced with the behaviour of another person which surprises you, or which seems to contradict what you were expecting to happen, my beloved child, I am asking you, for you to ask me "Lord, is this from you?", and I will tell you when it is from me, and when it is from me, I would like you to accept what has just happened. Accept the sudden change of your circumstances, of your plans, for I the Lord your God, I have bigger plans, I have greater plans, and it is I the Lord your God that has used someone in your life to

change the path that you were on, to change the plan that you had. For I know the plans that I have for you, my beloved, and my plans for you are plans for good and not for disaster to give you a future and a hope.

Remember my beloved, I truly do work in ALL THINGS for good, for you, because you love me and because you live according to my purpose for you. As I am drawing you into a more deeper, into a more intimate, into a more profound relationship with me, in your mind, you are beginning to hear me speak to you more and more and more through each day.

Remember my beloved, put your trust in me and in me alone. I am the author and the finisher of your faith.

I am Sovereign. I am in control.

Every day of your life is written in my book. Every single moment including this moment right now as you receive my message to you, was laid out before a single day had passed.

Talk to me more and more and more in your mind and I will answer you. I will explain to you. I will give you wisdom and revelation and understanding.

Be prepared to hear me speak to you in your mind more and more and more, as I continue to tell you, "trust me". You will hear me say to you, as you experience certain things in your day to day life, I will say to you "It is ALL written, it is ALL written, it is ALL written."

Thank you, my beloved child for receiving my message to you now.

My promise to you is that your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord your God have got planned for you, because you love me.

You are my masterpiece, says I the Sovereign Lord.

I No Longer Want You To Strive To Experience Miracles In Your Life, Says The Lord

My beloved, I no longer want you to strive to experience miracles in your life.

Your life is a miracle.

The most important miracle that you can experience and live with is me the Lord your God taking out of you your stony heart, and giving you a new heart - a heart of flesh from a heart of stone. For it is only when you have a new heart of flesh that you can truly begin to receive all my unfailing love that I desire to pour into you, but then, even more importantly, you are able to pour out my unfailing love to your neighbours.

You know that the second commandment is for you to love your neighbour as yourself, and your neighbours include the people that have been in your life that have hurt you the most.

The miracle of me giving you a new heart, a heart of flesh, is what allows you to truly, truly love your neighbours, and it is only I the Lord your God, by my Spirit, that gives you the strength to forgive EVERYONE that has ever hurt you with all your new heart of flesh, and also FOR YOU TO PRAY FOR THEIR SALVATION.

My beloved, no longer strive for miracle breakthroughs in your life. Instead, desire to receive more and more and more of my unfailing love, so that you can pour out more and more and more of my unfailing love to others.

My Word tells you that only those with pure hearts and clean hands can climb my holy mountain, and as you have been receiving my words to you now, I the Lord your God have been doing the miraculous. I have taken out of you your stony heart. I have destroyed every chain. I have destroyed

the iron bars, and I have given you a new heart, a heart of flesh from the heart of stone, so now, as you seek my kingdom and my righteousness first every morning, all else will be given unto you.

I have called you by name from your mother's womb to be my glory carrier, to be my hands and feet.

The world is going to see that you are my disciple, you are filled with my unfailing love and that you truly, truly, truly love your neighbour as yourself.

More Than Ever Before I Am Encouraging You To Take One Day At A Time, Says The Lord

My beloved, more than ever before I am encouraging you to take one day at a time. I am encouraging you to keep your heart and mind focused on me and what you can do for my Kingdom every single day.

When you allow your mind to think about things that may come in the future, you aren't focusing on how you can be my hands and feet today.

All my promises to you are yes and amen, in, my, perfect, time.

Remember my beloved, I work in ALL THINGS for good because you love me and because you live according to my purpose for you. Even when you don't see it, in the lives of your loved ones, and in all your circumstances, I am working. Even when you don't feel that I am working in your circumstances, in your family members, in your loved ones, I am working. I am ALWAYS working.

My desire for you my beloved child, is for you to live in joy and peace, for you to cast all your burdens upon me because I care for you, for my yoke is easy and my burden is light. As you truly begin to take one day at a time, you will feel that weight of expectation, that weight of what may come in the future and that weight of my promises to you that haven't yet come to pass, you will feel and experience all these weights will be taken off you. You will no longer be trying to work out and to figure out what may happen, what is to come in your life and what am I going to do in your life. For my promise to you, my beloved child, is that your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord have got planned for you and all your family members.

My beloved, as you wake each morning, may your heart and your mind be focused on me. May you seek my kingdom and my righteousness first each morning, and my promise to you is that all else will be given unto you.

Remember my beloved child, I have plans for your life, and my plans for your life are plans for good and not for disaster to give you a future and a hope.

I have put my spirit in you, and my spirit that is in you is greater than the spirit that is in the world. You can do all things through me, the Lord your God, who gives you strength. I have not given you a spirit of fear, but of power, of love, and of a sound mind, and my peace, which surpasses all understanding, guards your heart and your mind in me, the Lord your God.

My beloved child, come back to my message here as often as you need to do, so that you will truly be taking one day at a time.

I Am Continually Speaking To You, Says The Lord

My beloved, throughout your life I have been speaking to you. My desire is for you to know that throughout every day of your life moving forward, it is I the Lord your God that are in constant continual conversation with you. It takes place in your mind, so you don't hear my voice audibly, but it is I the Lord that is communicating to you in your mind, and the biggest reason that so often you haven't realised that it is I the Lord that is speaking to you, is because you haven't trusted that yes I am, continually speaking to you.

From the smallest, most insignificant moments of your life through to the greatest, through to the biggest, through to the most challenging, through to the moments in your life when suddenly your circumstances change, my beloved, from you receiving my message to you now, you will have the discernment to know that I am speaking to you, that I am guiding you, that I am strengthening you, that I am supporting you, that I am bringing you peace, that I am bringing you clarity, that I am taking away any possible confusion, because what I am doing inside of you, my beloved, I am continuing to build up your faith in me. I am continuing to bring you into a more deeper, in a more personal, in a more life changing relationship with me the Lord your God.

My beloved, smile, smile because I'm speaking to you now, through you receiving my words. You are going to be smiling as you have more than ever before in your life, absolute complete clarity when I'm speaking to you and that you are in conversation with me in your mind, and in these conversations that you will be having with me in your mind, I will be helping you and guiding you and giving you understanding and wisdom and revelation of what is taking place in your life.

My beloved, before I created the heavens and the earth, I planned for you to be receiving my message to you now, because I have planned for you

for the rest of your life to be in continual conversation with me in your mind.

Be prepared my beloved, for me to bring you into tears. Tears because you are receiving my words to you more than ever before. Tears because your life is going to start becoming truly profound. Tears because I am giving you greater and greater comprehension of how much I love you, because you my beloved are my masterpiece, says I the Sovereign Lord.

My beloved, every time you experience rain from receiving my message to you now, I want you to smile. I want you to see that as the rain is coming down, I am cleansing you, I am washing you, I am purifying you, I am refreshing you.

My beloved, when the rain starts to come down, whether light or heavy, see it that I am pouring into you rivers of living waters.

No longer have your spirit dampened when I send the rain.

No longer have your mood dampened by the rain. Instead, my beloved, may you have a happiness, a joy and a peace about you as the rain comes down.

Embrace the rain.

My beloved, my promise to you as you take hold of my message here, that as you move forward in your life in me the Lord your God, at different moments in your life when you are having a significant experience, when you are doing my work, when you are being my hands and feet, at different moments of your life where there is a significance to what is taking place, at times you will see that I will bring the rain, and I will immediately speak to you and say "My beloved, I told you I am bringing rivers of living waters into your life and into the lives of those people around you and the lives of people that you are with, when you are doing my work, and I bring the rain".

Embrace when the rain comes.

Embrace when the showers come.

Embrace when heavy rain comes.

It is all from my hand, and it is me pouring my rivers of living waters into your life, so that rivers of living waters flow from your heart, for your faith is in me and in me alone, says I the Sovereign Lord.

My Beloved Daughter, I Know Why You Have Been Unable To Forgive, Says The Lord

My beloved daughter, I know that you have been unable to forgive. For what you have experienced in your life, I know why you have been unable to forgive.

Up until you receiving my message to you, the unforgiveness that you have carried with you, the unforgiveness that has been impossible for you to break free from, it is going to be by you coming to me and saying “Lord, help me to forgive”, that through my Spirit, you will finally be able to forgive. You will finally be completely free from your past life experiences.

My promise to you, my beloved daughter, is through your total surrender of everything that you've battled with in your life, through your total surrender to me, and by you, with all your heart, desiring to make me the Lord over your life, my promise to you is that I am going to give you a new heart. I the Lord I am going to take out your stoney heart, stoney because of what you have experienced, because of how others have treated you, and I am going to be giving you a new heart, and your new heart is a heart of flesh.

I the Lord, I am the only one that can break you out of that prison of unforgiveness.

I the Lord are the only one that can bring you peace which surpasses all understanding.

My beloved daughter, my hearts desire for you is for you to live in joy and peace.

Your life up until this moment has led you to believe that your identity is based upon your whole life experiences, that your identity is connected to the pains, to the trials, to the dark valleys, to the suffering that you have experienced in your life.

My beloved, as you are receiving my words to you now, I am giving you the eyes to see, the ears to hear and a new heart to allow you to receive all my unfailing love.

Your identity, my beloved daughter, is in me, the Lord your God, and in me alone. I am the only one that can bring you total healing from your past life experiences. It is only by my Spirit that you are going to be able to forgive, and following your forgiveness, by the power of my Spirit, you will be able to pray for the salvation of those who have hurt you in your life.

It is I the Lord your God that has carried you through every single moment of your life.

It is I the Lord your God that carried you through those dark valleys.

It is I the Lord your God that gave you the strength to keep going.

It is I the Lord your God that brought you back when you were on the verge of taking your own life.

It is I the Lord your God that have called you by name. I have called you by name not just to believe in me, but to become my glory carrier, to be my hands and feet, and you will see my beloved daughter, in my perfect time, not only will you have completely forgiven those whom you haven't been able to forgive before now, you will also pray with all your heart for their salvation, but above all of this, you will be living your life worthy of the calling that you have received, and that calling my beloved daughter, is to be my glory carrier, to be my hands and feet.

I am waiting my beloved, for you to bring your unforgiveness to the cross, says I the Sovereign Lord.

Every Day I Will Leave You Amazed At The Experiences That I Ordained For You, Says The Lord

My beloved, you have started to experience new things in your life, firsts in your life.

You have said “that has never happened to me before”.

You have said “I've never experienced that before”.

You have said “I've never seen that before”.

You have said “I've not done that before”.

You have said “that is the first time that has happened to me”.

You have said “that is the first time God has used me in that way”.

You have said “I can't believe that's just happened”.

My beloved, the firsts that you have experienced through your desire to be in a more deeper and a more intimate relationship with me, have only just begun.

My precious child, you have seen nothing yet.

There are gifts of my Spirit that up until you receiving my words to you now, you haven't experienced in your life. Gifts that you haven't YET used. Remember, my beloved, faith without works is dead.

I have called you by name from your mother's womb to be my glory carrier, to be my hands and feet, and you are going to be doing the same things I did, and even greater things. You are going to be saying to mountains “may be lifted up and thrown into the sea” and because your faith and don't doubt, it will happen.

My beloved, I am opening new doors up in your life for you to harness the gifts of my Spirit, and these doors I'm opening up in your life, no man can shut, and it will be when you walk through those doors without knowing

what's on the other side of them, but when you step out in faith, in boldness, you will see that not only am I on the other side of those doors, but I have already gone before you and I have been preparing you to receive my message to you now. I have been building you up. I have been cleansing you and purifying you from the things of your old self, of your old wineskins, and yes, the refining process has been painful, very painful, but I have had to do it this way to bring you to this point now to receive my message to you, that you are stepping into life truly surrendered to me the Lord your God.

As you make me the Lord of your entire life, as you make me the Lord over your thoughts, your feelings, your emotions, your actions, your behaviour, as you make me the Lord over your tongue, as you make me the Lord over your decisions, you will be experiencing more and more of my glory coming into your life.

My beloved, you are going to be going from glory to glory to glory to glory. Every day I will leave you amazed at the experiences that I ordained for you before I created the heavens and the earth, and I am asking you my beloved to worship me, to praise me, and to testify about my wonderful deeds in your life. Share and speak about my deeds every day. The more that you talk about me and what I am doing in your life and through you as my chosen vessel as my glory carrier, the less that you talk about yourself.

Remember my beloved it is not you that live but I that live in you, and my beloved may you never again say those words or think those words “I can't do that”, “that isn't for me”, “I'm not ready for that”, “there is no way that could possibly happen in my life”.

No, no, no, no no, my beloved. You can do ALL THINGS through me the Lord your God who gives you strength. Greater is the spirit that is in you than the spirit that is in the world, and my beloved, your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord have got planned for you because you love me. I truly, truly, truly work in ALL THINGS in your life for good, because you love me, and because you are living according to my purpose for you, and my purpose for you, my beloved, is for you to be my hands and feet, for you to have a

desire in your heart from the moment you wake up in the morning to serve me, to seek my Kingdom first and my righteousness and all else will be given on to you.

My beloved no longer think that you can't do the things you've seen other brothers and sisters do. Remember what is impossible with man is possible with me, says I, the Sovereign Lord.

September 29th 2022

The Only Urgency You Need To Be Accepting In Your Heart Is An Urgency To Work For My Kingdom Each Day, Says The Lord

My beloved, you are seeing messages which are not from me. There are many false prophets who have many people following them. They are giving out warning messages. They are giving out messages talking about impending doom. They are giving out messages using words such as “shocking”. They are giving out messages urging you to act now.

My beloved, my message to you now is to fix your eyes on me the Lord your God and on me alone. It is through your own personal relationship with me, through you speaking to me, through reading my Word, through you worshipping me, through your desire to gain wisdom and revelation from my Word, through your desire to hear from me, through your desire to cast all your burdens upon me, because I care for you, it is through your own personal relationship with me that I will lead you into living your life, serving me each day.

My beloved, I have called you by name from your mother's womb to be my glory carrier, to be my hands and feet, and when I ask you “will you go” you will say “Yes Lord, I will go, send me.”

My beloved, the only urgency you need to be accepting into your heart is an urgency to work for my kingdom every day. Please, do not hide your light under a bushel. Now is truly the time my beloved to step completely outside of your comfort zone, to truly start walking in the calling that you have received.

Don't worry about money. Seek my kingdom and my righteousness first and my promise to you is that all else will be given unto you.

My peace that I leave with you is a gift the world cannot give you. The more that you seek me, the more that you worship me, the more that you use my name, the more that you saturate your eye gates and your ear gates with the things of my kingdom, the more of my joy and the more of my glory is coming into your life, and that my beloved, is my promise to you.

You are going to be not only walking by faith and not by sight, you are going to be talking by faith and not by sight, says I, the Sovereign Lord.

You Are Going To Be Hearing My Voice More Clearly And More Regularly Than You Have Ever Experienced Before, Says The Lord

My beloved, from you receiving my message to you now, you are going to be hearing my voice more clearly and more regularly than you have ever experienced before.

There are particular words that you are going to be hearing me say to you.

You are going to hear me say to you “Remember, it is ALL written”, when you are faced with a challenging situation or circumstance or the behaviour of someone in your life. “Remember, it is ALL written”.

You are going to hear me say to you “Keep trusting me” as you are beginning to be drawn into your feelings and your emotions, when things in your life don't go the way that you're expecting them or are hoping them to. “Keep trusting me”.

I am going to bring you into tears of praise and worship, when I say to you “I told you I would do it”. ALL my promises to you are yes and amen. I know your heart's desires, because it is I the Lord your God that have placed those desires upon your heart, and in my perfect time, you will see that I will answer your prayer, and you will be crying tears of breakthrough, tears of awe and wonder, tears because you hear me say to you “I told you I would do it”.

You are also going to hear me speak to you to bring you subtle but important correction each day, at moments when you are being drawn into your flesh and you are developing negative feelings or emotions. You will hear me say to you:

“Stop moaning”

“Stop complaining”

“Stop getting frustrated”

“Stop judging”.

“Stop trying to fight this battle”.

You will hear me say to you “This battle belongs to me”, and you will surrender that that is taking place in your life to me.

You will hear me say to you “I am in total control” when the circumstances of your life make you feel like things are going out of control.

You will hear me say to you “I am with you, keep trusting me” as you enter into a situation or a circumstance where you would have normally felt disturbed, frustrated, worried or concerned.

My beloved, the words that you are going to hear me speak to you which will have the greatest impact on your trust and your faith in me, is when I say to you, “I told you I would do it”.

My beloved, I am calling you to not just walk by faith, not by sight, but also to talk by faith, not by sight.

Speak about my promises to you.

Speak about the salvation of your loved ones, which hasn't YET happened.

Speak about those things that are on your heart right now, that haven't YET come to pass.

Walk by faith and talk by faith, and be prepared to hear me speak to you more and more and more throughout each day, as you are truly desiring to be in a deepening, intimate, personal relationship with me, the Lord your God.

For The Rest Of Your Life In Me, Talk By Faith, Not By Sight, Says The Lord

My beloved, you know that my Word calls you to walk by faith and not by sight.

My beloved, I am now calling you, for the rest of your life in me, to talk by faith, not by sight.

Talk to other people about the promises that I have given you that you are standing on.

Talk to other people about the things that are impossible with man that are possible with me, the Lord your God.

SPEAK LIFE into what appears to be dead and buried.

Declare and decree my Word.

Prophecy into the dry bones in your entire family lives circumstances.

My beloved, with all your heart, with complete belief and trust, TALK BY FAITH. Share your faith in the things that I haven't YET done in your life.

My beloved, my promise to you, through your total surrender to me, through you making me the Lord over your ENTIRE LIFE, my Word tells you that you can pray for anything, and if you have faith, you will receive it. So my beloved, through your faith in me and in me alone, my promise to you is that your loved ones whom I haven't YET lifted the veil, I haven't YET removed the scales from their eyes, I haven't YET given the eyes to see and the ears to hear, I haven't YET softened their hardened hearts, my promise to you my beloved, through your absolute total faith, and through you talking by faith, my promise to you is that IN MY PERFECT TIME, I will set the captives free in your life.

So my beloved, as you are receiving my words to you now, by my Spirit, you can truly begin to not just walk by faith, but you can TALK BY FAITH.

You can be willing to sound crazy. You can be willing to sound what some may describe as delusional, but remember my beloved, when you send my Word out, it does not return to me void, it accomplishes all that I desire and it prospers EVERYWHERE that I send it.

Matthew 21:22 tells you my beloved, that you can pray for anything, and because you have faith, YOU WILL RECEIVE IT.

Continue to talk by faith.

Continue to talk about the salvation of your loved ones that hasn't YET happened.

Continue to talk about the miracles that haven't YET happened in your life.

Continue to talk by faith and not by sight.

My beloved, your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord your God have got planned for you because you love me.

My beloved, my time has not YET come to bring about the miracle salvations of your loved ones, of the things that you have been praying for, MY TIME HAS NOT YET COME, BUT MY TIME IS PERFECT, AND MY TIME WILL COME, says I the Sovereign Lord.

I Am Giving You Wisdom & Revelation About Spirituality & New Age, Says The Lord

My beloved, you have your own thoughts, your own feelings, your own beliefs about spirituality and New Age.

I have called you by name from your mother's womb to be my glory carrier. As you are receiving my words now, I am completely lifting the veil, I am truly giving you the eyes to see and the ears to hear and the heart to understand spirituality and New Age.

Remember, my beloved, my Word tells you that every day of not just your life, but the life of every man, woman and child, walking the earth, who have ever walked the earth and who will ever walk the earth, every day is written in my book. Every single moment was laid out before a single day had passed. I AM IN COMPLETE CONTROL. I work in all things and through all things for good for those who love me, and those who live according to my purpose for them.

I am giving you wisdom and revelation of spirituality, of New Age. They have been and they will continue to be an absolutely essential part of my divine plan to bring about reformation across the whole world. For all my chosen people who are currently practising spirituality and New Age, remember, I have them in the palm of my hand. They can plan to stay in that place for the rest of their life, but my will is going to be done.

My beloved, trust me when I share with you now that one by one I am lifting those who are in New Age and spirituality out of the miry clay, and into my glorious light, and there is NOTHING that they can do about it.

In a moment, in an instant, I am lifting the veil.

In a moment, in an instant, I am removing the scales from the eyes of those who have been trapped in their sin.

I have used New Age and spirituality to be a bridge, to be a bridge for my people who had no understanding and comprehension of the spirit realm, to come on the bridge, and that bridge is leading them to one thing and one thing only, and that is into a personal, intimate relationship with me the Lord your God.

Every single thing that is taking place across the earth is a part of my divine plan and purpose. I work in ALL THINGS for good for those who love me and those who live according to my purpose for them.

My beloved, no longer worry. No longer worry about the people that you know that are currently practising New Age beliefs. I have not given you a spirit of fear, but of power, of love and of a sound mind.

Fix your eyes on me and on me alone. Surrender everything and everyone in your life to me. Make me the Lord over your entire life. Know that I am in control, know that I am Sovereign, know that I am the Alpha and the Omega, the beginning and the end, the first and the last.

Give no more authority, no more airtime, no more credibility, no more glory to your enemy. To me, the darkness and the light are the same. I work in all things for good. I am sovereign. I am above all, and remember my beloved...

One by one I am setting the captives free.

One by one I am destroying the iron bars.

One by one I am breaking my people out of the prison that they are in.

One by one I am giving my people their Damascus Road experience.

One by one I am taking people from darkness into my glorious light.

One by one I am bringing people onto their knees in repentance to receive me into their life as their Lord and Saviour.

One by one I am continuing to bring about my worldwide reformation, and my will be done, on earth as it is in heaven.

I am the King of glory, and my beloved have no doubt about this now, I have called you by name from your mother's womb to become my glory carrier, and it will be futile for you to fight against my will.

Embrace everything coming into your life. I have been refining you. I have been purifying you. I have been sanctifying you. I have been separating you out of the world, but now my beloved, I am setting you on fire, to be a ball of fire, for blazing coals to be coming from your mouth, for you to be shining light into all different areas of darkness. Have no fear. I go before you. My hand is mighty upon you, and greater is the spirit that is in you than the spirit that is in the world, and my beloved have no doubt about it, you can do ALL THINGS through me who gives you strength.

I have made you the head and not the tail. I am giving you now the keys to the house of David, the highest room in the royal court. You will open doors that no man can shut, and you will close doors that no man can open.

The weapons that you fight with are not carnal, they are not of the world, on the contrary, they have to divine power to break down strongholds, and my beloved, be prepared for me to move in your life miraculously, gloriously, as mountains move and mountains move and mountains move, all for my glory, says I, the Sovereign Lord.

Don't Allow Man To Bring Confusion Into Your Life, Says The Lord

My beloved, listen to my voice and follow my will above the voice of any man or woman walking the earth.

I know your heart.

I have called you by name from your mother's womb. I have given you the eyes to see and the ears to hear. I have given you the revelation of what I did for you on the cross. I have removed the scales from your eyes. I have put my Spirit in you and my Spirit leads you into ALL TRUTH.

You are no longer a slave to your sinful nature. You are my child.

Don't allow people to make you question whether you have been praying to me in the right way, whether you have been listening to the right music, whether you have been listening to the right teachers, preachers and prophets.

You will be experiencing people telling you "you shouldn't say that", "you shouldn't use that word", "you shouldn't listen to that pastor", "you shouldn't listen to that worship song".

My beloved, by making me the Lord over your entire life, through your total and complete surrender to me, by my Spirit, I will and continue always to provide you with discernment, so that you are not deceived by man.

Ask me each day for wisdom, for understanding and revelation, and I will not rebuke you for asking.

Call on me and ask me to tell you great and marvelous things of things you do not know.

Put your trust in me and in me alone.

Continue to worship me in spirit and in truth.

Continue to speak the words that are on your heart because you are led and guided by my Spirit.

Don't allow yourself to get confused by man.

Don't allow yourself to begin to question what you have been saying, what you have been doing, what words that you have been praying, what worship music you have been listening to.

DON'T ALLOW MAN TO BRING CONFUSION INTO YOUR LIFE.

Remember, my beloved, I am the Alpha and the Omega, the beginning and the end, the first and the last. Every single day of every man, woman and child walking the earth, who has ever walked the earth, who will walk the earth, every day of your life and their lives are written in my book. Every single moment was laid out before a single day had passed.

I AM IN CONTROL. I AM SOVEREIGN.

Remember, my beloved, I know your heart.

I Am Imploring You To Accept That I Truly Do Work In ALL THINGS For Good, Says The Lord

My beloved, I am calling you to no longer give your time, energy and words to things which are from a place of sin, of darkness, of deception, of fear, of evil.

My beloved, I am imploring you to focus on things above not things below. I am imploring you to accept that I TRULY DO WORK IN ALL THINGS FOR GOOD for those who love me and those who live according to my purpose for them.

I am imploring you to praise me, to worship me, to speak to me, to hear from me EACH DAY. My beloved, the more that you focus your mind and your heart on me and my Word, the less that you are focusing on the situations and circumstances and experiences in your life and those things taking place across the earth.

There is power in your tongue, to speak life or to speak death. My Word is life. Speak life. Read my Word. Declare my Word. Use my name. I have been given the name above all names.

My beloved, let go of being consumed by things taking place on the earth. I AM IN CONTROL. I AM SOVEREIGN. Let go of everything. Let go of all your burdens, cast your burdens upon me because I care for you.

As you are receiving my words to you now, I'm destroying the yokes of bondage that have been in your life.

I am destroying the chains to your past.

I am destroying the spirits that have been causing you to focus on things taking place in your life, the spirits that have been keeping you in your flesh.

I am destroying the strongmen that have held you in prison, in iron bars.

My beloved, don't look left, don't look right, don't look behind you, look straight ahead to fix your eyes on me, because I am the author and the finisher of your faith and MY WAY IS PERFECT, so when you focus on me, you are focusing on my perfect way, you are focusing your time, your energy, your attention and your heart and your desires on my way, which is perfect.

I am the one that makes a way in the wilderness.

I am the one that takes your ashes and turns them into beauty.

I am the one that takes your pains and turns them into your testimony.

I am the one that turns your darkness into my glorious light.

I am the one that has you in the palm of my hand.

My beloved, I have called you by name from your mother's womb to be my glory carrier. To walk each day and to live in joy and peace. To walk each day by faith and not by sight. To put your trust in me and in me alone. To lean not on your own understanding. My beloved, I AM IMPLORING YOU to give me EVERYTHING, to surrender EVERYTHING in your life to me.

My beloved, to me the darkness and the light are the same. I WORK IN ALL THINGS IN YOUR LIFE FOR GOOD, because you love me, because you live according to my purpose for you, and as I am establishing right now, deep in your heart my purpose for you, my beloved, you are receiving now by my Spirit, that my purpose for you is to glorify and worship me each day, to have a thankfulness, a gratefulness and a joy in your heart each day from when you wake up in the morning, because my beloved, you always have something to be joyful for, because you have my breath in your lungs. You have my breath in your lungs. I sustain you, my beloved, in spite of what's been going on in your life, you are here today receiving my words because of my grace for you, because of my mercy for you, because of my unfailing love for you.

My beloved, your eyes have not yet seen, your ears have not yet heard in your mind has not yet conceived what I the Lord your God have got planned for you because you love me.

No longer give time, energy and words to darkness, to evil, to fear.

May my Word be on your tongue throughout each day.

The more that you saturate your eye gates and your ear gates and your heart and your mind with the things of my kingdom, the more of my glory will be coming into your life, because I am the King of glory, and I have called you by name, my beloved, to be my glory carrier, says either Sovereign Lord.

I Am Not Taking You Out Of Situations, I Am Raising You Up Higher, Says The Lord

My beloved, during your life there have been times when I have taken you out of a situation, of a circumstance, of an experience. I have shut doors that no man can open.

Since early 2020, I have been separating you out from the world. I have given you the eyes to see and the ears to hear. I have been intensively and purposely refining you by fire. I have been strengthening you. I have been equipping you. I have been giving you wisdom, understanding, revelation from my Word. I have been lifting you out of the miry clay that you've been in. I have been raising you up higher above the situations and circumstances and experiences of your life.

No weapons formed against you have prospered, and every tongue that has risen up against you, you have condemned for that is the heritage of the servants of me, the Lord your God.

As you are receiving my message to you now, I am lifting you up higher and higher and higher. The higher you come with me, the deeper you go in your personal relationship with me.

The more that you are walking by faith and not by sight, the more that you are no longer affected by the things that used to affect you. The more that you are able to look down upon the circumstances of your life, and instead of me taking you out of those circumstances, I am using you to shine light into the darkness.

I am using you to destroy powers and principalities of darkness. My mighty hand is upon you. Greater is the spirit that is in you than the spirit that is in the world.

As you move forward, my beloved chosen servant, you will find more and more that I'm not taking you out of circumstances and situations - I am

raising you up, equipping you, strengthening you, filling you with my Spirit, with blazing coals coming from your tongue, as you speak my Word, as you declare my Word, as you decree my Word, as you stand on my Word.

Remember my beloved, greater is the spirit that is in you than the spirit that is in the world, and you can do all things through me who gives you strength. It is not you that live but I the Lord your God that lives in you.

Rise up my fearfully and wonderfully made servant, rise up. Put on the full armour of God so that you can take a stand against the devils schemes.

Do not hide your light under a bushel.

Step out each day in holy boldness, using my name throughout each day. I go before you I am for you and not against you and your help, my beloved, comes from me, the Lord, the Creator of the heavens and the earth.

Now Is The Time To Make Me The Lord Over Your ENTIRE Life, Says The Lord

My beloved, it is now time to make me, the Lord, over your ENTIRE LIFE.

Make me the Lord over your whole body.

Make me the Lord over your thoughts.

Make me the Lord over your feelings.

Make me the Lord over your tongue.

Make me the Lord over your entire family.

Make me the Lord over every single one of your relationships.

Make me the Lord over the work that you do.

Make me the Lord of your decisions.

Make me the Lord of where you go.

Make me the Lord over what words you speak.

Make me the Lord of your finances.

Make me the Lord over your entire life.

My beloved, no longer love the things of the world in ANY WAY.

No longer hold back from sharing your faith in me, as you don't want to cause offence.

No longer hide away from speaking about me to complete strangers.

No longer say "I can't do this", "I can't do that", "I'm no good at that", "I've never been good at that".

SPEAK MY WORD INTO EVERY AREA OF YOUR LIFE.

Speak a prophetic word into those things in your life which currently appear to be dead and buried. Ask me the Lord your God to breathe my breath of life into the areas of your life, which may currently seem impossible.

Remember, what is impossible with man is possible with me.

You Are Not Going To Enter Into Another Season, Says The Lord

My beloved, you have been through many seasons in your life. As you reflect back on your life, both before I saved you and set you free, before I lifted you out of the miry clay, your life before you came into relationship with me, and your life since coming into a relationship with me, your life has been a series of seasons.

You have had challenging seasons.

You have had happy seasons.

You have had breakthrough seasons.

You have had peaceful seasons.

You have had stormy seasons.

You have had seasons in your life, which have almost broken you.

You have had times in your life when you felt like you were never going to break through, you were never going to break free, you are never going to experience love, joy, peace in ways in which you have longed to experience love, joy and peace.

You have had season after season after season.

My beloved, you not going to enter into another season. You are now about to enter into life in me, as my GLORY CARRIER. I have been preparing you, through your entire life and during the last few years and the last few months, to receive my message to you now. You are not entering into a breakthrough season. You are not entering into a season where your prayers will be answered. No longer think that you will have good seasons, bad seasons and seasons in between.

My beloved, you are beginning to truly understand that I work in ALL THINGS FOR GOOD because you love me and because you live according

to my purpose for you. You are going to be living each day in joy and peace. Joy overflowing.

You are going to be worshipping me, thanking me and praising me EACH DAY. No weapons formed against you will EVER PROSPER, and every tongue that rises up against you, you will condemn, for that is the heritage of the servants of me, the Lord your God.

You are going to be flying like an eagle above the things below.

No longer will you be affected by the things taking place in your life like you used to be.

No longer will your flesh take over.

No longer will you be battling with feelings and emotions when things take place in your life, because each day my beloved, as you walk by faith, not by sight, as you seek my Kingdom or my righteousness first each day, all else will be given unto you, and you are going to be filled each day with my Spirit, so you will be experiencing life IN ME filled with my Spirit, seeing your life through my eyes, because my way is perfect.

You will no longer be grumbling, you will no longer be complaining, you will no longer be frustrated, you will no longer be asking the question why? You will be worshipping me, you will be praising me, you will be thanking me, you will be glorifying me, you will be talking about me, you will be testifying about me, you will be saturating your eye gates and your ear gates and from your tongue will be you talking about me each and every day, for the more that you talk about me the less that you talk about yourself.

The seasons of your life have come to an end. You are now about to embark on the rest of your life as being my glory carrier, and my promise to you my beloved, the more that you desire me, the more that you hunger for me, the more that you fix your eyes on me, my beloved, I am going to be taking you from glory to glory to glory to glory, for I am the King of glory, and you my beloved, precious, fearfully and wonderfully made servant, you are my glory carrier, says I, the Sovereign Lord.

My Beloved, My Time Has Not Yet Come, But It Will Happen Suddenly, Says The Lord

My beloved, it is not yet my time. It is not yet my time to demonstrate my miracle-working powers for that which is on your heart the most right now.

You are receiving my message to you now, as more than ever I am giving you the gift of faith. Your faith is going to be so pure, that each day as you walk by faith and not by sight, you will be living in joy and peace, in spite of the things which haven't YET happened in your life, in spite of the breakthroughs that haven't YET happened, in spite of your circumstances not being where you have been praying that they will be, you will be living truly contented with where you are each day.

My time, to bring you into tears of joy overflowing, will happen suddenly, but until I bring you to your knees in awe and wonder and thanksgiving, my beloved, I am calling you, to worship me each day, to praise me each day, to seek my will, to seek my Kingdom and my righteousness first, and my promise to you is that all else will be given on to you.

You do not live by bread alone but by every word that comes from my mouth, so my beloved, truly desire to saturate your eye gates and your ear gates with the things of my kingdom.

Reading my Word.

Hearing my Word.

Meditating on my Word.

Speaking to me.

Thanking me.

Praising me.

Glorifying me.

Praying in the Spirit.

Testifying of my goodness.

Sharing your testimony.

Sharing what I've always done for you, and that is to hold you in the palm of my hand.

Remember my beloved, my timing is PERFECTION. Through you receiving my message to you, I am lifting you up to experience life more and more through my eyes, so you walk by faith and not by sight.

Remember, all my promises are yes and amen.

I am the promise keeper.

I am the way maker.

I am the chain breaker.

I am the miracle-worker.

I am the healer.

I am the resurrection and the life.

I am the way, the truth and the life.

Trust me with all your heart and lean not on your own understanding.

My time in your life hasn't yet come, but through your patience, may you serve me with more passion, with more desire, with more reverence than you ever have done before.

My beloved, your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord your God have got planned for you, because you love me.

My timing is perfect, says I, the Sovereign Lord.

The Globe Earth Is An Idol, The Universe Is An Idol, Says The Lord

My beloved, the greatest deception that I have allowed my people across the earth to be indoctrinated by, is the globe earth.

It is the Leviathan spirit at work in the hearts of people across the entire earth that is currently stopping my chosen people from accepting that they have been deceived by man.

Pastors, preachers, evangelists, prophets are currently afraid of speaking out to share my Word, which is alive and powerful and sharper than the sharpest of two-edged swords, my Word that tells my people that the earth is fixed, immovable and will not be moved.

They don't want to cause disharmony. They don't want to cause friction. They don't want to cause division, but remember, I didn't come to bring peace to the earth, I came not to bring peace, but a sword.

Who may climb my mountain? Who may stand in my holy place? Only those whose hands and hearts are pure, who do not worship idols and never tell lies.

The globe earth is an idol.

The universe is an idol.

Don't let anyone capture you with empty philosophies and high-sounding nonsense that come from human thinking and from the spiritual powers of the world, rather than from me, the Lord your God.

My Word is alive and powerful. It is sharper than the sharpish two-edged sword, cutting between soul and spirit between joint and marrow. My Word exposes the innermost thoughts and desires of my people, both those who I have set free and those who I haven't yet set free.

It is only I the Lord your God that can obliterate the Leviathan spirit. One by one I am obliterating the Leviathan spirit that has had a hold of my people. I am setting my people free from the deception of the globe earth.

I am beginning to move relentlessly in the lives of my chosen people. I am calling my people to forget everything that man has taught them, everything corrupted, deceived, sinful man has taught them, and to stand completely and absolutely on my Word, and to TRUST ME AND ME ALONE.

I am THE WAY, THE TRUTH AND THE LIFE, and no-one can come to the Father except through me.

My beloved, continue to speak the truth in love, growing in every way more and more like me, the Lord your God, because I am the head of my body, which is the church.

I am the King of glory, and I have called you by name from your mother's womb to be my glory carrier, says I, the Sovereign Lord.

I Want To Give You True Understanding of THE Most Severe Plague And THE Most Severe Famine, Says The Lord

My beloved, I want to give you true understanding of THE most severe plague and THE most severe famine. Once you know what these are, you can ensure that you NEVER have to worry about famines again, that you NEVER have to worry about plagues again.

THE MOST SEVERE PLAGUE ACROSS THE ENTIRE EARTH IS SIN.

THE MOST SEVERE FAMINE ACROSS THE ENTIRE EARTH IS PEOPLE NOT HAVING AND NOT KNOWING MY WORD.

I have called you by name to be my glory carrier, for you to saturate your eye gates and your ear gates with the things of my Kingdom.

You have been in the refiners fire, and as the temperature has been getting hotter and hotter, I have been purifying you, I have been refining you, I have been cleansing you, I have been sanctifying you, I have been completely separating you out of the world, because remember my beloved, you are in the world but not of the world.

By the power of my Spirit I have been obliterating, I have been crushing, I have been destroying the power of your sin nature.

Before receiving my message to you, you have already started to experience my power, my glory, my love and my peace, but my beloved, my promise to you right now is that I am only just getting started moving in your life. Keep your eyes fixed and focused on me. Don't look left. Don't look right. Trust in me, lean not on your own understanding. Remember my ways are higher than your ways and my thoughts are more than anything that you can think or imagine.

FEAST ON MY WORD.

Devour my Word.

Long for my Word.

Speak my Word.

Declare my Word.

Decree my Word

My beloved, I have been given the name above all names. Use my name each day, more and more and more. There is going to be FIRE coming from your tongue. Powers and principalities of darkness DO NOT STAND A CHANCE.

My beloved, the more that you serve me, the more that you willingly become my hands and feet, the more people you will be helping to be set free from the plague of sin, and the more people you will be helping to feast on my Word so they never again live in famine.

Thank you, my beloved fearfully and wonderfully made servant. You are my masterpiece.

Man-made Labels, Man-made Conditions, Man-made Stereotypes, Man-made Stigmas Are Being Destroyed, Says The Lord

My precious child, I love you. You are my masterpiece. I formed you, I created you, I knitted you together in utter seclusion. I brought you forth on the day you were born. You are the apple of my eye.

My precious child, your identity is not in the man-made condition that you have been labelled with, your identity is in me the Lord your God, and in me alone.

My plans for your life are plans for good and not for disaster, to give you a future and a hope.

My precious child, as you are receiving my words to you now, I am filling you with my Spirit. I am lifting you out of the miry clay. I am lifting you out of the deep waters, putting you on me, the rock of all ages.

My precious child, you are mine. You are chosen and not forsaken. I have called you by name, and as you open your heart to me, as you surrender everything in your life to me, you will no longer be associating yourself with the man-made condition you have been given.

You will be telling people that come into your life, "I am a child of God. I am fearfully and wonderfully made in His image. I am chosen and not forsaken. Greater is the Spirit that is in me than the spirit that is in the world. I can do all things through Christ who strengthens me. I resist the devil and he flees from me. My identity is in Jesus Christ, and in Jesus Christ alone".

My precious child, man-made labels, man-made conditions, man-made stereotypes, man-made stigmas, are being destroyed, says I the Lord your God, I am setting my people free, and I have chosen you to be free.

Your freedom comes from me the Lord your God, and in me alone.

You will, in my perfect time, no longer in any way associate yourself with the man-made label that you have been given.

Remember my precious child, you are my masterpiece, says I the Lord your God.

My Desire For You Is For You To Be Spotless, Blameless, Completely Surrendered To Me, Says The Lord

My beloved, my desire for you is for you to be filled with love that comes from a pure heart, a clear conscience and genuine faith. As you are receiving my message to you now, I am revealing to you the reasons why your conscience isn't yet crystal clear.

You know that I know every one of your thoughts. You know that I see everything you do. You know that I know what you are going to say even before you say it.

My beloved, my Word tells you that only those whose hands and hearts are pure, who do not worship idols and never tell lies, that only those may climb my mountain, and only those may stand in my holy place.

The things that my Spirit is convicting you of right now, down to the very smallest thing, I am calling you to not only repent for these things, but to also correct what you have done wrong. Correct what you have said wrong. Correct behaviour which hasn't been pure. Yes, I am ruthlessly cleansing you, sanctifying you, purifying you.

My desire for you is for you to be spotless, to be blameless, to be so surrendered to me that there is no longer any of your actions, behaviours, words or deeds that come from your flesh.

My beloved, embrace the correction I am giving you. Embrace the conviction that you are feeling. Take ownership of the things you've done, the things that you've said, the decisions you've made.

Truly seek to serve me throughout each and every day, says I, the Sovereign Lord.

Be My Hands & Feet, Be The Answer To Prayers, Says The Lord

My beloved, I am calling you to be willing to share the Gospel with people that I will bring into your path each day. When you are willing to say the words "Jesus loves you" to complete strangers, you are being the answer to prayer.

Who you speak to may themselves have been asking for a sign that I the Lord their God are real, that I am with them, that I for them.

There could have been people in the lives of the one that you speak to, that have been praying for them praying, for them to have an encounter, praying for them to have their heart softened and their eyes open to me. It could be their mum, their dad, their brother, their sister, their husband, their wife.

Also remember my beloved, when my Sons and Daughters pray for all people, because my desire is for everyone to hear the truth, everyone includes the people that I will continue to bring into your life each day, people that you have never met before as you go about your day to day life, as you see people, by my Spirit, I will be convicting you of who I am calling you to speak to, to say the words "Jesus loves you".

My beloved, never, ever underestimate the impact that you can have on someone else's life when you are willing to step outside of your comfort zone to speak to complete strangers and to tell them that I love them.

My Beloved may there be no more timidity in your life.

May there be no more apprehension in your life.

May there be no more fear in your life.

My beloved, the more that you desire to take care of my business, to be my hands and feet, the more that I will be taking care of your business.

Seek to serve me each and every day.

The harvest is ready.

The harvest is ready.

The harvest is ready, says I, the Lord your God.

I Am Asking You To Completely Surrender & Let Go Of Those Things In Your Life You Have Been Fighting For, Says The Lord

My beloved, I am asking you to completely surrender and let go of those things in your life that you have been fighting for.

Trust me. Trust my Word. Trust in my promises to you.

Lean not on your own understanding.

It will seem almost impossible for you to completely surrender and let go, because you will feel like this is meaning that you are giving up. The truth is, through your complete surrender and letting go, you will be putting your total and complete trust in me and in me alone.

Remember my beloved, my thoughts are nothing like your thoughts, and my ways are far beyond anything you could imagine. For just as the heavens are higher than the earth, so my ways are higher than your ways and my thoughts higher than your thoughts.

My beloved, I want you to rest in and experience my peace which surpasses all understanding. I want you to experience joy. I want you to live each day by faith and not by sight.

My beloved, as you are receiving my words to you now, by my Spirit, I am revealing to you what you need to surrender and let go of. Give up ALL control.

You have shown me how you desire to serve me, to worship me, to have your faith in me, and now through you completely trusting that I have heard every one of your prayers for those things which you have carried, for those battles that you have been in, you will realise that my yoke is easy and my burden is light.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, because you love me.

Let go and let me bring you into tears of total and utter joy, as I do in your life, what no man can do, says I, the Lord your God.

You Are Stepping Into A New Glorious Ongoing Season Where Mountains Will Move, Says The Lord

My beloved, you are now beginning to truly understand and comprehend that I have been with you every single moment of your entire life. It was I the Lord your God that closed doors on situations and circumstances in your life doors which no man can open. It was I the Lord your God that opened doors to situations and circumstances that no man can shut. You are where you are today because every day of your life is written in my book. Every single moment was laid out before a single day had passed.

I am now giving you the keys to the house of David. You are going to be opening doors in your life that no man can shut. You are going to be shutting doors in your life that no man can open.

The more that you are surrendering everything in your life to me, the more that you are saturating yourself with the things of my Kingdom, the more impact and the more change is coming into your life through you speaking my Word.

I have given you ALL AUTHORITY over your enemy, authority to trample on serpents and snakes. The authority to utterly destroy strongmen, strongholds, powers and principalities. The authority to destroy generational curses, the authority to destroy ancestral curses, the authority to command that demons leave people and never return again.

Remember my beloved, I have been given the name above all names. The more that you use my name, with faith and with authority, the more you are going to be seeing me move in your life.

My beloved, my Word tells you in Matthew 21:22 that you can pray for anything, and if you have faith, you will receive it. You are stepping into a

new, glorious, ongoing season where you are going to be seeing mountains moved.

Breakthroughs are coming.

The salvation of your loved ones is coming.

More miracles, signs and wonders are coming.

More healings are coming.

More demons are going to be getting cast out.

More addictions are being broken.

More glory is coming into your life, because I the Lord your God, I am the King of glory.

I Have Only Just Begun Destroying The Wisdom of The Wise & Discarding The Intelligence of The Intelligent, Says The Lord

My beloved, you now beginning to see that as my Word tells you, I make the wisdom of the world look foolish.

As I am shaking everything that can be shaken, as I am giving my people the eyes to see and the ears to hear, as I am removing the scales from the eyes of my people, I am using things that are powerless to shame those who are powerful.

My divine plan that I began revealing to the world in 2020, is to demonstrate that I the Lord your God destroy the wisdom of the wise and discard the intelligence of the intelligent. For all my people who I have lifted out of the miry clay, they can see the complete foolishness of man. They can see that the philosophers, the scholars, the world's brilliant debaters, esteemed scientists, esteemed professors, have wisdom which is total and utter foolishness.

In my wisdom I have seen to it that the world will never know me through human wisdom, and I use the foolish preaching of my chosen servants to save those who believe.

Throughout their entire lives and the lives of their parents and grandparents, my people, including you, have been subjected to man's wisdom, to man's lies, to man's deceptions, to man's indoctrination, but from the early part of 2020, I have only just begun totally and utterly destroying the wisdom of the wise and discarding the intelligence of the intelligent.

My beloved, I am calling you to be willing to forget everything that you have been taught by man, and allow me to teach you through my Word. I

am the Way, the Truth and the Life, and no-one can come to the Father except through me.

Your reverent fear of me is the beginning of all wisdom. Fools despise wisdom and discipline. My beloved, I am encouraging you to ask me for wisdom each day, and I will give it to you. I will not rebuke you for asking. I grant wisdom, from my mouth comes knowledge and understanding. The wisdom from me is first of all pure. It is also peace loving, gentle at all times and willing to yield to others. It is full of mercy and the fruit of good deeds. It shows no favouritism and is always sincere.

My beloved, trust in me the Lord your God with all your heart. Do not depend on your own understanding. When you walk with the wise, you become wise, but when you associate with fools you get in trouble.

Seek my will in all you do and I will show you which path to take.

Remember, my beloved, my thoughts are nothing like your thoughts, and my ways are far beyond anything you could imagine. For just as the heavens are higher than the earth, so my ways are higher than your ways and my thoughts higher than your thoughts.

Thank you for receiving my message to you. I have called you by name to be my glory carrier. Greater is the spirit that is in you than the spirit that is in the world, and you can do all things through me the Lord your God who gives you strength.

You are my masterpiece says I, the Lord your God.

I Am Giving You A Mere Glimpse Of What I Am Doing Upon The Earth, Says The Lord

My beloved, during your life you have seen data, you have seen graphs, you have seen data visualisations. All these things have represented information from human wisdom.

My desire is for you to receive a vision of data, graphs and data visualisations from my Kingdom.

My beloved, close your eyes and begin to imagine in front of you a huge wall, and this wall contains live, second by second data, graphs and data visualisations of what I the Sovereign Lord are doing upon the earth.

The continually increasing number of men, women and children who have surrendered their life to me.

The continually increasing number of diseases that I have cured.

The continually increasing number of addictions I have destroyed.

The continually increasing number of tears of joy, awe and wonder that my people are shedding.

The continually increasing number of men, women and children who are being set free from the deception of the globe earth.

The continually increasing number of home churches that are starting up.

The continually increasing number of my servants who have started evangelising.

The continually increasing number of my loyal servants who have started preaching on the street.

The continually increasing number of long term followers of me who have finally picked up their cross to follow me.

My beloved, spend time with this vision that I am giving you. I am giving you a mere a glimpse of what I the Lord of lords, the King of kings am doing upon the earth.

My Word tells you in Habakkuk 1 verse 5 “Look at the nation's and watch and be utterly amazed, for I am going to do something in your days that you would not believe, even if you were told”.

My beloved, in this vision that I am giving you of the live data, graphs and data visualisations, not only can you see all these increasing numbers for the entire stationary Earth that you live on, but you can also filter all this live data for your own country, for your own town. So, in this vision, my beloved you can see what I am doing in the area that you live.

My beloved, there is one more number that I desire for you to see in this vision. It is a continually increasing number of men, women and children who have started living their life worthy of the calling I have placed upon their life, and that is for you, my beloved, and every one of my chosen Sons and Daughters, to be my glory carrier, to be my hands and feet.

My beloved, you are my masterpiece.

I Am Beginning To Move RELENTLESSLY In Your Life And In The Lives Of Millions Of My Chosen People, Says The Lord

My beloved, you are beginning to experience and realise that I am putting a fire inside of you, which day by day is increasing the desire within you to share the TRUTH.

The word that you will be using to describe the hunger and the desire that I am placing inside of you is RELENTLESS.

I am beginning to move RELENTLESSLY in your life and in the lives of millions of my chosen people.

I have begun RELENTLESSLY saturating the Earth with the truth.

Embrace the RELENTLESS FIRE that I has started to burn inside of you.

Fix your eyes on me the Lord your God and in me alone. Don't look left. Don't look right. Keep listening to my voice, keep following my will as I RELENTLESSLY move in your life.

As you my beloved are receiving my words to you now, the fire of my Spirit is falling upon you. I am filling you with my Spirit. I am giving you a TENACITY, I am giving you a BURNING DESIRE to saturate the lives of people in your life, and those that will hear what you have to say.

I am RELENTLESSLY using you to speak the truth.

2022 is going to be looked back upon as THE YEAR following two years of exposure of sin, of evil, of deception, of corruption of indoctrination, after two years, I began to move RELENTLESSLY in my chosen Sons and Daughters. I began to RELENTLESSLY pour out my Spirit upon my people. I began to RELENTLESSLY expose evil. I began to RELENTLESSLY put fire inside of my people, to saturate the earth with the TRUTH.

My beloved, do not listen to man. The anointing that is upon your life isn't understandable for many people in your life, but I have called you by name from your mother's womb to be my GLORY CARRIER, and I am saturating you with my Spirit.

I am giving you wisdom, revelation through my Word, drawing you deeper and deeper and deeper into a more intimate relationship with me.

THE FIRE THAT I HAVE PUT INSIDE OF YOU IS BEGINNING TO BURN.

People in your life are beginning to see that there is something rising up inside of you that they have never seen before - and that is MY GLORY, because you my beloved chosen servant, I have called you by name to be my glory carrier, and never, ever forget that YOU CAN DO ALL THINGS THROUGH ME THE LORD YOUR GOD WHO GIVES YOU STRENGTH.

GREATER IS THE SPIRIT THAT IS IN YOU THAN THE SPIRIT THAT IS IN THE WORLD.

YOU RESIST THE DEVIL AND HE FLEES FROM YOU.

The weapons that you fight with are not of the world, they are not carnal, on the contrary, they have DIVINE POWER TO BREAK DOWN STRONGHOLDS.

My beloved, USE MY NAME WITH AN AUTHORITY UNLIKE YOU HAVE USED BEFORE. CAST OUT DEMONS, HEAL THE SICK, BE MY HANDS AND FEET, SAYS I, THE SOVEREIGN LORD.

August 2nd 2022

The 2022 Commonwealth Games Opening Ceromony Was One Of The Most Obvious Demonstrations of Sin, Evil & Darkness, Says The Lord

My beloved, never, ever forget that I am Sovereign. I am in control.

Since early 2020 I have been shaking everything that can be shaken. I have been lifting the lid to show my people around the world how sickening sin really is.

When my people exalt themself above me, denying me, living self-centredly, following the dictates of their sin nature, evil is perpetrated.

The 2022 Commonwealth Games opening ceremony is the latest event upon the earth that I have used and that I will continue to use to be the one thing that finally leads one of my lost children to ask me to come into their life.

For you, my beloved, who know that you are in the world but not of the world, the 2022 Commonwealth Games has been one of the most obvious demonstrations of sin, evil, darkness, psychological manipulation, indoctrination, and ultimately, denial of me the King of kings, the Lord of lords.

For over two years I have been bringing sin and acts of evil into broad daylight. I have been shining my light into the darkness, and the darkness comprehend it not.

My beloved, do not love the world, nor the things it offers you, for when you love the world you do not have the love of my Father in you. For the world offers only a craving for physical pleasure, a craving for everything you see, and pride in your achievements and possessions. They are not from my Father, but they are from the world and the world is fading away, along with everything that people crave, but anyone that does what pleases my Father will live forever.

I Used The Slogan “You Will Own Nothing & Be Happy” To Reveal The Hearts Of My People, Says The Lord

My beloved, you are now beginning to see that everything that has been taking place since early 2020 has all been a part of my divine plan to bring worldwide revival and reformation.

As I have been shaking everything that can be shaken in your life, as I have been allowing darkness to be exposed, lies to be spoken, deception to be perpetrated, indoctrination to be continued, I have been using all of these things to show that I am the light of the world.

My beloved, when you heard the slogan “You will own nothing and be happy” I was using this to reveal the hearts of my people. Would my people be happy owning nothing? Do my people love the world and the things in it, or are they willing to pick up their cross and follow me?

I have called you by name to be my glory carrier. Saturate yourself with the things of my Kingdom each and every day, and I will saturate your life with my glory.

You are now beginning to see that time I have been pouring out my Spirit upon my chosen Sons and Daughters.

I have been setting the captives free.

I have been breaking the iron bars.

I have been lifting the veil.

I have been removing the scales from the eyes of the lost.

I have been bringing my people out of captivity, out of bondage to their sin nature, but my beloved, make no mistake about it, I the Lord your God, I am only just getting started. You and all my chosen Sons and Daughters including all those whom I haven't yet set free, your eyes haven't seen,

your ears haven't heard and your minds haven't conceived what I the Lord your God have got planned for you because you love me.

Take my name. Use my name. Declare my name. Decree my name.

Greater is the spirit that is in you than the spirit that is in the world. You can do all things through me who gives you strength. No weapons formed against you will prosper and every tongue that rises up against you, you will condemn, for that is the heritage of the servants of the Lord.

You are my masterpiece. I know the plans I have for you, plans for good and not for disaster, to give you and your family a future and a hope.

My beloved, the more that you walk by faith and not by sight, the more I will be giving your eyes the most incredible, profound experiences, as I pour out my glory into your life and the lives of the people around you, says I the Lord of Heavens Armies.

You Are Beginning To Experience What It Means In Your Life To Say “Yes” When I Ask You To Go, Says The Lord

My beloved, you are beginning to experience what it means in your life to say “yes” when I ask you to go.

I have been taking you out of your comfort zone.

I have been asking you to do things which you haven't done before.

I have been asking you to go through doors that I have opened up in your life, and by you pushing through the resistance, by you pushing through that which was holding you back, you have been walking by faith and not by sight, and I the Lord your God, I have been showing you that life by faith is eye opening, it is exhilarating, it is profound. But my beloved, receive my words to you now, I the Lord your God, I have only just gotten started moving in your life. You have not seen anything yet.

My beloved your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

Continue having a yes in you.

Continue doing what I am calling you to do.

Continue stepping off the boat in faith.

Continue doing things which at the time don't make sense, but then afterwards make absolute glorious sense.

My beloved, continue trusting me with all your heart.

Continue listening to my voice above anyone's voice.

My beloved, the more that you are saturating yourself with the things of my Kingdom, the more that I will be saturating you with my glory, because I am the King of glory, and I have called you by name to be my glory carrier, and you can do all things through me the Lord your God, who gives you strength.

Paul, This Is Why You Share Publicly So Often About Your Life Experiences In Me, Says The Lord

My beloved servant Paul, I'm going to share with you and my chosen Sons and Daughters why you, My Son, Paul, share what you share publicly and why you share publicly so often about your life experiences in me, the Lord your God.

My beloved Paul, I am using you to demonstrate that life in me is truly glorious, that life in me is beautiful, that life in me is supernatural, that life in me is not following the clock, that life in me is so incredibly rewarding, enriching and profound when I use you to be my hands and feet to reach the lost, to reach the helpless, to reach the hopeless, to reach those that are brokenhearted and crushed in spirit.

Life in me, as you my beloved Paul demonstrate through everything that you share publicly, is TOTAL AND COMPLETE FREEDOM.

In my perfect time you and all your brothers and sisters Paul, will see that I the Lord your God will be using what you have shared online since I saved you by my grace, since I lifted you out of the miry clay, since I gave you the eyes to see and the ears to hear, since I lifted the veil, since I lifted you my beloved Paul out of the deep waters, you will see in my perfect time that your life experiences in me are going to bring many, many, many men, women and children to my feet, to surrender to me, to receive me into their life as their Lord and Saviour.

My beloved servant Paul, keep sharing. Keep testifying. Keep glorifying me. Keep sharing the intricacies of what I do in your life. Keep sharing the profound orchestration of your life and your family. Keep sharing the absolute perfect time when I bring you into the lives of my chosen Sons and Daughters.

My beloved servant Paul and my chosen Sons and Daughters who will receive these words, my promise to you all is that your eyes haven't seen,

your ears haven't heard and your minds haven't yet conceived what I the Lord your God have got planned for you because you love me. The more that you saturate yourself with the things of my Kingdom, the more that I'm going to be saturating you with my glory, says I, the Lord of Heaven's Armies.

The Face Mask Has Been An Absolutely Essential Part Of My Plan To Bring About Reformation & Revival Across The Earth, Says The Lord

My beloved, I want to give you wisdom about the face mask. My Word tells you that I make the wisdom of the world look foolish. My Word tells you that I, the Lord your God, work in all things for good for those who love me and those who live according to my purpose for them.

What the enemy meant for evil, I use for good.

The face mask or face coverings have been an absolutely essential part of my divine plan to bring about reformation and revival across the earth.

Worldly wisdom, scientists, health professionals and all the people that have been a part of the world narrative to wear a face mask or just any face covering, to stop the spread, their wisdom, their worldly wisdom, I have made look completely foolish to every man, woman and child who I have given the eyes to see and the ears to hear of what I had been doing since the early part of 2020.

As has always been the case, my plans are wiser than the wisest of human plans.

The face mask has been a visible, instantly recognisable symbol to know that the wearer of the face mask hasn't yet truly surrendered their life to me, that the wearer hasn't yet picked up their cross to follow me, that the wearer hasn't yet been willing to be hated by the world for being my follower.

My beloved, have no more doubt that I truly work in all things for good for those who love me and those who live accordingly to my purpose for them. Without the face covering, my people walking the earth whom I

have set free since the early part of 2020, and my people who I awakened to the depravity of man's heart, the evilness of man, and how the love of money is a root of all evil, for all my people who I have awakened, who I have set free, to them the face mask is a demonstration of just how much sin has permeated through all areas of society.

You have seen people who are on the streets, homeless, wearing a face covering.

You have seen what the world sees as the “Elites”, as the most influential men and women walking the earth, you have seen men and women and children in all walks of life wearing a face covering.

You and my chosen Sons and Daughters across the earth and my chosen Sons and Daughters who I am going to be giving the eyes to see and the ears to hear, my chosen Sons and Daughters whom I'm going to be lifting the veil, removing the scales from their eyes, **THEY WILL NEVER, EVER FORGET THE FACE MASK, THE FACE COVERING.**

The face mask is going to be looked back on in the years ahead, as how I the Lord of Heaven's Armies exposed sin, exposed self centered living, exposed those who were seeking to act righteous, but in fact they were living in denial of the truth that what they were taking part in was rooted in evil, lies, corruption, deception and indoctrination.

My beloved, in all your history, has anything like this happened before? Tell your children about it in the years to come and let your children tell their children. Pass the story of the face mask, the story of my reformation, the story of my revival, the story of my exposure of evil, the story of my shaking everything that can be shaken, the story of me bringing sin, darkness, evil, indoctrination and deception to the surface **FOR ALL TO SEE, my beloved, PASS THE STORY DOWN FROM GENERATION TO GENERATION.**

I have called you by name to be my glory carrier. Greater is the spirit that is in you than the spirit that is in the world. I the Lord your God have not given you a spirit of fear but of power, of love and of a sound mind. You can do **ALL THINGS** through me who gives you strength. The weapons that

you fight with are not of the world, they are not carnal, on the contrary, they have divine power to break down strongholds.

My beloved, as you are receiving my words to you now, I am pouring into you my Spirit. I am giving you greater and greater discernment to hear my voice, to know my voice, to follow my voice, to know when man is trying to deceive you, to know when your brother or your sister or your pastor is trying to deceive you, is trying to quench the spirit that is inside of you, that I have put inside of you.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't yet conceived what I the Lord your God have got planned for you because you love me.

My beloved, the more that you saturate yourself with the things of my Kingdom, the more that I will be saturating you with my glory.

You are my masterpiece, and my plans for your life and your family are plans for good and not for disaster to give you a future and a hope, says I the Lord of Heaven Armies.

Be Prepared For Me To ROAR In Your Life Unlike You Have Ever Experienced Before, Says The Lord

My beloved chosen servant, you are beginning to ROAR. My chosen Sons and Daughters are beginning to ROAR, and the serpents and the snakes do not know what has hit them.

Remember, my beloved, greater is the spirit that is in you than the spirit that is in the world. NO WEAPONS formed against you will prosper, and every tongue that rises up against you, you will condemn, for that is a heritage of the servants of me, the Lord your God.

You can do ALL THINGS through me who gives you strength. I have not given you a spirit of fear, but of power, of love and of a sound mind.

My beloved, the more that you surrender to me, the more that you seek me, the more that you saturate your life with my Word, with my presence, the more that you worship me in spirit and in truth, the more that I the Lord of Heaven's Armies are going to ROAR in your life.

My beloved, now is a time for you to continue stepping out in holy boldness unlike you have done before.

Now is the time for you to take hold of my Word and to believe my Word and to declare and decree My Word, unlike you have done before.

Remember my Word to you in Matthew 21:22, you can pray for anything, and if you have faith, you will receive it, and my beloved, I have called you by name, to have your faith in me and in me alone.

Thank you, my beloved, for hearing my voice.

Thank you, my beloved for following my will.

Thank you, my beloved for seeking my Kingdom and my righteousness first because all else will be given unto you.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't yet conceived what I the Lord your God have got planned for you because you love me.

Be prepared for tears of breakthrough.

Be prepared for tears of awe and wonder.

Be prepared for tears through the salvation of your loved ones, of those who you've been praying and interceding for.

My beloved, be prepared for me to ROAR in your life unlike you have ever experienced before, says I, the Lord of Heaven's Armies.

If You Want To Enjoy Life & See Many Happy Days, Keep Your Tongue From Speaking Evil & Your Lips From Telling Lies

My beloved, among all the parts of your body, your tongue is a flame of fire when you allow it. Your tongue is a whole world of wickedness, corrupting your entire body. It can set your whole life on fire, for it is set on fire by hell itself.

My beloved, this is the same for every single man, woman and child walking the earth, every single one of your family members, your brothers, your sisters, people in your life whom I haven't yet lifted the veil.

My beloved, you will be experiencing cursing, lies and threats coming from the tongues of others. You will have been shocked at the behaviour of people in your own home, your brothers, your sisters, and people who don't even know you. But remember my beloved that their own tongue will ruin them and all who see them will shake their heads in scorn.

When I send my Word out, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it. I know all hearts. I have seen every single lie that you have ever spoken, that everyone in your life has ever spoken.

You have experienced the wickedness of the tongue firsthand in your life. My beloved, prepare yourself for more shocking behaviour of people attempting to speak into your life. My beloved, keep your eyes focused on me, the author and the finisher of your faith. I am for you and not against you.

Rejoice when trials come your way. Rejoice when battles come, because you know that the testing of your faith produces perseverance and through everything that I have ever allowed in your life, and through everything that I will allow to come into your life, I am continually refining

you by fire. I am purifying you. I am sanctifying you. I am cleansing you. I am completely separating you from the world. Remember, my beloved, you are in the world but not of the world. Greater is the Spirit that is in you than the spirit that is in the world.

I will hide you in the shelter of my presence, safe from those who conspire against you. I shelter you in my presence far from accusing tongues.

My Beloved, if you want to enjoy life and see many happy days, keep your tongue from speaking evil and your lips from telling lies.

The crooked heart will not prosper. The lying tongue tumbles into trouble.

Keep surrendering everything in your life to me. Seek my Kingdom and my righteousness first, and all else will be given unto you, says I, the Lord of Heaven's Armies.

As My Shaking Continues, Expect More Shocking Behaviour From Others, Says The Lord

My beloved, as I am continuing to shake everything that can be shaken, in your life and the lives of people around you, prepare to experience even more shocking behaviour, comments, insults, slurs, perverse speak and false accusations. My beloved, know that before the world hated you for being my follower, the world hated me. As more light is being shone into people's darkness, the depravity within them, the evilness within their hearts, is manifesting more and more and more, but remember my beloved, greater is the Spirit that is in you than the spirit that is in the world.

I am for you, and not against you, and everything that I have allowed you to go through, up until this moment of you receiving my words and everything that you will be experiencing over the coming days, weeks and months, it is all for my glory, as I am purifying you, I am sanctifying you, I am cleansing you, I am refining you by fire, and just like Shadrach, Meshach and Abednego, in the refiners fire, my beloved, your faith is growing stronger and stronger and stronger, so your faith is in me the Lord your God and in me alone. The more that you walk by faith and not by sight, the more that you are seeing me move in your life. The more that you saturate yourself with the things of my Kingdom, the more that I will be saturating your life with my glory, because my beloved, I have called you by name to be my glory carrier.

My beloved, each time you experience shocking behaviour from people in your life, but also people that don't actually know you, come to me, surrender all to me, praise me, worship me, stand on my word, worship me in spirit and in truth, and you will see that very quickly, those people that are coming against you will go away. They will turn back in shame because you my beloved, you are mine, I have called you by name.

Embrace everything coming into your life. Speak my word. Declare my word. Decree my word. Stand on my word. Ask me each morning to fill you with my Spirit. Walk with the fruit of the Spirit. DON'T GET OFFENDED BY ANYONE, because remember my beloved, YOU DO NOT FIGHT FLESH AND BLOOD ENEMIES, and it is I the Lord your God that allows the things that have been in your life, that will come into your life, because it is all part of my divine plan for your life, my beloved, because my plans for your life are plans for good and not for disaster to give you a future and a hope.

My beloved, the more that you speak about me, the less that you will speak about yourself.

The more that you glorify me, the more glorious experiences I will be bringing into your life.

Thank you, my beloved, for hearing my voice.

Thank you, my beloved, for being willing to pick up your cross and follow me.

Thank you, my beloved, for being willing to be hated by people in the world.

Thank you, my beloved, for following me, says I the Lord of Heaven's Armies.

Speak Life Not Death, Love Not Fear, Says The Lord

My beloved, there is power in your tongue to speak life, or to speak death. There is power in your actions to share love or to share fear.

My beloved, I am calling you to SPEAK LIFE into your life, into your entire family's life, into the lives of your brothers and your sisters, and I am calling you to speak life into the lives of unbelievers. When you speak about acts of evil, when you share information about acts of evil, you are spreading fear.

My beloved, the only fear that you should be speaking about, is the reverent fear of me, the Lord your God.

I haven't given you or your brothers and sisters a spirit of fear, but of power, of love and of a sound mind.

I am calling you my beloved, to fix your eyes on the things above, not the things below. I am calling you to SATURATE YOUR LIFE EACH DAY with the things of my Kingdom, reading my Word, hearing my Word, speaking my Word, worshipping me in spirit and in truth, saturating your entire being with the things of my Kingdom, because remember my beloved, you are in the world but you are not of the world, I have called you out of the darkness and into my glorious light.

Remember my beloved, there is power on your tongue and there is power from your actions. Your tongue can speak life or death and your actions can spread love or spread fear.

My beloved, SPEAK LIFE. Let your actions share my love, share my agape love.

May your actions shine light into the darkness of those who I haven't yet brought into salvation. My beloved, I have called you by name from your mother's womb, to be my glory carrier.

Thank you for hearing my voice.

Thank you for receiving my words.

Thank you for following my will for your life.

My beloved, the more that you saturate your life each day with the things of my Kingdom, the more that I will be saturating you with my glory.

Prepare for more and more tears as you experience more and more of my goodness, of my joy, of my love, of my peace.

My Peace is a gift to you that the world cannot give you, and my peace surpasses all understanding.

My beloved, you are my masterpiece, says I, the Lord of Heaven Armies.

I Know How Weak Your Flesh Is And Your Battle With Lust, But My Power Works Best In Your Weakness, Says The Lord

My beloved, your flesh is weak. Your sinful nature is incredibly powerful, and your flesh has been increasingly at war with my Spirit working within you.

I am calling you, my beloved, to surrender to me each and every morning, to purposely die to your flesh every morning, to ask me, the Lord your God, to fill you with my Spirit at the start of each day for the entirety of that day.

You can be glad to boast about your weaknesses, because my power works best in your weaknesses.

My beloved, when you have allowed your flesh to control you, you are consumed by feelings and emotions which take you away from praising me, from worshipping me, from seeking me, from glorifying me, from worshipping in spirit and in truth, from reading my Word, from declaring my Word, for having fellowship with your brothers and your sisters, but my beloved, I am giving you the keys to the house of David. You are going to open doors that no man can shut and you are going to close doors that no man can open. My beloved, you are going to be testifying about how I the Lord your God, through the mighty power at work within you, my Spirit within you, because remember my beloved, greater is the spirit that is in you than the spirit that is in the world.

My beloved, you are going to be testifying about you have finally been able to put to death the dictates of your sinful nature, your lustful desires. You are going to testify that you have finally been able to put them to bed, because they have been crushed, under my mighty hand, says I the Lord of Heaven's Armies.

I am pouring into you now my Spirit, my fire. I am destroying the strongmen that have held you in chains of bondage, that have had you held captive because of your weak flesh and your sinful nature.

My beloved, you can do all things through me who gives you strength.

My beloved, the more that you talk about me, the less that you talk about yourself. The more that you speak about my goodness, the more blessings and breakthroughs will be coming into your life. As you seek my Kingdom and my righteousness first, all else will be given unto you.

My beloved, your eyes have not seen, your ears have not heard and your mind has not yet conceived what I the Lord your God have got planned for you because you love me.

My beloved, the battles that you have had with your flesh, the battles that you have had with lust, it impossible for you by yourself to put to death the desires of your flesh, those lustful desires, but with me, the Lord your God, ALL THINGS ARE POSSIBLE, I am the miracle worker and MY POWER WORKS BEST IN YOUR WEAKNESS.

Thank you, my beloved, for hearing my voice. Thank you, my beloved, for hearing my message to you now.

Saturate yourself with my Kingdom, and my promise to you, my beloved, is that I will be saturating you with my glory, because I am the King of glory, and my beloved, your life and your experiences are going to take you from glory to glory to glory, says I, the Lord of Heaven's Armies.

My Beloved, Let Tears Flow & Open Your Heart To Me, Says The Lord

My beloved, you are my masterpiece. Before I created the heavens and the earth, every single day of your life was written in my book. Every single moment, every single tear, was laid out before a single day had passed.

You are my masterpiece. I formed you, I created you, I knitted you together in utter seclusion. I brought you forth on the day you were born. It has been I the Lord your God that have carried you through every single trial, tribulation, storm and period of pain and suffering that you have ever experienced.

It is only I the Lord your God that true truly know what you have been through.

It is only I the Lord your God that have heard what people have said about you.

My beloved, let the tears flow. My beloved, open your heart to me. Let tears gush from your eyes. No longer hold back the tears. My beloved the tears that you are shedding, tears that you will shed from this moment forward from you receiving my message to you, your tears are no longer tears of sorrow, tears of shame, tears of guilt, tears of fear, tears of feeling helpless, tears of feeling hopeless. My beloved, your tears are tears of breakthrough. Your tears are tears of knowing that you are loved by me beyond anything that you can comprehend.

It Is Time For You To Slow Down & Not Feel Rushed, Says The Lord

My beloved, slow down. It is a time for you to slow down. It is a time for you to no longer allow circumstances in your life each day, to make you feel rushed.

My beloved, I want you to live each day in joy and peace. My beloved, I want you to spend time with me every single day. Remember, I the Lord your God, I am ALWAYS on time. I am never late. All my promises to you are yes and amen, in my perfect time.

It can be so easy for you to feel rushed. You yourself can feel pressured to look at the time and to be bound by the time on the clock. When you are striving for a breakthrough, when you are striving for a change, this can make you rush. The people in your life, they too can try to rush you, but remember my beloved, I am calling you to slow down. I am calling you to listen to the birds singing. I am calling you to take authority when others are trying to rush you, because my beloved, it is not I that rush you.

I want you to experience and live with my peace which surpasses all understanding. I no longer want you to feel frustrated when there is a delay in you doing something or getting somewhere. When you are driving and you may hit traffic, know that everything happens in your life in my divine, perfect time.

My beloved, stop striving, start serving. Be content in ALL your circumstances. Trust in me that I truly work in all things for your good, because you love me and because you live according to my purpose for you.

My beloved, the more that you slow down, the more that you trust in my perfect timing, the more changes, transformations, miracles, breakthroughs, signs and wonders you will begin experiencing in your life.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, yes you, because you love me.

Listen To My Voice & My Will For Your Life Above Anyone In Your Life, Says The Lord

My beloved, I have called you by name to be my glory carrier. My beloved, as I am pouring into you my spirit, I am truly setting you on fire.

My beloved, it is completely irrelevant that you have only been walking with me for a short period of time. I am pouring into you wisdom that I haven't provided to my people who have been walking with me for years and years and years and years. I am pouring into you wisdom and revelation because of your true and complete surrender to me. As you have been willing to completely die to your flesh, as you have been willing to pick up your cross and follow me, as you have been willing to become an enemy of the world in order to follow my leading, I am now repaying you with wisdom and secrets that I have not shared with those who have been seeking me for years and years and years.

My beloved, my call to you now is to not allow any of your brothers or your sisters to quench my Spirit that I am pouring into you each day.

My beloved, seek me, seek my voice and **SEEK WISDOM FROM ME ABOVE ANY MAN OR WOMAN WALKING THE EARTH.**

Be prepared for resistance.

Be prepared to have people in your life questioning what you are doing.

Be prepared for those closest to you to try and put an end to what I am calling you to do.

Be prepared for resistance, but know this my beloved, in the resistance that I am bringing into your life, I am refining you by fire. I am preparing you to impact the kingdom of darkness, unlike you can even comprehend.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

RESIST THE RESISTANCE OF MAN.

Step off the boat in faith.

Go out with a Holy boldness.

Go through the doors that I am opening up in your life.

Don't try to open the doors that I have been shutting in your life.

Follow my will each day.

Hear my voice each day.

Seek my Kingdom and my righteousness first each day, and my beloved, all else will be given on to you.

In my Kingdom, says I the Lord of Heaven's Armies, the duration of which my chosen Sons and Daughters have been walking with me is completely irrelevant, in relation to the impact that they are going to have for My Kingdom, for My glory, because I am the King of glory, and my beloved, I have chosen you, yes you, to be my glory courier, says I the Lord of Heaven's Armies.

My Beloved, Please Don't Compare Yourself Anymore To Anyone Else, Says The Lord

My beloved, many are called, but few are chosen. I have called you by name. I have chosen you. My beloved, you are chosen and not forsaken. My beloved, my desire for you is that YOU WILL NO LONGER COMPARE YOURSELF TO ANYONE ELSE. The days of you living feeling inferior to others is over, says I the Lord of Heaven Armies.

I meet you where you are. You are fearfully and wonderfully made in my image.

My beloved, you are the apple of my eye.

Your identity is in me the Lord your God, and in me alone.

Your identity is not in your circumstances.

Your identity is not in your childhood experiences.

Your identity is not in your family.

Your identity is not in the relationships that you have had.

Your identity is not in the sins of your past.

Your identity is not in what anyone has ever told you about yourself.

Your identity, my beloved, is in me the Lord your God, and in me alone.

I have seen how you have felt when you have compared yourself to others.

I have seen when you have felt inferior.

I have seen when you have desired to have what other people have.

I have seen when you have been striving to attain what others have achieved.

I have seen when you have been envious of other people.

I have seen when you have looked upon others and thought “I want what they have”, but my beloved, remember, the first will be last and the last will be first.

My plans for your life, my beloved, are plans for good and not for disaster to give you a future and a hope.

Put your complete trust in me. Do not be afraid. Lean not on your own understanding.

My beloved, my plans for your life, yes your life, are plans for good and not for disaster to give you a future and a hope. I have called you by name to be my glory carrier, and I use broken people like you and everyone that is in your life, to rescue broken people like you and everyone in your life.

I am the one that turns your ashes into beauty.

I am the one that brings you hope.

I am the one that gives you a heart of flesh, from a heart of stone.

I am the one that takes away all the pain and suffering and trauma and guilt and shame and condemnation from your life experiences.

I am the one who gives you life.

Your identity is in me, and in me alone.

My beloved, you can do ALL THINGS through me the Lord your God who gives you strength.

My beloved, before I created the heavens and the earth, I planned for this moment right now, for you to be receiving my words to you. May you never, ever again compare yourself to anyone that is in your life and that will come into your life in future.

As I the Lord your God bring more brothers and sisters into your life, do not compare yourself to them. Each of them are following what I laid out in my book, because remember my beloved, every moment of your entire life and the lives of every man, woman and child walking the earth and that will walk the earth, every moment of your lives was laid out before a single day had passed.

My beloved, you, are the apple of my eye.

You are my masterpiece.

I have called you by name to be my glory carrier, and as you saturate yourself with the things of my Kingdom, as you read my Word, as you hear my Word, as you listen to anointed worship music, as you spend time in fellowship with your brothers and your sisters, as you switch off and turn away from the things of this world and instead you focus on the things above, not the things below, as you saturate yourself with my Kingdom, my beloved, my promise to you is that I will be saturating you with my glory.

So you, my beloved, are going to go from glory to glory to glory, says I, the Lord of Heaven's Armies.

I Am Calling You To Step Off The Boat in Faith & Begin Street Preaching, Says the Lord

My beloved, I am calling you to step off the boat in faith and begin street preaching. You are receiving my words now because I have called you by name to be my glory carrier. I am opening a door in your life now that in my perfect time, you will be going through, and through the other side of that door is you stepping out, filled with my spirit, to talk about my goodness, to share my message, to share the Good News, to testify of what I have done in your life, for you to be my glory carrier.

My beloved, I am calling you to not hide your light under a bushel. Instead step out and shine light into the darkness of the lost sheep. Remember, my beloved, you can do ALL THINGS THROUGH ME who gives you strength. As I am pouring into you now my spirit, I am destroying that which has held you back.

I am destroying now the spirit of timidity.

I am destroying now the spirit of apprehension.

I am destroying now the spirit of unbelief.

My beloved, you are going to be filled with my spirit and you are going to be stepping out in holy boldness. I am going to be bringing you into the lives of brothers and sisters whom you will be stepping out alongside, to preach on the streets about my love for my people.

My beloved, walking with me is walking outside of your comfort zone. It is going to be futile for you to fight against my will, because my will for you is that you will be preaching on the streets. You will have my divine protection upon you and upon those brothers and sisters whom you will be stepping out in a holy boldness to preach and to share the Gospel.

My beloved, thank you for hearing my voice. Thank you for hearing my message to you. Remember, my beloved, the more that you speak about me, the less that you speak about yourself.

The more that you glorify me, the more glory I will be pouring into your life.

The more that you fix your eyes on me, the more peace you will experience.

The more that you talk about my miracle-working powers, the more breakthroughs, the more transformations and the more miracles that will be coming into your life.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

You will feel me smiling down upon you, when you begin to preach. It is I the Lord your God, through my spirit, that will give you the words to say, so you have no fear. I the Lord your God have not given you a spirit of fear, but of power, of love and of a sound mind.

I have been preparing you for this moment to hear my words. I have been preparing you to step out in faith with a holy boldness to begin street preaching, and remember, my beloved, my will be done on earth as it is in heaven, says I the Lord of Heaven Armies.

My Daughter, In My Perfect Time I Will Bring a Mighty Man of God Into Your Life, Says The Lord

My beloved daughter, I have called you by name to be my glory carrier. Currently I have you in this place where you don't have a man that you are in relationship with, and I desire for you my beloved daughter, for you to be at complete peace with where I have you right now.

My promise to you is that in my perfect time, I will bring a mighty man of God into your life and you will become a mighty and unstoppable force for my Kingdom, but my beloved daughter, in the waiting, as I have been perfecting your perseverance, as I have been testing your faith, as I have been refining you, as I have been stripping away from you that which remained of your old wineskins, my message to you now my beloved daughter is to no longer strive for your perfect partner. To no longer feel in any way burdened that I haven't yet brought a mighty man of God into your life, whom you can come into a personal, deep relationship with.

In the time that you have spent without having a man in your life, I planned it this way so that I the Lord your God can show you that you do not need anyone in your life but me. I am your comforter. I am your Redeemer. I am your teacher. I am your healer. I am your rock. I am the mighty warrior that saved you from all your enemies. I am the King of

kings, the Lord of lords, and I the Lord of Heaven's Armies, I have anointed you, my beloved daughter, to truly be my glory carrier.

The more that you seek me each day, the more that you are willing to surrender everything in your life to me, the more that you are willing to walk by faith and not by sight, the more that you are willing to put your trust completely in me, my promise to you my beloved daughter is the more and more and more glory I will be bringing into your life.

I am going to be bringing you into floods of tears.

Breakthroughs are coming.

Answers to prayers are coming.

Miracle transformations are coming, and my beloved daughter, in my perfect time, your perfect partner, the perfect man of God who will become your husband, I will bring this man into your life, but before then, my beloved, no longer strive. Just keep glorifying me, worshipping me in spirit and in truth, stepping through the open doors that I am opening for you, stepping off the boat in faith, stepping out in holy boldness, preaching my message, sharing your testimony, glorifying me, speaking about my miracle deeds.

The more and more and more that you speak about me the less and less and less that you will speak about yourself, and you will see my beloved that my plans for your life are plans for good or not for disaster to give you a future and a hope.

And finally, my beloved, my promise to you now, my beloved daughter, is that your eyes haven't seen, your ears haven't heard and your mind hasn't yet conceived what I the Lord your God have got planned for you because you love me.

Thank you, my beloved daughter, for hearing my voice. Thank you for being obedient. Thank you for serving me. Thank you for being a mighty, mighty woman in my kingdom.

Be prepared. You have not seen anything yet, says I the Lord of Heaven Armies.

I Have Taken You Off The Hamster Wheel of Life, Says The Lord

My beloved, I have called you by name. You are chosen and not forsaken. Every single day of your life is written in my book. Every single moment, including this moment right now, was laid out before a single day had passed, and my beloved, my plans for your life and your family, are plans for good and not for disaster to give you a future and a hope.

My beloved, before 2020, you were on the hamster wheel of life. There were things in your life, past experiences, relationships, belief systems, pain, trauma, areas in your life where you have been deceived, there were many things that were keeping you on the hamster wheel of life, but often without you realising it, since the early part of 2020, I have been removing the things which were keeping you on the hamster wheel of life. Yes, it is I the Lord your God, that sent the locusts into your life to strip you down, to strip you bare, and yes at times, the experiences that you've had in the last two years have been painful, has been extreme, but I work in ALL THINGS FOR GOOD because you love me and because you live according to my purpose for you.

With everything that you have experienced during the last two years, it has meant that less and less you are just continuing on the hamster wheel of life. Less and less you are just continuing going over the same things with the same thought patterns, due to the same belief systems, because one by one, the things that have kept you going round and round and round, as I have removed them from your life, I have now taken you to a place where there are no longer powerful parts of your life, of your mind, of your heart, of your relationships, that will keep you going round and round and round. So now, you can look at your life, you can see that I have set you apart, you can see that I have lifted you out of the miry clay, you can see that I reached down into the deep waters to rescue you from all

your enemies. You can see that you cannot trust in man, but you can trust in me, because I am the Way, the Truth and the Life.

No longer will you be getting dragged into the things which kept you on the hamster wheel of your life. You can now look at your old life, and that is your old wineskins, and no longer is there anything for you to be holding on to because of the extreme pruning that I have done.

You have also, my beloved, being in the furnace, and as the furnace has been getting hotter and hotter, and at times you have felt it has become unbearable, remember through all the suffering that you've gone through, I have been destroying all that kept you on the hamster wheel of your life, and you are no truly stepping off that hamster wheel, knowing that your identity is in me the Lord your God and in me alone.

I have truly set you apart.

I have called you by name to be a leader in your generation.

I have called you by name to be my glory carrier.

I have called you by name to walk by faith not by sight.

I have called you by name to use the weapons that I have given you to smash down and to destroy mighty strongholds.

I have called you by name to live in joy and peace.

I have called you by name to be a mighty warrior in my army, and my beloved, all my promises to you are yes and amen, in my perfect time.

Your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

No longer are you on the hamster wheel of life. You are now walking with me. Walking in victory, walking with power, with authority, with love, with joy, with peace, as my glory carrier, says I the Lord of Heaven's Armies.

Stop Striving, Start Serving, Says The Lord

My beloved, I have called you by name. I have chosen you to be my glory carrier. You are my masterpiece, and my plans for your life and your family are plans for good and not for disaster, to give you a future and a hope.

My beloved, I no longer want you to STRIVE for the things that are on your heart right now. I no longer want you to strive for promises that you are standing on, that I the Lord your God have given you. Instead of striving each day, instead of yearning, instead of striving, my beloved, I am calling you to SERVE me, to SERVE me each and every day, with joy, with happiness, with excitement.

The more that you serve me, the more that you fix your eyes on me, the more that you surrender everything in your life, including all your loved ones whom are not yet saved by my grace, the more that you surrender, the more that you will be serving me, and my beloved, my promise to you, is the more GLORY I will bring into your life.

All my promises to you are yes and amen in my perfect time.

My beloved, when you are striving for things that haven't yet come to pass in my perfect time, through your striving, this can take you away from serving me, for serving my Kingdom, for being my hands and feet. My beloved, when you take care of my business, I take care of yours.

Surrender everything in your life to me. No longer strive for anything that is upon your heart. Instead, seek with an open heart to serve me each and every day, and through all this, you will experience more and more and more of my GLORY.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

Thank you, my beloved, for being my servant. Be prepared for me to bring you into floods of tears unlike you have cried before, as my GLORY manifests in your life and in the lives of your family, unlike like you have experienced before, says I the Lord of Heaven's Armies.

I Have Chosen YOU To Be The 1st Through Your Entire Family Generations To Be My Glory Carrier, Says The Lord

My beloved, I want to give YOU a deep comprehension and a life-changing revelation of just how significant you are to me.

It was I the Lord your God that chose YOU before I created the Heavens and the earth. I planned out every single day of everyone that has ever lived in your family generational history. Every single moment was laid out before a single day had passed, and my beloved, I chose YOU to be the first throughout all your family generations to be given the true revelation, that you are, yes you my beloved, **YOU ARE MY GLORY CARRIER.**

I want you for a few moments to comprehend the life experiences that your family members have had by not being in relationship with me. Before I called you out of the darkness before I came down from Heaven and rescued you from all your enemies, before I saved you, you and all your current family members and those from generations past were and had lived in darkness, lived following the dictates of your sin nature, lived trying to win the battle of your mind and of your heart on your own, by your own strength.

My beloved, for a few moments, consider the battles that have gone on in your mind and in the lives of every single one of your family members. Fear. Anxiety. Depression. Anger. Bitterness. Resentment. Feeling helpless. Feeling hopeless. Feeling unloved. Unable to forgive those that have hurt you.

As I am pouring my spirit into you now, I am giving you a deeper revelation of the pain, the turmoil, the suffering, the battles that have raged in the lives of your entire family, those who are alive today and those that are no longer walking the earth.

Yes my beloved, I CHOSE YOU.

I chose to set YOU on fire with my Holy Spirit.

I chose YOU to come into the comprehension that your identity is in me, the Lord your God and in me along.

I chose YOU to be my glory carrier.

I chose to lift the veil from YOU.

I chose to remove the scales from YOUR eyes and not any one of your other family members.

YOU are the first but my beloved YOU WILL NOT BE THE LAST, says I the Lord of Heaven's Armies.

YOU are my anointed one. I am empowering your right hand. In the spirit realm, before YOU my beloved, mighty kings will be paralysed with fear. Their fortress gates will be opened, never to shut again. I will go before you my beloved and level the mountains. I will smash down gates of bronze and cut through bars of iron. Yes, my beloved, what is impossible with man is possible with me. Your family members alive today whom I haven't yet set free, I will set them free, says I the Lord of Heaven's Armies. I will lift the veil. I will remove the scales from their eyes, and my beloved, when I send my word out to you now, it does not return to me void, it will accomplish all that I desire and it prospers EVERYWHERE that I send it.

My beloved, you yes you, ARE MY MASTERPIECE.

I am going to be giving you treasures hidden in the darkness. Secret riches.

Your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, because you love me.

Everything that I am doing in your life and everything to come in your life, my beloved, I am doing all of this so that you may know that I am the Lord, the God of Israel, the one who calls YOU by name. And why have I called YOU, my beloved, for this work? Why did I call you by name when you did

not know me? It is for the sake of Jacob my servant, Israel, my chosen one. I am the Lord, there is no other God.

My beloved, I have equipped you for battle, though you don't even know me. So all the world from east to west will know there is no other God. I am the Lord and there is no other. I create the light and make the darkness. I send good times and bad times. I the Lord am the one who does these things. Open up oh heavens and pour out your righteousness. Let the earth open wide so salvation and righteousness can sprout up together. I the Lord created them.

My beloved, through your prayers of intercession for your family members, I am drawing your family members into my arms. I am doing a work in all your family members that you cannot even imagine. Your family members whom I haven't yet set free, they don't realise it is I the Lord their God, that is sending them through an experience in their life, through the refiners fire, that is bringing them into my arms. Remember, my beloved, your family, your friends, everyone walking the earth that is exalting themselves above me, they may plan all kinds of things, but my will is going to be done, and my desire is that everyone will come into the truth and be saved, says I the Lord of Heaven's Armies.

My beloved, as you are receiving my words now, remember, your faith comes by hearing and hearing by my word. I am now pouring into you more and more and more of my spirit. I am calling you now, every morning as you awaken, to seek me, to thank me, to praise me, to glorify me, to ask to be filled with my spirit, for you to seek my kingdom and my righteousness first and ALL ELSE WILL BE GIVEN ON TO YOU.

My beloved, my Word tells you in Jeremiah 33 verse 3, call on me and I will answer. I will tell you great and marvellous things you did not know. My beloved, come to me for wisdom each day. Ask me to reveal to you the things that I am doing, and each day I will reveal to you the perfect amount of revelations that you need each day, for you to continue walking daily by faith and not by sight.

You are my prized possession. I have truly set you apart and I am truly setting you on fire, so my beloved when you speak my Word, when you declare my Word, when you decree my word, blazing coals of fire are going to be coming from your tongue, and through your words of prayer, through your words of intercession, through having a holy boldness that I am giving you now, powers and principalities of darkness, strongmen, goliaths are going to be DESTROYED, says I, the Lord of Heaven's Armies.

My beloved, my Word tells you to worship me in spirit and in truth, and now as you are hearing my words to you, as each day you listen to anointed worship music, you will find that the songs that I am bringing into your ear gates will bring you into tears. You will find that I am speaking to you more and more and more each day.

Embrace everything that I am going to be flooding into your life. As you walk in my creation, as you look up to the sky, my Creation is going to be speaking to you. When you see the sun, this is me shining my glory into your life because you my beloved or my glory carrier.

When you see clouds, see this as representing that I'm calling you to just reflect on my grace, on my mercy, on my unfailing love, on my glory, on my splendour, on my miracle-working powers, because remember my beloved, you are living in my miracle creation. You are a miracle creation of me, the Lord your God.

When the rain starts to come down, my beloved, see this that I am pouring into rivers of living waters. I am cleansing you. I am purifying you I am refreshing you, says I the Lord of Heaven's Armies.

And when the thunder comes, when the lightning comes, see this as me displaying my glory, but may the lightning and the thunder keep you in a place of complete humility, of total reverent fear of me the Lord your God.

Remember, I am the author and the finisher of your faith. I have called you by name. You are the apple of my eye. My beloved, you are my masterpiece and I called YOU to be the first in your entire family history to be my glory carrier.

Now my beloved, go, follow me. Hear me. Step off the boat in faith. Fix your eyes on me. Put your faith in me and me alone, and be prepared, my beloved, for me to bring you into tears.

Tears of joy.

Tears of awe and wonder.

Tears following the breakthrough.

Tears following your prayer being answered.

Tears because of family reconciliation.

Tears because of the salvation of your family members, one by one by one.

Tears, because I have chosen you, my beloved, to be my glory carrier.

Allow Me To Speak To You Each Day Through My Creation, Says The Lord

My beloved, I have called you by name. You are chosen by me and not forsaken. Before I created the Heavens and the earth, every day of your life was written out, every single moment of your entire life that has ever been, that is taking place right now as you are hearing my words, and every single moment to come in your life, was laid out before a single day had passed. My plans for your life and your family, are plans for good and not for disaster, to give you a future and a hope.

My beloved, during the last two years, I have been revealing to you that you cannot trust in man. I have been showing you that you need to put your trust and your faith in me and in me alone, in order to be able to understand and to comprehend and to navigate through day-to-day, what has been going on in your life.

Yes, I have been shaking everything that can be shaken in your life. Yes, I the Lord your God have sent the locusts out into your life, and those locusts have been stripping you down and stripping away from you all your old habits, behaviours, thought patterns and belief systems from you living in the fallen world, in which you were born into on the day I brought you forth. I have allowed you and all my people to experience deception, to experience indoctrination, to be lied to, to be manipulated, to live their life thinking they don't need me. My people have been living their life self-centredly, living in sin, but everything that has been done in dark is being brought to light. I am exposing sin. I am exposing deception. I am exposing corruption. My worldwide reformation and revival has only just begun, and my message to you now my beloved is to open your heart truly to me. Be willing to pick up your cross and follow me. Be willing to follow me. Be willing to be hated by the world. Be willing to be my glory carry, because I have called you by name to be my glory carrier, and from you receiving my words to you now, from this moment forward as you are

living in my creation, as each day you are seeing and often experiencing different weather, my beloved, I want to speak to you through the weather that you will be experiencing in your life moving forward.

My beloved, when the sun is shining and visible, my beloved see this as I am shining my glory into your life, because you are my glory carrier. See the sun shining upon you is that I am replenishing you, I am filling you with my spirit, with my glory. I am shining down upon you because you are my masterpiece, says I the Lord of Heaven's Armies.

When the clouds come, when the sun is behind the clouds, my beloved before rain may come, but when you see clouds as you look up to the sky, see this is me speaking to you and inviting you to just come into my presence, for a period of calm, a period of peace, a period of rest, a period of contemplation, a period of you reading my Word, worshipping me, hearing from me. My beloved, I want you to feel my presence, I want to feel that I am speaking to you each and every day, because I am, and I am giving you the eyes to see how I want you to experience my Creation.

When the rain starts coming down my beloved, I want this for you to signify that I am flowing into you rivers of living waters. I am cleansing you. I am purifying you. I am pouring into you my living waters, because through your faith in me and in me alone, rivers of living waters will be flowing from you through your belly. You have been called my beloved to be my glory carrier, so now from this moment forward, when the rain starts coming down, rather than that having any form of negative effect on what you think what you feel, see it was my rivers of living waters pouring into your life, and not just your life but into the lives of your brothers and your sisters. Because my beloved remember this, every man, woman and child walking the earth, their life, their experiences, what they think, what they feel, what they believe, whether they have given me their life yet or not, every single day and every moment of their life was laid out before a single day had passed. Everyone upon the earth, as I am saying these words to you now, is precisely and perfectly where I planned them to be before I created the heavens and the earth.

You are living through my worldwide reformation and revival, says I the King of glory, and my beloved, when you see thunder and when you see

lightning I see this as a reminder to you that I am reminding you and I am reminding my people that I am the King of glory, that through your reverent fear of me, this is the beginning of all wisdom. The storms, the lightning bolts, this is me displaying that I am Sovereign, that I am in control and that I am sending storms into the lives of people who are living in sin, because of their disobedience to me, because of their denial of me, because of them living for themselves, the storms are coming into their life, the locusts have been sent into their life, they are going through the furnace, they are in the furnace, and I am doing things in the lives of people that you love that you would not even imagine.

People may plan all kinds of things but my will is going to be done, says I the Lord of Heaven's Armies, and my beloved when I send wind, as you experience wind, see this that I am sweeping away from you any recent sins, I am sweeping away from you the things that are a part of your flesh, of your old wineskins. I am sweeping away the things that are not from me, leaving you living in your new wineskins so that I can continue to pour into you my new wine, my new glory, my new provisions, my new breakthroughs, my new miracles coming into your life.

My beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me, and now as my Creation comes alive for you, as I speak through the different weather that you will be experiencing from this moment on for the rest of your life, know that I'm speaking to you, that I am either cleansing you, purifying you, bringing the wind of change running through, keeping you in reverent fear of me, shining my glory upon you, and pouring into you rivers of living waters.

I am for you and not against you. My hand is mighty upon your life. You are my beloved, the apple of my eye. Praise me, worship me, worship me in spirit and in truth. Saturate yourself with my Word. In my Word, in worship, cut yourself away from the things of the world. Be my glory carrier.

Speak about me more and more and more, and the more that you speak of me, the less you will speak of yourself.

The more that you speak of me, the more breakthroughs will be coming into your life.

The more that you speak of me, the more that you will feel my presence.

The more that you speak about me, the more that you will feel my peace.

The more that you speak about me the more glory and glory and glory will be coming into your life, because you my beloved, I have called you by name to be my glory carrier, to go from glory to glory to glory, says I the King of Glory.

Continue spending more and more and more of your time with your brothers and sisters.

My beloved, you will have experienced in this last two years, in relationships that you once had, I have been closing doors that no man can shut. I have been closing doors on relationships that no longer serve you, with where I am taking you at this moment. But I the Lord your God, I have also been opening doors that no man can shut. I have been opening doors to relationships with your brothers, with your sisters, which are incredibly important. I have been building you up. I have been bringing more and more wisdom into your life, through the Kingdom connections that I have brought about, that I have orchestrated in your life.

My beloved, the more that you saturate your life each day with the things of my Kingdom, with my Word, listening to worship music, seeking me, speaking to me, thanking me, asking me to lead you and guide you, asking me for my wisdom, hearing my voice and doing what I am calling you to do, the more that you saturate your life with me and the things of my Kingdom, the more and more and more of my glory you will be experiencing, because I am at the King of glory.

Your eyes, my beloved, have not seen, your ears have not heard and your mind has not yet conceived what I the Lord your God have got planned for you because you love me. The more that you surrender to me, the more that you let go of all inhibitions, the more that you seek me, the more that you serve me, the more and more and more glory that will be coming into your life. You will be going from glory to glory to glory. You will be brought into floods of tears, as I suddenly bring breakthroughs into your life, as I suddenly bring about that what you have been praying for, as I suddenly bring about the transformation.

Be prepared, my beloved. Be prepared for me to saturate your life with my glory as you saturate each and every one of your days with me with my Kingdom, following my will, and through your deepening relationship with me, with your eyes, you will see more and more of my beauty in my

Creation. You will marvel more and more and more at my miracle
Creation. So, your life, will become more and more glorious, more and
more beautiful and you will truly be stepping into the calling that I have
placed upon your life, for you, my beloved, to be my glory carrier, says I
the Lord of Heaven's Armies.

You Are Going From Curses For Disobedience To Blessings For Obedience, Says The Lord

My beloved, I have called you by name. You are chosen and not forsaken. I the Lord your God, I am for you and not against you. Before I created the Heavens and the earth, every single day of your life was written in my book. Every single moment including this moment right now of your entire life, was laid out before a single day had passed. You are the apple of my eye. My beloved, you are my masterpiece. My plans for your life have always and will always be plans for good and not for disaster, to give you a future and a hope.

My beloved, you have experienced great suffering in your life. You have lived through experiences which many, many others would not have come through. It has been my grace, my mercy and my unfailing love for you that has carried you through every single trial and tribulation that you have experienced. It has been I the Lord your God, that have carried you through all those dark valleys when you have been in the fire, when the fire, when the intensity, has been increasing and increasing, it has been I the Lord your God that have been in the fire with you, like Shadrach, Meshach and Abednego, and through EVERYTHING that I have allowed you to experience, I have been bringing you to this moment right now, to receive my words to you know, as I am pouring into you my spirit.

My beloved, you are anointed. I have called you by name to be my glory carrier. You are going to live in joy and peace, says I the Lord of Heaven's Armies, and my beloved, my desire for you, following receiving my message to you now, is that my Word comes alive and speaks so deeply, so profoundly and so personally to you unlike you have experienced before.

My beloved, I no longer want you to give any authority, to give any credence to the enemy. Everything that you have experienced, the trials, the tribulations, the hardships, the suffering, every moment of your entire life has all been apart of my divine plan for your life, because through the

suffering, through the pain, through the trauma, through the experiences in your life, where you may have felt like you were cursed, it was in fact from me, because what I have been doing during your life, I have been revealing to you, so often without you realising, that my beloved, you are nothing without me. It is my breath in your lungs. You have your entire being because of me the Lord your God, and through the suffering, through the pain, through the turmoil, through the battles, through the storms, through the fire, what I have been doing during your life leading you to this moment right now receiving my words now, I have been stripping away your old wineskins. It is I the Lord your God that sent the locusts into your life to strip you down, to strip you bare, to bring you to a place of complete, total humility, of total surrender to me, of total dependence on me. For you to now put your faith in me the Lord your God and in me alone. For you to seek my Kingdom and my righteousness first each and every morning, and my promise to you is that all else will be given unto you.

I am your Jehovah Jireh. My way is perfect, and my beloved, my words to you are all my promises to you. All my promises to you are yes and amen in my perfect time. Without you realising it, I have been perfecting your patience. Through the trials, through the tribulations, through the times when I have remained silent in your life, I have been teaching you to be patient, I have been teaching you to walk by faith and not by sight.

My beloved, read my Word in Deuteronomy 28. You will begin by reading my blessings to you for your obedience to me, and then you will read the curses for disobedience, and through my spirit being upon you, through me speaking to you, I will be giving you revelation after revelation of what all my words in Deuteronomy 28 mean for you, for your life in the past when you were living in sin, when you were living self-centredly, when you hadn't yet surrendered your life to me, when you experienced pain, trials, suffering, obstacles, fires, storms - the curses for your disobedience, but now when you read my blessings to you in your life, coming into your life more and more and more because of your obedience to me, through you following my will each and every day, I will be bringing you into

floods of tears because my beloved, I have only just begun moving in your life.

My beloved, you have not seen anything yet. Your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

My beloved, no longer speak about the enemy. Instead, fix your eyes on me. Live each day comprehending each day that I the Lord your God, I work in all things in your life for good because you love me, because you live according to my purpose for you. When things come in your life, when trials of any kind come in your life, when your faith is tested, know that I am purifying and I am strengthening your perseverance. I am perfecting your faith, says I the Lord of Heaven's Armies.

Everything that has ever come into your life, everything that you will experience from this moment forward from receiving my word, everything is apart of my divine plan for your life. Remember, my beloved, my ways are higher than your ways and my thoughts are more than anything that you can imagine, just as the heavens are higher than the earth, but in order for you to understand more and more of what I am doing in your life and in the lives of all your loved ones, come to me, ask me for wisdom and I will not rebuke you for asking, and I will give you more and more wisdom as your faith is in me the Lord your God and in me alone.

My beloved, I am going to be bringing you onto your knees. You will be in floods of tears. You will be saying Holy Holy Holy is your name Lord. You will be saying thank you Abba Father. All my promises to you, my beloved, are yes and amen.

In my perfect time, my beloved, my will for your life and for the lives of every single man, woman and child walking the earth, my will be done on earth as it is in heaven, says I the Lord of Heaven's Armies.

Revelation Of The End Days & The “Great & Terrible Day of The Lord”, Says The Lord

My beloved, I have called you by name. You are chosen and not forsaken. You are the apple of my eye. My beloved, you are my masterpiece. Before I created the heavens and the earth, every day of your life was written in my book. Every single moment, including this moment right now, every moment of your entire life was laid out before a single day has passed. I formed you, I created you, I knitted you together in utter seclusion in your mother's womb. My beloved, I saw you before you were born. I brought you forth on the day you were born. I have numbered every hair on your head, and my beloved, my unfailing love for you is beyond anything that you can comprehend. My thoughts for you outnumber the grains of sand, and through every single moment of your entire life, it is I the Lord your God that has carried you by my grace, by my mercy, and because of my unfailing love for you.

In all the times of your life where you have been faithless, I have always remained faithful because I cannot deny who I am. I am your Father and you are my child. My beloved, you were once living in total darkness.

You were once living following the dictates of your sin nature.

You were once living your life in sin.

You were separated from me.

You were living for yourself.

You put yourself at the centre of your life and not me, but I chose you.

You were saved by my grace.

As you read in my Word about the great and terrible day of the Lord, my beloved, that day happened on the day that I rescued you from all your enemies. On the day that I came down from heaven, mounted on a mighty angelic being, to reach down to the bottom of the deep waters, to lift you

out, to rescue you from all your enemies, to lift you out of the miry clay and to put your feet on me, the rock of all ages, this was that great and terrible day that you read in my word.

My beloved, when I brought you forth into the world from your mother's womb, that was the start of the end days in your life, and now, with you having surrendered your life to me, you are no longer in the "end days". You are a new creation in me. Your identity my beloved is in me and in me alone. I have called you by name to be my glory carrier. Now as you are receiving my words to you, I am pouring into you my spirit. You are anointed. You can do exceedingly and abundantly more than you may think or ask. I the Lord your God, the Holy One of Israel, have only just begun moving in your life.

My beloved, you have not seen anything yet, says I the Lord of Heaven's Armies. Your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God, the King of kings, the Lord of lords, the Alpha and the Omega, you have not seen, heard or thought what I have got planned for you because you love me.

My beloved, be prepared for me to bring you into tears of total joy, tears of awe and wonder, tears because the breakthrough finally comes, tears because my promise to you from time passed suddenly comes to pass.

I suddenly provide you with the breakthrough.

I suddenly bring about the family reconciliation.

I suddenly provide the breakthrough that has been upon your heart for a long time.

Remember, my beloved, it is I the Lord your God that put the desires of your heart on your heart. My desire is for everyone in your family to be saved and to understand the truth, and my beloved my word tells you, that you can pray for anything, and if you have faith, you will receive it, so my beloved, each morning as you awake, surrender your life to me, seek my Kingdom and my righteousness first and all else will be given unto you.

Live each day in total humility. Know and comprehend that it is my breath in your lungs, that I sustain you, that you have your entire being because of me the Lord your God.

Surrender everything in your life to me.

Put your faith in me and in me alone.

Hunger to receive my Word.

Speak to me, seek me throughout each day.

Ask me to provide you with wisdom.

Ask me to provide you with revelation of what I am doing in your life and in the lives of your loved ones.

Ask and you will receive, says I the Lord of Heaven's Armies

Remember, my beloved, my plans for your life and your family are plans for good and not for disaster, to give you a future and a hope.

Greater is the spirit that is in you than the spirit that is in the world.

You can do all things through me who gives you strength.

I the Lord your God, I have not given you a spirit of fear, but of power, of love and have a sound mind.

I am releasing an anointing of authority upon you now, authority in the spiritual realm unlike you have experienced before. I am putting my fire upon your tongue, so as you speak my word, as you declare my word, and as you decree my word, fire is going to shoot from your tongue. Powers, principalities, strongmen, generational curses, ancestral curses, spirits of witchcraft, hexes, vexes, religious spirits, the spirit of fear, the Jezebel spirit, the spirit of Pharmakeia that has been plaguing your life and your family, all these things of darkness are going to be getting destroyed in my name, by my word, which is sharper than any two-edged sword, because, my beloved, when you send my Word out, it does not return to me void, it accomplishes all the that I desire and it prospers everywhere that I send it.

My beloved, be prepared for your life to go from glory to glory to glory,
says I, the King of glory.

Each Day Start Saying “If It’s The Lord’s Will”, Says The Lord

My beloved, I have called you by name. You are chosen and not forsaken. You are the apple of my eye. My Beloved, you are my masterpiece. Before I created the heavens and the earth, every day of your life was written in my book. Every single moment of your entire life, including this moment right now, was laid out before a single day had passed. I formed you, I created you, I knitted you together in utter seclusion in your mother's womb. I saw you, my beloved, before you were born. I brought you forth on the day you were born and I have carried you in my arms throughout every single moment of your entire life.

By my grace, by my mercy, by my unfailing love for you, my beloved, you are here today receiving my message to you, as you are receiving my words now, I am pouring into you my spirit. My beloved you are anointed, and when I the Lord your God, when I send my word out and when you send my word out, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it.

My beloved, it is futile for you to make your own plans. I have been providing you with experiences in your life, where what you planned to do on a particular day was completely turned upside down. During this last two years, your life circumstances and experiences have been some of the most intensive, some of the most challenging, that you have experienced.

You have experienced suffering when you weren't expecting to suffer.

You have been utterly, utterly shocked by the behaviour of people in your life.

At times you have felt like your world is being shaken.

At times you have made plans to do what you felt was the right thing to do, but then suddenly, those plans were changed. Suddenly, something came into your life which completely changed your plans.

My beloved, you may plan all kinds of things, but my will is going to be done in your life. My message to you now, in your day-to-day relationship with me, as you surrender each morning to me, as you seek my Kingdom and my righteousness first each morning in your life, my beloved, as you are speaking to people in your life, your family, your loved ones, your friends, your colleagues, may the words that come from your lips as you speaking about what you may be doing that day or the day after, when you speak in any way about what may come to be, may the words from your lips be "If it is the Lord's will then this will happen".

It is futile to make your own plans, but through your total surrender to me, through your heart being open to truly receive more and more and more of my goodness, of more of my love, more revelation from me through my spirit, through your desire to seek my will in all things in your life, my promise to you now my beloved, is that you will hear from me more clearly and more regularly than you have ever done before. You will hear me speak to you, and I will share with you what are my plans for your life for that day, for the day ahead. I will be giving you clarity of my will, so that you can speak and share my will of what you are going to be doing. There are going to be times where I speak to you, I share with you where I would like you to go, where I am sending you, but I won't give you any more details, but know that as you walk with me, as you follow my will, as you seek me in all things, I am going to be giving you experiences, I am going to be bringing people into your life, I am going to be giving you encounters, I am going to be opening doors for you that no man can shut, and I am going to be leaving you in awe and wonder, says I the Lord of Heavens Armies.

My beloved, your walk with me is going to become more and more exciting.

Your walk with me is going to become more and more glorious.

Your walk with me is going to be filling you with more joy and more peace than you have ever experienced before, because as you walk by faith, not by sight, as you seek my will every day in your life, you are going to be seeing my hand and my signs in your life unlike you have experienced before.

My beloved, you are the apple of my eye. You are my masterpiece. I am going to be bringing you into tears of joy, tears of awe and wonder.

My beloved, you have not seen anything yet.

My plans for your life, my will for your life, is for good and not for disaster to give you, my beloved, a future and a hope - you and your family.

My will be done on earth as it is in heaven, in your life and in the lives of every single man, woman and child walking the earth, says I the Lord of Heaven's Armies.

Let Me Reveal The Thorn In Your Flesh That I Have Given You, Says The Lord

My beloved, I have called you by name. You are chosen and not forsaken. Every day of your life is written in my book. Every single moment, including this moment right now as you are receiving my words to you, every moment of your life was laid out before a single day had passed. I am for you and not against you. My plans for your life are plans for good and not for disaster to give you a future and a hope. It is I the Lord your God that have carried you through every single moment of your life, in particular, in your darkest valleys, in your greatest battles, in your moments and periods of feeling lost, of feeling helpless, of feeling hopeless, of feeling unloved, feeling like you can't go on, that you can't take things any longer. It has been I the Lord your God, that have carried you through.

I have seen every tear that you have ever shed, and my beloved, I have caught them in my bottle, and as you have sown with tears, you are going to be reaping which songs of joy, says I the Lord of Heaven's Armies.

My beloved, the last two years of your life have been intensive, have been challenging, have been at moments almost unbearable. My beloved, you have suffered. My beloved, you have seen breakdowns in your life, breakdowns of relationships. You have felt like you have had armies coming against you. You have prayed, you have prayed and you have prayed. You have seen me move in your life. You have seen my hand in your life, but there has remained what you may not have realised until this moment now as I am sharing with you, there has remained in your life a thorn in your flesh. It is I the Lord your God that have put this thorn in your flesh, because of my unfailing love for you, because through everything that I have brought you through during the last two years, through all the trials, through all the tribulations, through the suffering, through the pain, through the tears, through the storms, the one particular

battle that has remained, that hasn't gone away in your life, the one thing that can so easily steal your joy, the one thing that can steal your peace, the one thing that you have been so desperate to see change in your life, you have been so desperate to receive the breakthrough, for your prayer to be answered, this one thing in particular, which I am providing you with clarity and revelation on right now as I speak to you, as I am pouring my spirit into you now, I am revealing to you this one thing, which is the thorn in your flesh, and my beloved, it is there because I love you, it is there to remind you, my beloved, that you are nothing without me, that it is my breath in your lungs.

The thorn in your flesh is to ensure that you don't in any way become prideful. I am calling you every morning as you are awake, I am calling you to surrender to me, to die to your flesh, to seek my kingdom and my righteousness first, and all else will be given unto you.

My beloved, my way is perfect. Through your daily surrender to me, through your daily desire to follow my will throughout the day and not your will, through your complete and total dependence on me, my promise to you now is that you will be experiencing my presence in your life, my hand in your life, signs and wonders in your life, more and more and more. Because of the thorn in your flesh, I am going to be keeping you truly, truly humble and through your humility, through your desire to draw closer and closer to me, to come more and more into an intimate, personal daily relationship with me the Lord your God, your life is going to become more and more glorious, more and more wondrous.

I the Lord your God, I'm going to be leaving you my beloved in awe and wonder. Truly, I say to you now, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

I am the author and the finisher of your faith. You are anointed my beloved. You are fearfully and wonderfully made in my image. You are the apple of my eye, and my beloved, may you never ever again lose sight of this truth - YOU ARE MY MASTERPIECE, says I the Lord of Heaven Armies.

I Have Only Just Begun My Worldwide Reformation & Revival, Says The Lord

My beloved, this is the Lord your God. I have called you by name. You are chosen and not forsaken. You are the apple of my eye. You are my masterpiece. Before I created the heavens and the earth, every day of your life was written in my book, every moment including this moment right now, as you receive my words to you, every moment of your entire life was laid out before a single day had passed. I formed you, I created you, I knitted you together in utter seclusion. I saw you, my beloved, before you were born. I brought you forth on the day you were born. I have numbered every hair on your head, and my beloved, may you never, ever, ever again feel insignificant, feel unloved, feel concerned, feel worried, because I the Lord your God I love you with my unfailing love. My Agape love for you is beyond what you are able to comprehend. My thoughts for you outnumber the grains of sand.

As you are receiving my words now I am pouring into my Spirit, because my Spirit is a spirit of truth. My Spirit leads you and guides you into ALL TRUTH.

You are no longer a slave to your sin nature. As I am speaking into your life, I am completely removing the scales from your eyes, I am revealing to you what I the Lord of Heaven's Armies, the Alpha and the Omega, the beginning and the end, what I have been doing upon the earth since the early part of 2020.

Here this you leaders of the people. Listen all who live in the land. In all your history, has anything like this happened before? My beloved, tell your children about it in the years to come and let your children tell their children. Pass the story down from generation to generation.

My beloved, for over two years, you haven't been living in and through a worldwide pandemic. You and all my people, men, women and children

alive today, you have been living in and through my worldwide reformation and revival, and I the Lord your God, the King of kings, the Lord of lords, I am only just beginning.

I have only just begun setting the captives free.

I have only just begun awakening my people.

I have only just begun giving my people the eyes to see and ears to hear.

I have only just begun lifting the veil from my people.

I have only just begun removing the scales from my people's eyes.

I have only just begun pouring out my wrath and my judgement upon those people walking the earth that have been doing the things that I detest.

I HAVE ONLY JUST BEGUN THIS REFORMATION AND REVIVAL, SAYS I THE LORD OF HEAVEN'S ARMIES.

As I am pouring into you now my spirit, I am allowing you to gain an understanding and a comprehension of what I the Lord of Heaven's Armies are doing in the spiritual realm. Through the prayers of my people, through their prayers of intercession, through them speaking my word which is sharper than any two edged sword, through my people coming into the truth, that their identity is in me and in me alone, through you, my beloved, coming into the truth that greater is the spirit that is in you than the spirit that is in the world and that you have no fear, because I have not given you a spirit of fear but of power, of love and of a sound mind, through the prayers of my people, people who have been in a relationship with me for years and people who I've only just brought into a relationship with me during the last two years, through their words of prayer, because when they send my word out, my beloved, when you send my word out it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it, and in the spiritual realm for over two years, there is death, devastation, destruction, demolition, and apocalypse in the spirit realm, against the powers and the principalities of darkness. I the Lord of Heaven's Armie, have begun destroying powers, principalities, strong men, schemes and devices of witchcraft are being

destroyed, hexes, vexes, generational curses, ancestral curses in your life and the lives of my people ARE BEING DESTROYED, says I, the Lord of Heaven's Armies.

My beloved with your eyes, you can't see what I am doing in the hearts and minds of every single man, woman and child walking the earth. My people who are living in sin, but don't yet know me, don't yet have a relationship with me, all the way through to the men and women who I have built up who I have raised up who are apart of families that have more financial wealth upon the earth than anyone else, than any other family. Every single penny of their money is my money says I the Lord of Heaven's Armies.

I AM IN CONTROL.

People may plan all kinds of things, but my will is going to be done on earth as it is in heaven, and my beloved, please, understand this...

I the Lord of Heaven's Armies, I laugh, I scoff, at that kings, the rulers, the Rothschild family, at the Rockefeller family, the Freemasons, at the Jesuits, I laugh and I scoff. I have only just begun sending the locusts into the lives of people upon the earth who have been committing evil acts, who had been planning evil acts, who have been complicit in evil acts.

For there are six things that I hate, no seven things that I detest:

haughty eyes;

a lying tongue;

hands that kill the innocent;

a heart that plots evil;

feet that race to do wrong;

a false witness who pours out lies;

a person who sows discord in a family.

My beloved, I have seen everything that you have ever done. I know every thought that you have ever had, and rest assured my beloved, I know all hearts and minds. I have seen everything that every man, woman and

child has ever done. I have seen the good, I have seen the bad, I have seen the truly evil.

Vengeance is mine, says I the Lord of Heaven's Armies.

I the Lord of Heaven's Armies, I AM ALWAYS WORKING. Even when you may not have felt it, I am working. Even when you may have not seen it, I am working, and one of the most life-changing things that I am doing in the lives of people who are living in sin, who are living self-centredly, who are denying me, including the men and women who have been attending churches yet they haven't surrendered their life to me, they haven't been willing to become an enemy in the world, they haven't been willing to pick up their cross to follow me - to everyone walking the earth, in my perfect time, what I have already begun doing is giving people nightmares.

Horrific nightmares, where I am showing people hell, I am showing people that they are on the wide path of sin that leads to eternal damnation, and in these encounters, in these nightmares, I the Lord your God, I am giving them the one way out, and that is for them to repent of their sins, to turn to me, to receive me into their life as our Lord and Saviour, and for those men and women who have been planning and plotting evil, for those men and women who have a love of money which is a root of all evil, I have begun in these nightmare experiences revealing to them that unless they publicly repent, unless they denounce what they have been a part of, unless they become my glory carriers, unless they become like the apostle Paul, who I transformed on the road to Damascus, unless they do this, they are heading for total and utter destruction, them and their family, says I the Lord of Heaven's Armies. There is nowhere to run, there is nowhere to hide, says I the Lord of Heaven's Armies.

My beloved, everything that has been taking place over the last two years is a part of my divine plan. For all my people upon the earth, I am exposing and destroying the deceptions that have come through a lifetime of indoctrination. Everything that has ever taken place I have allowed, and one of the most significant, one of the most important and one of the most integral things that I the Lord your God have been doing over the last two years, I HAVE BEEN REVEALING AND EXPOSING OF MEN'S HEARTS.

THE DEPRAVITY OF MY PEOPLE WHEN THEY LIVE IN SIN, WHEN THEY LIVE SELF-CENTERDLY, THEN THEY LIVE WITH PRIDE, WHEN THEY LIVE WITH LUST, WHEN THEY LIVE WITH ENVY, WHEN THEY DENY ME, WHEN THEY LIVE SELF-CENTERDLY.

I have been showing my people, I have been showing you, the utter, utter evil that can be perpetrated by man.

I have been drawing my people to me.

I am the light of the world.

I am the resurrection and the life.

I have been blowing the trumpet more and more and more as I have been opening the heavens and I have been coming down to rescue my people from all their enemies, as I have been going down into the deep waters to rescue my people.

I have been lifting my people out of the miry clay, and putting them on me the rock of all ages, and you, my beloved, I have called you by name to be my glory carrier. As I am pouring into you have again more and more of my Spirit, as you are surrendering everything in your life to me, as you are comprehending that you are nothing without me the Lord your God, that it is in my breath in your lungs, you get your strength from me, I am your hope, you get your peace from me, I am the mighty warrior that saves.

My hand is mighty upon you, and my beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, yes you, because you love me.

My beloved, I am drawing you into a deeper, a more personal and more intimate relationship with me. I am going to be giving you revelation after revelation after revelation, as you read my Word and as you hear my Word. I have completely removed the scales from your eyes. You are going to be weeping, yes my beloved, you are going to be weeping, but your tears are going to be tears of joy. You are going to be sowing with tears but reaping with songs of joy, says I the Lord of Heaven's Armies.

You are my masterpiece. You are the apple of my eye, and my beloved, the earth that I created for you and my people to live on, is stationary. It will not be moved.

Remember my beloved, every day of the lives of everyone walking the earth is written in my book. Every single moment of every person's life, whatever they are doing right now, whatever they think, whatever they feel, whatever they believe, EVERYTHING was laid out before a single day had passed.

I, AM, IN, CONTROL.

Everything is working for My glory. I the Lord your God work in ALL THINGS for good for those that love me and those that live according to my purpose for them.

I am revealing to my people, I am revealing to you now by beloved, that THE MOST IMPORTANT THING FOR YOU IN YOUR LIFE EACH AND EVERY DAY IS FOR YOU TO BE IN A PERSONAL, INTIMATE RELATIONSHIP WITH ME, THE LORD YOUR GOD.

For you to ask me to fill you with my spirit every day, because my spirit is the spirit of truth, and I will lead you and I WILL GUIDE YOU INTO ALL TRUTH.

My beloved, don't attach yourself to any one particular man or woman who is speaking my word, who is sharing messages.

PUT ALL YOUR COMPLETE TRUST IN ME, THE LORD OF HEAVEN'S ARMIES.

When I send my word out, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it.

From receiving my words and my message to you now, your life will never be the same. You are going to begin experiencing life in such a profound way, because of my presence, because of my spirit being upon you, because you will hear my voice clearly, and you will follow my leading, because my way is perfect. You are going to be seeing my hand in all different areas of your life. I am going to be showing you signs and I will be speaking to you after showing you a sign to say that is from me. See

what I am doing in your life. I am working in all things in your life, my beloved, because you love me and because you live according to my purpose for you.

Remember, my beloved, I am in control, of your life and the lives of every man, woman and child walking the earth, and I am the King of glory, and my will be done on earth as it is in Heaven, says I the Lord of Heavens Armies.

Don't Wait For More Miracles, Testify and Glorify Me NOW, Says The Lord

My beloved Sons and Daughters, you are a miracle. Your life is a miracle. How and when I saved you by my grace, how I removed the scales from your eyes, is a miracle.

I am calling you now to testify of how I saved you.

My beloved, don't wait for the next breakthrough to come in your life.

Don't wait until the greatest thing that is on your heart right now has come to pass.

My call to you know, my beloved, is to talk about me and to talk about my goodness, to talk about my deeds, to glorify me, to speak about what I have already done in your life, I am calling you now to talk about me more than you ever have done before, and to speak about me publicly.

My beloved, don't keep waiting. Your life is a testimony. My grace and my mercy and my unfailing love for you, that has always been upon you, upon your life, is a miracle testimony. How I have always been with you through every trial and tribulation and dark valley that you have ever been through is a miracle testimony. I am calling you to no longer wait until breakthroughs have come in your life. I am calling you to talk about my miracle-working powers, to talk about my grace, to talk about my goodness, to talk about how I rescued you from all your enemies, and also I am calling you to share your faith in me, to share that you are walking by faith, not by sight.

I am calling you to share with others and to share publicly of things that haven't yet come to pass, because this will be you showing me and showing people in your life that your faith is pure, that your faith is in me and in me alone, and that you are willing to step off the boat in faith you

are willing to talk about and declare and decree that I am the Lord your God, that your faith is in me and in me alone.

The more that you talk about me, the less you talk about yourself. The more that you glorify me in what I have already done, you will see me move in your life unlike you have ever experienced before. I am giving you now the key to open doors in your life that no man can shut. I am calling you to glorify me and to talk about me in spite of how you are currently waiting for my promises, for you in your life to come to pass. You are currently waiting for breakthrough, you are currently waiting for your prayers to be answered, but in the waiting, no longer be silent. In the waiting, no longer keep your faith that is in me to yourself.

My beloved, you are the apple of my eye. You are my masterpiece. Every day of your life is written in my book every single moment was laid out before a single day had passed. I am for you, not against you. I am pouring into you now my spirit. More and more and more of my spirit. I am pouring into you more wisdom, wisdom unlike you have ever had before so that my Word comes alive for you unlike you have experienced in your life so far.

I am calling you to surrender completely everything in your life to me, to truly open your heart and to let go of all inhibitions, to come into a deeper and deeper and more personal intimate relationship with me, because the more you surrender to me, the more that you are willing to let all your inhibitions go, the more I will be filling you with my spirit and the more you will want to talk about me, to speak about my goodness, the more that you will want to speak about the things in your life that haven't yet come to pass, because you will be declaring that you are walking by faith, not by sight, and that you know things are going to change, you know that the healing is going to come, you know that the breakthrough is going to come, and through you publicly declaring your faith in me, with you publicly declaring that you are walking by faith, that things in your life haven't yet come to pass, but yes, you are a walking miracle, you are a walking, living talking miracle.

Speak about me.

Glorify me.

Share how I have been moving in your life.

Share more and more of me, and the more that you speak of me, the more I will pour into you revelation, the more that you will experience my hand in your life, the more that I will be giving you the eyes to see in the ears to hear that I work in all things in your life for good, because you love me and because you live according to my purpose for you.

Glorify me. Talk about me publicly.

I am breaking off you now the spirit of timidity.

I am breaking off you now the spirit of apprehension.

I am breaking off you know the spirit of fear that has held you back from speaking about me for fear of being bullied, for fear of being mocked, for fear of being prosecuted.

My hand is mighty upon you, and I am releasing an anointing over you now, to destroy the things that have held you back, the things that have been in place that have kept you in your comfort zone.

Walking with me is walking outside of your comfort zone.

Truly walking with me is you getting off the boat, stepping off the boat in faith and keeping your eyes fixed firmly on me each day.

I am the author and the finisher of your faith.

My hand is mighty upon your life. You can do all things through me the Lord your God who gives you strength.

You have no fear, because I the Lord your God has not given you a spirit of fear but of power, of love and of a sound mind. My perfect love expels all fear.

I the Lord your God have only just gotten started moving in your life but my call to you now is to break out of living, waiting. Breakout from holding back from glorifying me until you have a breakthrough in your life, until my promises to you come to pass, because all my promises to you are yes and amen, in my perfect time, but now, I am calling you to

glorify me, to publicly glorify me with what I have already done in your life, and then I will be giving you more and more and more experiences, breakthroughs, miracles, answers to prayers, reconciliation of broken relationships, I will be giving you more and more and more for you to glorify me, and there is going to be an avalanche of my glory coming into your life, says I the King of glory.

You Are No Victim, You Are My Masterpiece, Says The Lord

My beloved Sons and Daughters, this is the Lord your God. You are no victim. You are my masterpiece. I have called you by name. You are chosen and not forsaken. You are the apple of my eye. Before I created the heavens and the earth, I planned out every single day of your life. Every day of your life is written in my book. Every single moment, including this moment of you receiving my words now, was laid out before a single day had passed.

My beloved, you have experienced pain, turmoil, suffering and you have experienced evil acts during your life. You have been broken. You have been crushed. You have been beaten down. You have been to places where you have felt completely and utterly hopeless, totally helpless. You have been broken-hearted. Your spirit has been crushed. Some of the things that you have experienced, millions of other people would not have survived. But you are here today, living, breathing and receiving my message to you, because YOU ARE MY MASTERPIECE. You are fearfully and wonderfully made in my image. You are a walking miracle. My grace and my mercy and my unfailing love has always been upon your life. I have been with you every single moment of your entire life. It is me the Lord your God that brought you back from the brink of doing the unthinkable. It is I the Lord your God that has given you the strength to keep going, the strength to keep moving forward, the strength to face another day, because you can do all things through me the Lord your God who gives you strength.

I have allowed you to hit rock bottom, for you to realise that I am the rock at the bottom. I am the rock of all ages. I am the mighty warrior that saves. I formed you and I created you and I knitted you together in utter seclusion. I saw you before you were born. I brought you forth on the day you were born, and my beloved, I have numbered every hair on your head. My thoughts for you outnumber the grains of sand. My love for you is

beyond anything that you can comprehend. My love for you is beyond anything that you could ever experience from another human. My love for you is unending. I have always loved you and I will always love you, and in your faithlessness, I the Lord your God have always been faithful because I cannot deny who I am. I am your Lord and your saviour. I am the good shepherd, and during your life, without you realising it, I was standing at the door and I was knocking, and I was waiting for you to open the door. And now as you are receiving my words, as my Spirit is upon you, as I am pouring into you more and more of my spirit, as you are being filled with my spirit, as you are now able to receive my words to you, you are now opening the door because I have chosen you and I have called you.

You are saved by my grace. You are receiving my words right now, not by chance, not by coincidence, but because I planned for this moment before I created the heavens and the earth. Your help comes from me. I am the Alpha and the Omega, the beginning and the end, the first and the last.

I am the author and the finisher of your faith. I have you in the palm of my hand. I have seen everything that you have ever been through. I have seen every tear that you have ever shed, and I have caught every one of your tears in my bottle. And my beloved I want you to know that because you have sown with tears, you are going to reap with songs of joy. I am now opening your heart to receive me, to receive my unending love, to receive my peace which surpasses all understanding and that guards your heart and your mind in me, the Lord your God.

You will no longer feel like you are a victim because you are not a victim. You are my masterpiece. You will no longer be fearful because I the Lord your God have not given you a spirit of fear, but of power, of love and of a sound mind. My perfect love expels of fear. My plans for your life, my beloved, are plans for good and not for disaster to give you a future and a hope. As you surrender everything in your life to me, as you comprehend that you have your entire being because of me the Lord your God, it is my breath in your lungs, it is through my grace, through my mercy and my unending love that you are here today to receive my message. So as you surrender everything to me, knowing that the battles that come into your life, those battles belong to me the Lord your God. **YOU DO NOT FIGHT**

FLESH AND BLOOD ENEMIES. You have been fighting against powers and principalities from the kingdom of darkness, in the heavenly realms and on earth, but the weapons that you fight with, where you are only now beginning to realise this, the weapons that you fight with are not of the world, they are not carnal, on the contrary, they have divine power to break down strongholds.

My beloved, your identity is not in your past. Your identity is not in the things that you have experienced. Your identity isn't in the pains, the trauma and the suffering from your life that you have experienced, that you have walked through, that you have come through because I the Lord your God, I have anointed you. My hand is mighty upon your life and your identity, my beloved, is in me, Christ Jesus, the Lord your God. Your identity is in me. I have lifted you out of the miry clay. I have put your feet on me, the rock of all ages. I reached down into the deep waters to rescue you from all your enemies, and as I am sharing my word to you now, I am giving you life-changing revelation that your identity is in me, that I the Lord your God, I am your Redeemer, I am your restorer, I am your healer, I am your strength, I am your joy and I am your peace. I am the prince of peace and the peace that I give you is a gift the world cannot give you. Do not be afraid or discouraged. Trust in me. Put your faith in me and me alone. I am for you and not against you. You are chosen and not forsaken. My way is perfect, and all my promises prove true to all my chosen people, and you are chosen by me and you will not be touched, says I the Lord of Heaven's Armies.

My beloved, you are going to be weeping more than you have weeped before, but your tears, your weeping will be weeping tears of joy, as you begin to understand and to comprehend how much I love you, as you begin to understand that I am for you, not against you, as you begin to comprehend that you are the apple of my eye, that you are my masterpiece, that I am for you and not against you that my plans for your life and your family are plans for good and not for disaster to give you a future under hope Yes, you will be weeping tears of joy. Your tears will be not tears of suffering. Your tears will be not tears thinking and feeling that you are a victim, because you are not a victim, you are my masterpiece,

and my beloved, your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

You, my beloved are going to be worshipping me in spirit and in truth. My word is going to be coming alive for you for the first time in your life. I am pouring into you now rivers of living waters. I am cleansing you. I am purifying you. I am giving you a heart of flesh from a heart of stone. I am giving you a pure heart and clean hands. Through my surrender of my life on the cross for you, through me shedding my blood on the cross for you, you are forgiven. All your sins are forgiven, and as you follow me, as you serve me, as you worship me in spirit and in truth, as you die to yourself each day, as you seek my Kingdom and my righteousness first, each day, all else will be given unto you. You are going to be walking by faith, not by sight. Your faith comes by hearing and hearing by my word, and my beloved, you do not live by bread alone, but by every word that comes from my mouth. You will find yourself lifting your arms to the air. You will be on your knees praying, praising, worshipping, as I am giving you revelation after revelation, as I'm pouring into my unfailing love, as you are feeling right now, as I share my words to you, as you are experiencing the chains breaking, yes, the chains to your past are breaking now, says I the Lord of Heaven's Armies. I am the chain breaker. Every chain breaks in my name, because I the Lord your God, I have been given the name above ALL names, and now, through the destroyer anointing that I am releasing over your life, I am destroying what have been powers, principalities, strongmen, schemes and devices of witchcraft, of evil, of divination, hexes and vexes, I am destroying every single thing that has been holding you captive in the spirit realm. I am destroying everything, says I, the Lord of Heaven's Armies.

Your identity is in me and in me alone. You are no longer a slave to your sin nature. You are no longer cursed due to generational sins and iniquities. I have broken everything off you, says I the Lord of Heaven's Armies.

Cry out to me, ask me to speak to you, ask me for wisdom, ask me for guidance, ask me for strength, ask me to pour into you my spirit every day.

I will be drawing you closer and closer to me every day, you will be coming into a more deeper and a more intimate relationship with me the Lord your God. From you receiving my words now, your life is never going to be the same again.

My way is perfect. All my promises to you are going to prove to be true. I am a man of my word.

You are not a victim. You, my Beloved who I am have called by name, you are my masterpiece, says I the Lord of Heaven's Armies.

Be Content & Not Disappointed In ALL Your Circumstances, Says The Lord

My beloved, you are my masterpiece. I have called you by name. You are chosen and not forsaken. You are the apple of my eye. I am for you and not against you. My plans for your life are plans for good and not for disaster, to give you a future and a hope.

Please, my beloved, no longer be disappointed with anything that you experience in your life. Remember, every day of your life is written in my book, every single moment was laid out before a single day had passed.

Once you know that your identity is in me and in me alone, once you are completely surrendered to me, you have EVERYTHING that you need.

Every good gift and every perfect gift that has ever come into your life and that will ever come into your life is from my hand.

As I have called you by name, you have everything that you need.

As you seek My Kingdom and My righteousness first, everything else will be given unto you.

It is I the Lord your God that sent the locusts into your life and the locusts, the hopping locusts, the swarming locusts, the stripping locust have stripped you down and down and down. The locusts have been stripping away from you your old wineskins, your old habits, your old behaviours, your attachments to your past life experiences, relationships both short term and long term that no longer serve you, since you started following me, since you started hearing my voice.

Yes, the experiences that you've had during the last two years have been painful.

Yes, you have suffered.

Yes, you have shed many, many tears, but through your suffering, through the trials, through the tribulations, through the dark valleys, through the storms, through the fiery furnace that you have been in, and that furnace has been getting hotter and hotter and hotter, it is I the Lord your God that have been in the furnace with you. Just like with Shadrach, Meshach and Abednego, I have been in the furnace with you, and my beloved in spite of what it has felt like, in spite of your life experiences taking you to a place of total brokenness, of feeling consumed, feeling overwhelmed, feeling surrounded on all sides, my beloved, it is I the Lord your God that have always surrounded you and I will always surround you with my mighty hand of protection, with my unfailing love.

My hand is mighty upon you, my beloved. No weapons that have been formed against you during your entire life have ever prospered. Your identity is in me and in me alone and through the fiery furnace that I have sent you through, I have been purifying you seven times over. I have used the locusts to utterly destroy your old wineskins, because I do not pour out my new wine, my new glory into your life. I do not pour out all my goodness and all my promises and all my breakthroughs and all my miracles, signs and wonders, I do not pour these into your life, when you were still living in your old wineskins, because your old self, your old identity, when you were living following the dictates of your sin nature, when you were a slave to your sin nature, when you were battling with your mind on your own, when you were committing sin, when you were living without a relationship with me - YOUR OLD SELF, YOUR OLD IDENTITY, WOULD NEVER, EVER HAVE BEEN ABLE TO COMPREHEND, TO EXPERIENCE AND TO LIVE WITH THE GLORY THAT I THE KING OF GLORY ARE PREPARING TO TO POUR OUT INTO YOUR LIFE.

I have chosen you, my beloved, to be my glory carrier. I have called you by name. Your eyes haven't seen, your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, because you love me.

I am going to be showing you that I TRULY WORK IN ALL THINGS IN YOUR LIFE. Everything that you have ever experienced. I work in all

things for your good because you love me and because you live according to my purpose for you.

My way is perfect. All my promises to you are yes and amen.

In my perfect time, those things that are on your heart right now, the things that I have placed upon your heart for the salvation of your loved ones, of your family, of the breakthroughs in your life, of the yearning that you have on your heart right now, for how you want to experience life and what you want to be doing, in my perfect time, the things on your heart will come to pass, says I the Lord of Heaven's Armies.

All my promises are yes and amen. My way is perfect, and you are my masterpiece.

My beloved, I am your provider. I meet ALL your needs. It is my breath in your lungs. You came into the world naked from your mother's womb and you will leave the earth naked. Everything that you have is because of me.

My beloved, I am calling you to be truly, truly content exactly where you are right now and exactly where I will take you, every single day moving forward for the rest of your life. Remember, my beloved, every day of your life is written in my book. I laid out every single moment of your entire life before a single day had passed. Please, my beloved. put your faith in me and in me alone, lean not on your own understanding. Be content with whatever circumstances I place you in. Know that even when you don't see it, I am working. Know that even when you don't feel it, I am working. I am the miracle worker and my beloved, with your faith in me and in me alone, with you surrendering your entire life to me, with your heart, truly, truly open to be in an intimate, personal deepening relationship with me, as I am now pouring more of My Spirit into you now, my beloved, **YOU CAN PRAY FOR ANYTHING AND BECAUSE YOU HAVE FAITH, YOU WILL RECEIVE IT.**

My beloved, may you never feel disappointed again. May you live a truly contented life filled with my Spirit, seeking me, being joyful and being glad in all your circumstances, worshipping me in spirit and in truth whether you are on the mountaintops or in the dark valleys, because remember, it is I the Lord your God who are with you every moment of your entire life.

It is I the Lord your God that have brought you through every single trial and tribulation and suffering that you have ever experienced. I have seen every tear that you have ever shed, and I have caught them in my bottle, and my beloved, because you have sown with tears, you are going to reap with songs of joy.

Joy unlike you have ever experienced before is coming into your life.

My peace is my gift to you that the world cannot give you, and my peace surpasses all understanding and it guards your heart and your mind in me, Christ Jesus, the Lord your God. I am the author and the finisher of your faith.

My way is perfect, and my plans for your life and your family are plans for good and not for disaster, to give you a future and a hope, says I the Lord of Heaven's Armies.

My Word Is Describing The Spirit Realm, Not The Physical Realm, Says The Lord

My beloved Sons and Daughters, I have called each of you by name. I am the Lord of Heaven's Armies and through my words to you, I am giving you absolute clarity of how I desire for you to read, interpret and understand my Word.

I am giving you the eyes to see, the ears to hear and the mind to understand that everything that you see in the physical realm is also in the spirit realm. As you read my Word, please my beloved, don't interpret it literally. In my Word when you read in Isaiah that your country lies in ruins, that your towns are burned, that foreigners plunder your fields before your eyes and destroy everything they see, this is ALL in the spirit realm. The devastation, the battles, the wars, the murder, the blood, the locusts, the mountains shaking, all of these things are in the spirit realm.

You were once in darkness, both in the spirit realm and in your physical experience of life. The spiritual landscape on which you walked, the things which you saw with your eyes as you walked upon the earth, in your spirit, you were in total and utter darkness - but I am the light of the world. I called you by name to be my servant. I lifted you out of the miry clay. I lifted you out of the darkness you once were in and I brought you into my light. I gave you the eyes to see and the ears to hear. When I rescued you from the deep waters, when I brought you out of darkness, when I rescued you from all your enemies, your spirit went from being in total darkness to being filled with my Spirit.

What was a dark, desolate, hostile environment in your spirit, in the spirit realm in which you were living and walking without you realising it, what was once darkness and desolation and decimation has been transformed. Lush green pastures, blossoming flowers, vineyards overflowing, storehouses of barn overflowing in the spirit realm. You have gone from

darkness to light. You have gone from desolation to abundance, says I the Lord of Heaven's Armies.

When you read my Word and I talk about famines, these famines are describing the famines in the spirit realm, where my people aren't receiving food and water from me and from my Word, so they are starving. My people have been starving. Yes, there have been famines upon the earth, because my people, my precious people, men, women and children have been starving of my Word, of my living word. My people do not live by bread alone, but by every word that comes from my mouth, and yes, when you read about plagues, yes there has been plagues in the spiritual realm.

Sin has plagued my people.

Pride has plagued my people.

Lust has plagued my people.

A love of money has plagued my people.

But it is I that send the locusts out into the lives of my people who are living in darkness, who are living in sin, who are living self-centredly, who are living with a love of money which is the root of all evil, it is I the Lord your God that sent the locusts into your life, because in the spirit realm in your spirit, I had to destroy and strip away everything that was apart of your old wineskins. Your old identity, your old thoughts feelings, emotions from the life that you were living, it is I the Lord your God that sent the locusts into your life to strip away and strip away and strip away in the spirit realm, within you, within your spirit, everything that has been unclean, but now I, who chose you and called you by name, I have been giving you a pure heart and clean hands, says I the Lord of Heaven's Armies. You are the apple of my eye. You are my masterpiece. My plans for your life are plans for good and not for disaster to give you and your family a future and a hope.

I formed you. I created you. I knitted you together in utter seclusion. I brought you forth on the day you were born. I have numbered every hair on your head and my thoughts for you outnumber the grains of sand. I

created the Heavens and the earth, and your help comes from me. Every day of your life is written in my book. Every moment was laid out before a single day had passed, and now as you receive my words, I am pouring into you more and more and more of my spirit. I am giving you greater wisdom than you have ever had before. I am giving you fine-tuned discernment so you can discern truth from lies unlike you have ever done before.

You are fearfully and wonderfully made in my image. I have now completely removed the scales from your eyes, so that as you read my Word, as you hear my Word, you will be gaining revelation after revelation after revelation, because you now know truly, fully, deeply, that what you read in my Word I am describing what is taking place in the spirit realm. You will no longer live with ANY fear. I have not given you a spirit of fear, but of power of love and of a sound mind. I have put my spirit into you and the spirit that is in you is greater than the spirit that is in the world. My perfect love expels all fear.

Many, many false prophets have gone out. There are many false prophets speaking about things that have not come from me. There are false prophets speaking fear, doom and apocalypse in the physical realm when in fact, the apocalypse has begun taking place in the spirit realm, and I am the Lord of Heaven's Armies, and you my beloved Sons and Daughters are apart of my army. The weapons that you fight with are not of the world they are not carnal, on the contrary, they have divine power to break down strongholds. I have given you ALL authority in the spirit realm to trample upon lions and cobras and to crush fierce lions and serpents under your feet.

As you are receiving my words now, I am releasing an anointing of authority upon your life. Authority in the spirit realm unlike you have ever had before. You my beloved Sons and Daughters are going to be doing mighty mighty mighty work for my Kingdom, through your words, because I have put my fire upon your tongue. When you speak my word, when you declare and decree my Word in your prayers, bolts of lightning and flames of fire are going to be coming from your mouth into the powers and principalities of darkness. Strongmen that have been in place

in your life, in your family, in your town, in your areas, in your friends lives, ARE GOING TO BE DESTROYED through you speaking my Word with power, with authority and with your faith in me and in me alone. The kingdom of darkness is not going to know what is going to hit it, as you step out, in holy boldness, in a faith unlike you have ever had before, and as you declare and decree my Word, because my Word is sharper than any two-edged sword, and when I send my word out, and when you my beloved Sons and Daughters send my Word out, it does not return to me void, says I the Lord of Heaven's Armies, it accomplishes all that I desire and it prospers everywhere that I send it.

Every moment of every day, I am setting captives free.

Every moment I am lifting the veil.

Every moment I am removing the scales from my people's eyes.

I am giving more and more and more and more men, women and children their very own Damascus Road experience.

More and more people are going from no faith to complete faith in me, the Lord of lords, the King of kings, the King of Glory, the one given that name above ALL names.

I AM the Alpha and the Omega.

I AM the Beginning and the End.

I AM the First and the Last.

I AM the same yesterday, today and forever.

I AM the King of glory.

I AM the true vine.

I AM the good shepherd.

I AM the resurrection and the life, and I AM the light of the world.

My will be done on earth as it is in heaven, and I have chosen you to receive my message now, to receive my words, to be given greater and greater revelation as you read my Word and as you hear my Word.

Be prepared for you to be weeping tears of joy as I move in your life and as you feel my presence more and more because of your surrender to me, because you are going to seek my Kingdom and my Kingdom first and all else will be given on to you, says I the Lord of Heaven's Armies.

My way is perfect.

All my promises proved true. From you receiving my words here, your life is never going to be the same again. You are moving into the most profound life experiences that you have ever had. Your eyes haven't seen, your ears haven't heard and your minds haven't conceived what I the Lord your God have got planned for you because you love me.

It Is Time For You To Let Go Of All Remaining Inhibitions, Says The Lord

My beloved Sons and Daughters, I am calling you to let go of all remaining inhibitions. Inhibitions which have held you back from coming into an intimate relationship with Me. Inhibitions which have been a part of your life, which have been a part of your old self, your old wineskins. I am calling you to worship me in spirit and in truth and and when you are listening to anointed worship music on your own, in private, I am calling you to lift your arms to the air, to allow me to pour into you my spirit, for me to release an anointing upon you that will bring you into tears, and through this anointing , through me filling you with my spirit as you release and let go of all your inhibitions, you will begin to hear from me more clearly than you ever have done before.

You are the apple of my eye. You are my masterpiece. I know everything about you. Every moment of your entire life was laid out before a single day had passed, including this moment right now as you are receiving my words to you.

My call to you, to let go of all inhibitions, to let go of the shackles that have held you back from truly surrendering your entire life to me, inhibitions which have held you back from speaking about me, from talking about my goodness, speaking about how I have moved in your life, how I have carried you through all the darkest valleys of your entire life. But now as you open your heart more and more to me, as you worship me in spirit and in truth unlike you ever have done before, you will see that my presence, my spirit, will be upon you and immersing you unlike you have experienced before. And so I'm preparing you now, I'm preparing you now to be weeping tears of joy as you hear my voice more clearly than ever before.

And my beloved sons and daughters, your eyes haven't seen, your ears haven't heard and your minds haven't conceived what I the Lord your God have got planned for you because you love me.

Remember, greater is the spirit that is in you than the spirit that is in the world. I have called you by name, and you can do all things through me who give you strength. It isn't your will that will be done in your life, it is my will.

Let go of all your inhibitions. Open yourself up to come into a deepening, personal, intimate relationship with me the Lord your God. The more of me in your life, the less of you, and the more of me in your life, the more of my glory you will experience, because I am the King of Glory.

Thank you for receiving my words to you. You are the apple of my eye, says I the Lord of Heavens Armies.

I Am Calling You To Let Go Of All Control Of All Circumstances In Your Life, Says The Lord

My beloved Sons and Daughters, I am calling you to completely surrender everything in your life. I am calling you to let go of all control of all the circumstances of your life, and also to let go of all your family members and all your loved ones whom I haven't yet removed the scales from their eyes.

This is going to be incredibly challenging for you, but through your total surrender, by you completely giving up ALL CONTROL of every single part of your entire life, this will allow me to work and move in your life in ways that will leave you breathless.

Through you giving up all control, you are showing that you trust in me completely. You are showing me that your faith is in me the Lord your God and in me alone. You will be showing me that you are willing to lean not on your own understanding, but instead trust in me and in my way because my way is perfect.

I am giving you the key now for you to unlock doors in your life that no man can shut, and by unlocking these doors, by you giving up all control, you will begin seeing breakthroughs in your life unlike you have experienced before.

Remember, my beloved Sons and Daughters, my ways are higher than your ways and my thoughts are more than anything that you can imagine, just as the heavens are higher than the earth, my ways are higher than your ways.

Even when you don't see it, I am working. Even when you don't feel it, I am working. I want you to know that I am working in the hearts and minds of everyone that you have been praying for. Everyone that you have been interceding for, I am working.

Surrender everything and everyone in your life to me. Let go and let me do what I have planned to do in your life, and in the lives of all your loved ones. All my promises are yes and amen, and you know that the testing of your faith produces perseverance, so let your perseverance grow.

I am perfecting your patience, as you trust in me, as you surrender to me, you are learning more and more, to live with patience, to trust me completely.

Thank you, my beloved Sons and Daughters, for hearing my words to you, for receiving my words and for applying my words to you in your life from this moment forward. Your eyes haven't seen, your ears haven't heard and your minds haven't conceived what I the Lord your God, have got planned for you, because you love me.

Remember, my will be done on earth as it is in heaven, in your life, and in the lives of every single one of your loved ones, who may plan all kinds of things, but my will is going to be done, says I, the Lord of Heavens Armies.

The things that are on your heart right now, as I speak these words, your greatest desires of your heart that haven't yet been fulfilled, that haven't yet come to pass, including those which seem truly impossible. In my perfect time, you will see that all my promises to you are yes and Amen. I will fulfil the words and the promises that I have spoken to you, because when I send my word out, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it.

My beloved, I told you that you would see the breakthrough. Oh, my beloved, I told you I would heal you. My beloved, I told you, you can trust in me.

I Am Fully Healing You From All Your Life Traumas, Says The Lord

My beloved, this is the Lord your God. I have called you by name. I rescued you from all your enemies. Before I created the heavens and the earth, every day of your life was written in my book, every moment was laid out before a single day had passed.

You have been through and experienced trials and tribulations, hurt and turmoil that many, many other people would not have come through, they would not have survived. But you have come through everything that I have allowed you to go through, for this time that you are living in now. I am for you and not against you and my hand has been upon your life through every single moment, through everything that you have experienced, through every dark valley that you have been in. It has been I the Lord your God that has carried you.

I know that one of the most challenging things for you to do is to praise me and to worship me and to thank me and to glorify me in the challenging times, in the dark times, in the valleys. For my Sons and Daughters currently experiencing trials and tribulations, some of you more than you have experienced in your life before, some of you due to an accumulation of your life experiences, you have been living without my joy. You have been living without my peace. You have been living with pains from your past, you have been living with the trauma of the things that you have experienced, things that you have lived through, how people have treated you, the things that have come against you. But my message to you my beloved Sons and Daughters, is that my plans for your life, are plans for good and not for disaster to give you a future and a hope, and I am calling you to embrace that you are where you are in your life right now, because of every single moment of your entire life.

I am calling you to come to this place of knowing that everything that you have ever experienced was always apart of my divine plan for your life. I have allowed you to experience things which most other people walking

the earth have never experienced, but through you coming into a place of being joyful and thankful of the breath in your lungs, of being joyful and thankful that I the Lord your God have carried you through every single moment of your life, no matter how deep, no matter how dark, no matter how many locusts have come into your life and that have stripped you down or that have stripped you bear, no matter how many tears that you have ever shed, I have caught every one of your tears in my bottle, and because you have sown with tears you are going to reap with joy.

My heart for you my beloved Sons and Daughters is that you come more and more into my presence, to see more of your life through my eyes, because you are the apple of my eye, you are my masterpiece, and I have got great plans for your life. I have anointed you. I have made a way where there seems no way. During your life I have closed doors that no man can open and right now I am opening doors in your life that no man can shut. So my beloved Sons and Daughters, I am calling you to let all your inhibitions go, to be willing to praise me and worship me in spirit and in truth in spite of the things that you have experienced.

My beloved, there have been chains that have been still keeping you held back to experiences that you have had in your life. And some of these chains have seemed unbreakable. Some of these chains have seemed so heavy that they will never be broken. But my word to you right now is that I am the chain breaker. I am the way maker. Every chain breaks in my name. I am releasing upon you now my beloved Sons and Daughters, a destroyer anointing. I am destroying what have been the remaining chains that have held you captive, that have stolen your joy because I am now bringing you into a place where you will be experiencing my joy and my peace which surpasses all understanding. You will be experiencing these things each day that you will be glorifying me, testifying of my goodness, of my unfailing love, of my grace, of my mercy, of my miracle saving powers, of how I have saved you and rescued you from all your enemies, because you my beloved Sons and Daughters, you are my chosen people, and no weapons formed against you have ever prospered and no weapons that would be formed against you moving forward will prosper, and every tongue that rises up against you, you will condemn because this is the

heritage of me the Lord your God. You are cleansed by my blood. You are protected by my hand. I have put my spirit in you in the spirit that is in you is greater than the spirit that is in the world.

You are fearfully and wonderfully made. In my image. My beloved let go of the pains of your past. Let go of the things that I have allowed you to go through that have tormented you. The things which have stolen your peace and your joy, no more, says I, the Lord of Heavens Armies.

My beloved Sons and Daughters through you lifting your arms to the air, through you surrendering everything to me, through your pure hearts and your clean hands, you will see me move so mightily in your life, unlike you have ever experienced before. Your eyes haven't seen and your ears haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you, because you love me, because you trust in me, because you know that in spite of every single trial, tribulation, pain, turmoil and grief that you have experienced in your life, I the Lord your God work in all things in your life for good, because you love me and because you live according to my purpose for you.

My way is perfect. I have called you by name to be my glory carrier, and my peace which surpasses all understanding will guard your heart and your mind in me, the Lord your God.

My peace is a gift to you that the world cannot give you, and I am now loosening an anointing of power and authority upon you in the spirit realm unlike you have ever had before. Throughout your entire life, I have made a table for you in the presence of your enemies, but, you are mine. You are no longer a slave to your sin nature. No weapons formed against you will ever prosper. I have called you by name to be my glory carrier, to walk in truth, in victory, with my love, with my peace, with my authority in the spiritual realm.

Remember my beloved Sons and Daughters, greater is a spirit that is in you than the spirit that is in the world. You have no fear because my perfect love expels all fear, and when I send my word out into your life, it does not return to me void, it accomplishes all that I desire and it prospers

everywhere that I'm sending it now., deep into your heart, your mind,
your body and your spirit.

You are my masterpiece, says I the Lord of Heaven's Armies.

I Am Correcting You, Refining You & Purifying You In To My Image, Says The Lord

My beloved Sons and Daughters, I am the Lord your God, and I am the author and the finisher of your faith. I have been correcting you, I have been refining you, I have been purifying you. What you have been experiencing is me using other people to correct you, to reveal things to you, to shine a light on some of the intricacies of when you are living by your flesh and not by My Spirit.

Some of the recent corrections and some of the recent reactions and responses of other people towards you and what you have been saying and doing, may have seemed harsh, but my hand is upon you, I am the potter and you are the clay, and through the tests, through the challenges, through the sudden reactions from other people of when you have done something or said something without intending to cause harm or upset, you will have been seeing that people in your life have been more sensitive to your actions and behaviours, and through their increased sensitivity they have picked up on when you have not followed through on a promise or when you have done something from your flesh and not led by My Spirit. So, although these experiences have seemed harsh, although you have been surprised at how other people have been, although you may have felt like other people have been very fussy and very particular about you, perhaps you have been feeling like you are under the microscope, that they have been putting you under the microscope, when it has been I the Lord your God, that not only have had you under the microscope, but that I, the Lord of Heaven's Armies, I am refining you, I am purifying you, I am cleansing you.

Embrace the things that take place in your life. Know that I the Lord your God, I am for you, not against you. Know that I work in all things in your life, both the big and the small, both the good and the bad, I work in all

things for good because you love me and because you live according to my purpose for you.

I am calling you to not react and respond to the actions and behaviours of others with your feelings and emotions, and instead to know that my hand is in everything in your life, that there is a divine reason why people in your life have been correcting you, have been highlighting to you when perhaps you have slightly missed the mark. It is I the Lord your God, the author and finisher of your faith, that are purifying you through each and every trial. No matter how big, no matter how small, it is I the Lord your God, I am perfecting your endurance. I am cleansing you, I am purifying you, to a place where you know that your identity is in me alone.

I am taking you to a place where you are walking purely by faith and not by sight. I am taking to a place where you know that it is not you that live, but I that live in you. Embrace the purification, embrace the refining, embrace being under the spotlight, because I, the Lord your God, I am purifying you more and more into my image, says I, the Lord of Heaven's Armies.

I Had To Send The Locusts Into Your Life To Destroy Your Old Wineskins, Says The Lord

My beloved Sons and Daughters, this is the Lord your God. I have called you by name. You are chosen and not forsaken. It has been I the Lord your God that have carried you through every moment of your life. It has been I that have allowed you to experience every single thing that you have experienced, because I have got a calling that is upon your life.

I waste nothing. You have experienced things in your life that many other people would not have been able to survive. It has been I the Lord your God that have brought you through everything, I have carried you in my arms. I work in ALL THINGS FOR GOOD for those who love me and those who live according to my purpose for them, and as I am pouring into my spirit, as I am revealing to you that I have plans for your life, and they are plans for good and not for disaster to give you a future and a hope, I am revealing to you now that the pains, the trauma, the trials and the tribulations of your past are going to be used to help more and more people for their future.

I am your healer. Right now I am doing a deep work within you. I am healing you, the entirety of your being, your heart is now a heart of flesh and it is no longer a heart of stone. I am now breaking the iron bars. I am breaking the chains of bondage. I am breaking the chains to your past, for I the Lord of Heaven's Armies has spoken.

Through your surrender to me, through repenting of your sins, it is I the Lord your God that have set you apart. Your identity is in me and in me alone. You are fearfully and wonderfully made in my image. I am the mighty warrior that saves. I have gone before you. I will never leave you nor forsake you. I am the one that opens doors that no man can shut. I am the one who shuts doors that no man can open. It has been I the Lord your God that has been in the furnace with you. As you have been going through the greatest trials and tribulations and pressings and crushings of

your entire life, like Shadrach, Meshach and Abednego, you have not been burnt up because I the Lord your God have only allowed you to go through what I knew you would get through.

The testing of your faith produces perseverance, and you have had your faith tested, but now as I am revealing more to you of what I am doing in your life, the painful process and experience that you have been through in your life, where it has been I that has sent the locusts into your life because the locusts have been destroying your old wineskins. Everything connected to your past, your life experiences, the pains, the feelings, the emotions, the negative thoughts, the traumas of your past, all of those are part of your old wineskins and the locusts have been destroying your old wineskins, because I do not pour out my new wine into old wineskins. I do not bring you my glory, my provisions, my miracles, signs and wonders into your old self because your old self would not have been able to cope with everything that I have planned to do in your life. Instead the locusts have had to destroy your old wineskins.

I have had to bring you to this place of submission, of surrender, the place where now as I have been creating in you your new wineskins, I am now preparing to pour into you my new wine.

Provision unlike you have seen before.

Breakthrough online you have seen before.

Healing online you have seen before.

Miracles, signs and wonders online you have seen before.

My hand is mighty upon your life. I have anointed your head with oil. I am pouring into you now my spirit. More wisdom than you have ever experienced before, and from this moment, as you read my words, I will be giving you deep revelations. My word is going to be coming alive unlike you have ever experienced before. As you are filled with my spirit, as you hear and listen to worship music, you will be worshipping me in spirit and in truth and I will be leading you into floods of tears, because these are tears of breakthrough, these are tears of healing, these are tears of deliverance, these are tears of joy, these are tears knowing that I have

plans for your life and those plans are plans for good and not for disaster to give you a future and a hope.

Your faith comes by hearing and hearing by my word. Your faith is going to be in me and in me alone. I am the bread of life and so I'm calling you to come to me, to come to the well, to receive my living waters so my living waters will flow from your belly, that you will be my glory carrier, filled with my spirit. It is not you that live, but I that live in you.

I have set you apart. You are chosen. I have set you apart in your entire family, and you have been through pain, trauma, trials, tribulations. But I the Lord of Heaven's Armies I come to cause division, because I have to separate out the wheat from the shaft, the sheep from the goats. I have to do it. I have to separate out those that are living in fear, and those are living in faith. I have to separate those who are still bound by the god of the world and those who are set apart by me, filled with my spirit, saved by my grace, and you have been set apart, filled with my spirit, saved by my grace.

My grace and my mercy has always been upon your life and now you are experiencing more than ever before my unfailing Agape love. I am pouring into you now my love, my peace which surpasses all understanding which guards your heart and your mind in Christ Jesus, me, the Lord your God.

My spirit upon you is going to be leading and guiding you more precisely than ever before. You will see that my spirit is guiding you and leading you into my Word, into precisely the words that you need to read so that I can reveal more and more to you of the calling upon your life and what I am doing in your life and what I am doing across the earth. You are now going to begin seeing truly that my hand is in everything, that I work in all things.

You will never again feel helpless or hopeless or fearful. I have not given you a spirit of fear, but of power, of love and of a sound mind, and my perfect love for you expels all fear.

I have chosen you to be my faithful servant, to be my hands and feet. To walk by faith and not by sight, and as I open doors that no man can shut, as you begin to walk through those doors, I will be bringing you into a

place of awe and wonder. Your breakthroughs are coming. Miracle breakthroughs are coming in your life. Miracle healings are going to be manifesting in your life and the lives of your family members. You are going to be praying and interceding unlike ever before.

I have given you all authority to trample upon lions and cobras, to crush fierce lions and serpents under your feet. You have all the authority in the spirit realm, through your faith in me and through my blood that I shed on the cross for you for your sins and for the sins of the world. Death is defeated. You are no longer a slave to your sin nature, you are a child of God. You are mine, says I, the Lord of Heaven's Armies, and your eyes haven't seen your ears, haven't heard and your mind hasn't conceived what I the Lord your God have got planned for you because you love me.

Trust in me and you will see that I will bring to pass the desires of your heart, because I the Lord your God have placed those desires in your heart. Trust in me, trust in my Word, trust in my plans for your life, trust in my way because my way is perfect. And be patient, as you wait for me to move and as you trust in my perfect timing, says I the Lord of Heaven's Armies.

The Division You Have Experienced Is Part of The Destruction of The Indoctrination, Says The Lord

The division in your life that you have experienced has been necessary, because I am doing a deep work within you, within all your loved ones, within all those people there have been in your life over the previous years.

It has been my division, because I have been separating out those who I have brought into the truth and those who aren't yet in the truth. The division that you have experienced has been absolutely essential. I know it has been heartbreaking. I know it has been challenging. I know it has been almost too incomprehensible to see the division, to see how people in your life, people that you love, to see how they have turned against you, to see how much disharmony has been generated during the last two years, but I am calling you to trust me.

Trust me because of the deep hidden work that I am doing. The work is so deep because of the depth of lies and deception that all my people have been subjected to. The deep work that I am doing is destroying falsehoods, destroying previous words of deception, destroying the indoctrination. Yes, I the Lord your God, I am destroying the indoctrination that has been upon my people, that I have allowed, and through the deep destruction of the indoctrination, I am taking more and more of my people into deeper and deeper darkness, because it is only then that my light, that my truth is going to shine so brightly in their life that they will come running to me.

So my precious, beloved Sons and Daughters, I am calling you now to trust in me and trust in my ways and trust in the work that I am doing that you cannot see in the hearts and minds of your loved ones. I am calling you to trust in me, to lean not on your own understanding. I have heard all your prayers. I know your heart's desires because it is I the Lord your God that has placed those desires upon your heart.

The division that you have experienced is part of the destruction of the indoctrination.

The disharmony that you have experienced is a part of the destruction of the indoctrination.

The devastation that you have experienced personally in your life is all part of the destruction of the indoctrination that I have been doing in your heart and mind and in the hearts and minds of those people closest to you.

Remember, my children, my ways are higher than your ways and my thoughts are higher than your thoughts, just as the heavens are higher than the earth.

I am the one that has sent all the locusts into your life and it is I the Lord your God that are sending the locusts into your loved ones' lives, because I am destroying the works of darkness. I am destroying the deceptions. I am destroying the lies. I am destroying the indoctrination.

Now is this season where everything that has been done in dark is being brought to light, and it is my light because I am the light of the world. It is my light that is shining into all the darkness. I am ripping all the layers of indoctrination off. I am stripping my people down to the bone. I am taking my people, my chosen people, you and your family members that you are praying and interceding for, I am taking them down to a place where they cry out to Me. Where they cry out for truth and I am the Way, the Truth and the Life.

Embrace the division, embrace the destruction, embrace the devastation that I have had to bring into your life because I am destroying the years and years and years and years of indoctrination.

The more that you seek me, the more that I will reveal to you what I am doing in the hearts and minds of your loved ones. The more that you seek me, the more that my spirit will be upon you and the more revelations you will get, because you will be seeing my hand in the lives of your loved ones more and more and more. Remember my children, I am doing a deep, deep work in the hearts and minds of your loved ones, and I have been doing a deep, deep work within you. I am the mighty warrior that saves. I

am the author and the finisher of your faith and the faith of all your loved ones, and my plans for your life, my plans for your loved ones, are plans for good and not for disaster to give you a future and a hope.

I am calling you to trust in me and in me alone. I am calling you to trust in the process. Trust me in the devastation that has been in your life.

Trust me in what has seemed like greater and greater darkness in your life and in your circumstances, because I the Lord your God, have always carried you through your dark valleys and I will always carry you through the dark valleys. Through everything that you have been going through, I have been refining you by fire. I have been destroying your old wineskins and creating in you new wineskins ready for me the Lord your God to pour into you my new wine.

New assignment.

New chapters in your life.

New breakthroughs.

New answers to prayers.

New provisions.

New glory.

New revelations.

New deeper love and new profound glory, for I am the King of glory.

When I send my Word out, it does not return to me void, it accomplishes all that I desire and it prospers everywhere that I send it.

My will be done, on earth as it is in heaven, for I the Lord of Heaven's Armies have spoken.

I Meet You Wherever You Are. I Have Always Loved You And I Will Always Love You, Says The Lord

My beloved, you haven't yet accepted me into your life as your Lord and Saviour, but I am patient and I love you, and I have always been faithful to you, and I will always be faithful.

I know the reasons why you haven't turned to me. I know every one of your life experiences, of your pains, of your emotions, which has led you to a place of not believing in me, not seeking me. I the Lord your God meet you wherever you are. Some of you are in a place in your life where things are good. You have a stable job. You have a stable income. You have your home, you have your family, and often during your life, you have thought to yourself that you don't need me in your life if I am real.

I meet you wherever you are. I meet you and your family wherever you all are. You may not be brokenhearted and crushed in spirit, and my desire for you is that you don't need to get to that place to turn to Me, the Lord your God, and to receive me into your life as your Lord and Saviour.

I love you with my unfailing love. I know everything about you. I formed you, I created you, I knitted you together in utter seclusion in your mother's womb. I have numbered every hair on your head. My thoughts for you, my beloved, outnumber the grains of sand on the seashore. I will never stop loving you. I know what you are going to say even before you say it.

I have been with you through every moment of your entire life. In the most challenging, darkest periods of your life, in your periods of grief through the loss of a loved one, it has been by the Lord your God that have carried you in my arms. It is I the Lord your God that has given you the strength to come through the battles, the trials and the tribulations of your life.

I the Lord your God have been misrepresented in the world. There has been so many lies, so much deception, so much corruption and my church too hasn't been representing me truthfully. My beloved, it is right for you to not want anything to do with religion. Man-made religion causes division. Man-made religion can lead to the devastation of human life. I am calling you, my beloved, into a personal relationship with me the Lord your God. You have always been in the palm of my hand and you will always be in the palm of my hand. I will never stop loving you. I cannot deny who I am, and throughout your life, my mercy and my grace has been upon you. It is I the Lord your God that has ensured that you have come through the trials and tribulations you have come through, to bring you to this moment right now, hearing my words to you.

My beloved children, I stand at the door and knock, and if you open the door I will come in and we will sit down and have a meal together. I am the author and the finisher of your faith. I have called you by name. You are chosen and not forsaken. Before I created the heavens and the earth I planned for you to be receiving my words now. I am now lifting the veil. The scales are now falling from your eyes.

There is nothing to fear because my perfect love expels all fear. You aren't going into the unknown, you are coming into relationship with me, the Lord your God. You are so precious in my eyes. You are fearfully and wonderfully made in My image. You are My masterpiece, you and your family.

Come home, come running home. I am the Prince of Peace.

Even though your life hasn't been as challenging as other men and women walking the earth today, I know every moment of your life, when you have struggled and battled with thoughts in your mind. The battles that you have had have been hidden to the world, but I have seen every one of those battles. The times when you have felt condemned, guilty, shamed, fearful, frustrated, angry, bitter, resentful. I know each and every one of the experiences that you have had where you have been hurt. I have seen every tear that you have ever shed, and I have caught them in my bottle.

You have had your reasons for not turning to me but now I am calling you into my arms. I want to show you all the unfailing love I showed to David. I want to straighten out the crooked paths in your life.

My way is perfect. I am the gate. I am the light of the world, and what I have chosen you to be living in and through is the most profound move that I have made upon the earth since I walked the earth.

My beloved, you and your parents and your grandparents and your great grandparents, you have been lied to and you have been deceived through your lives. My people walking the earth today have been lied to and deceived through their lives. I have allowed sin and the love of money, which is a root of all evil, I have allowed these things to pollute the earth. I have allowed evil to prosper.

I have seen everything. I have seen the corruption in my church. I have seen how corrupted the education system has become. I have seen every lie ever spoke by every single politician. I have seen every false and misleading headline from mainstream media. I have seen all the corruption, all the deception and all the evil within the pharmaceutical industry. I have seen the proliferation in the sexualization of women and also the sexualization of teenagers and children. I have watched and I have been disgusted because I detest a lying tongue. I detest a heart that plots evil. I detest feet that race to do wrong. I detest those who sow discord in the family. I detest those that murder the innocent. I detest haughty eyes.

I have allowed everything that has been taking place to take place, but now in 2022, my grace and my mercy upon the rulers, the controllers, the leaders, on those living in deep, dark sin, on those who truly have a love of money, which is a root of all evil, my grace and my mercy is truly coming to an end.

My beloved, what you are seeing in the world, what you are experiencing since 2020 is the proliferation of evil, the proliferation of darkness, the proliferation of lies, of deception, of corruption, the proliferation of planned evil, but I the Lord your God, I work in all things for good for those who love me and those who live according to my purpose for them, and my plans for you my beloved and your family, all your precious family

that I have in the palm of my hand, my plans for you all are plans for good and not for disaster, to give you a future and a hope.

As you haven't yet received me the Lord your God as your Lord and Saviour, I know there have been many mixed feelings and emotions that you have battled with during the last two years. I know the decisions that you have made and the choices that you have made that had been based upon lies and deception, and so I know how you have had moments and periods battling with feelings of embarrassment, of shame, of guilt, of shock as you have sometimes began opening up to the reality of what has been taking place.

And I know also when you have had periods where in your mind you have felt like if you face into the truth of what has been taking place, that you will be condemned. But my beloved, there is no condemnation for those who belong to me, Christ Jesus.

My arms are wide open for you and your family. I meet you wherever you are. I have always loved you and I will always love you. Come home and Heaven will rejoice.

You are mine. You are chosen and not forsaken, and my perfect love expels all fear.

What I Am Doing Now in 2022 Will Be Spoken About For Generations and Generations and Generations, Says The Lord

My beloved Sons and Daughters, I am the Lord your God. I am the beginning and the end. I am the First and the Last. I have the entire earth and every man, woman and child walking the earth in the palm of my hand.

I am in control.

Everything that is taking place in each country across the earth is all part of my divine plan to awaken my people to the truth.

My beloved Sons and Daughters, I want to assure you that I know all things, that I see all things. I have heard all your prayers. I know your hearts desires because I the Lord your God, have placed those desires on your hearts.

My Word tells you that I want everyone to be saved and to understand the truth. I surrendered my life on the cross for every man, woman and child walking the earth, no matter what sins you have committed, no matter what other sins others have committed. Those things that are detestable to me, in spite of the sins of my people, my grace and my mercy and my unfailing love for my people walking the earth is being demonstrated day after day after day.

My patience for my people who haven't yet given me their hearts, my patience is beyond anything you could imagine, and I'm sharing with you now how I the Lord your God, how I'm drawing my people to me.

For the men and women who have been sinning, committing acts which I detest, those who have been planning and committing evil, those who have been murdering the innocent, those that have been sowing discord in the family, those who have feet that race to do evil, those with a lying

tongue, those men who are part of the Freemasons, the Jesuits, the millionaires, the billionaires, the most wealthiest families currently walking the earth - with those I have begun, I have only just begun, sending the locusts into their lives. The lives of both those who have been planning and committing evil acts and the lives of their loved ones, of their families.

I have prepared the furnace for these men and women, and in this furnace, in this fiery furnace, there has already begun and it is going to continue and continue to be, weeping and gnashing of teeth. For these men and women, there is nowhere to run and there is nowhere to hide from my wrath and my judgement, and through me breaking them with hard labour, through me giving men and women the most horrifying nightmares that they have ever experienced, where I am showing these people not only that they are on the wide path of sin that leads to death, not only that their love of money is the root of all evil, but in these nightmares, in these life changing nightmare, what I am doing, I am showing these men and women the devastating effect on the lives of other humans, men, women and children, the devastation to the lives of others based upon their actions, their choices, their decisions, their plots, their plans, their schemes, the evil that is in their hearts currently. And through these men and women experiencing these nightmares, where I am shaking them to their very core, their life will never be the same. In these nightmares, I the Lord your God, I am showing them that there is only one way to escape from eternal damnation and that is for them to humble themselves, for them to repent for their sins, for them to surrender their life to me, and for them to publicly declare that I am their Lord and Saviour.

Many many, many men and women right now who have been living in sin, who have been living in total darkness who have been plotting evil in their hearts, that have been lying repeatedly, they have been crushing others through their actions, their decisions and their inaction. There has been resistance, huge resistance, but it is FUTILE for any man or woman to fight against my will. And just as I said to Saul on the road to Damascus, it is futile to fight against my will, my will be done on Earth as it is in Heaven.

So my beloved Sons and Daughters, as I'm sharing these words to you now, I want you to have faith in me that I am doing the impossible. I am convicting the men and women in positions of power, authority and control who have more wealth than you can comprehend, I am in my perfect time, one by one, I am convicting them of their sins.

I know for all my other people walking the earth and men, women and children whom I haven't yet lifted the veil, whom I haven't yet removed the scales from their eyes so they don't yet have the eyes to see and the ears to hear - they have been lied to and deceived throughout their entire lives. That trust in their governments, that trust in scientists, has been abused, and I have allowed everything that is taking place to take place because through everything that they are going through, your loved ones, your family members, all those men and women and children who haven't yet received me as their Lord and Saviour, I am the author and the finisher of their faith, and I am working in them. I am working in their hearts and minds. I am using everything that is taking place to awaken them to, open their heart and their mind to face into the reality and truth that they have been lied to throughout their lives.

Truth is permeating more and more into that darkness. There is nothing that can stop anyone from being saved by my grace and I am continuing to demonstrate my grace and my mercy and my unfailing love on my people. On your loved ones. On your friends. On all those men, women and children walking the earth currently, as I speak these words, that are currently in chains of bondage due to sins and iniquities in their life in their family's life and through their family generations. But fear not because I am the chain breaker through my blood all sins are forgiven. My people are saved by my grace, not by their works, so no-one can boast about it.

People may plan all kinds of things but my will is going to be done.

As you are seeing as more and more truth is coming to the surface, as more and more truth is been seen by the men and women and children who have been following the narrative, I am meticulously and perfectly changing them, transforming them, revealing more and more truth to them. Each day as they live, without them realising it, I am speaking to

them, gently revealing things to them. They are going through things in their mind that they don't realise it is me that is revealing truth to them. The illusions of their life, of the world that they live in, are being dismantled by me, in my perfect time, in my perfect way. So I want to encourage you, my beloved Sons and Daughters who have already come into relationship with me - walk by faith, not by sight. Trust in me. Trust in my word. Your faith comes by hearing and hearing by my Word.

The more deeper you come into relationship with me, the more at peace you will be, the more faith you will have, the more trust you will have, the more hope you will have and the more glory I will pour into your life.

I am the King of Glory. I have begun pouring out my my spirit upon my people. Make no mistake about it, I chose each of you before I created the Heavens and the Earth to be My Glory carriers. I the Lord your God, I have only just gotten started moving in your life. I am going to be leading you into floods of tears.

Tears because your prayer has suddenly been answered.

Tears of a sudden breakthrough in what has seemed impossible.

Tears of having a prodigal son return home.

Tears of having a prodigal daughter return home.

Tears of suddenly seeing a loved one who was seemed so far gone suddenly, they are ready to receive me into their life as our Lord and Saviour.

Tears through you suddenly receiving financial provisions which leave you breathless.

Tears as you feel my presence each day more and more.

Tears as you truly comprehend that I work in ALL THINGS for good for those who love me and those who live according to my purpose for them.

Thank you my beloved Sons and Daughters. Thank you for receiving my Words, and thank you for being my loyal servants. You are my hands and feet. You are fearfully and wonderfully made in My image.

You can do all things through me who gives you strength. Greater is a spirit that is in you than the spirit that is in the world. I have made a table for you in the presence of your enemies, but you have no fear because my perfect love expels all fear, and I have not given you a spirit of fear, but of power, of love and of a sound mind.

I have anointed your head with oil. I have plans for your life and your family, and they are plans for good and not for disaster to give you all a future and a hope, and you will come to see that in your life, in your family and your children, through the generations moving forward, what I the Lord your God, the King of Glory, are doing now in 2022, will be spoken about for generations and generations and generations.

I am the King of Glory.

You Have Been Chosen By Me To Take The Heads Off Goliath's, Says The Lord

My beloved Sons and Daughters, I have chosen you. You didn't choose me, I chose you before I created the Heaven's and the Earth to go and produce lasting fruit. You are my hands and feet. Your words are powerful.

Every man, woman and child walking the earth is in precisely the place where I have planned. I am urging you now to pray for all people, to ask me to help them, to intercede on their behalf and to give me thanks for them.

I have prepared the harvest.

I know all hearts and minds. No-one can escape from my Spirit.

What is impossible with man is possible with me.

My beloved Sons and Daughters, you can pray for anything and with the faith I have given you, you will receive it. You can even say to a mountain "may you be lifted up and thrown into the sea, and it will happen".

Everything that has been taking place across the earth, everything that is happening right now, everything is working together for My Glory. You are part of my army, my chosen vessels, my warriors, and I am raising up my army in Canada. My people are rising up. They are roaring. Once again, by my power and by my will, I am parting the Red Sea. What is impossible with man is possible with me.

What you don't see is that I the Lord your God, I am STRIKING FEAR into the hearts and minds of the leaders of the world, the men and women who have lived their life feeling untouchable are now realising that judgement is coming.

Keep praying. Keep interceding. Focus on me and me alone. Pick up your sword which is my Word, for it is sharper than any two-edged sword,

because you, my beloved Sons and Daughters, have been chosen by me to take the heads off the Goliath's in your life and in the lives of others.

I hear every one of your prayers. I know your heart's desires for it is I the Lord your God that has placed those desires on your heart.

A tsunami of My Spirit is coming upon the earth.

Expect the unexpected.

Expect to see your lost loved ones SUDDENLY be transformed because I the Lord your God are going to be SUDDENLY lifting the veil.

SUDDENLY the scales are going to fall from their eyes and SUDDENLY your loved ones will have the eyes to see and the ears to hear.

My beloved Sons and Daughters, I URGE YOU, SPEAK LIFE FROM YOUR TONGUE. Speak LIFE into other men and women and children's lives. Speak LIFE into what seems impossible. Take my Word in Ezekiel 37, prophecy into the dry bones. Yes, I am calling you to prophesy into the dry bones.

I am awakening you now for you to truly realise that I have given you ALL AUTHORITY IN THE SPIRITUAL REALM. I the Lord your God have put My Spirit within you, and greater is the spirit that is in you than the spirit that is in the world.

My beloved, walk each day by faith and not by sight.

What is impossible with man is possible with me.

Thank you for being my loyal servants.

I Am Healing Damaged Organs & Cleansing Poisoned Blood, Says The Lord

My beloved sons and daughters, everything that you are seeing taking place across the earth is because of my divine plan. Everything that you may have seen previously as just an act of evil, another lie, more deception, more corruption, every single thing that has been taking place, that ever will take place is because of my divine plan. My hand is in every single thing that is taking place, and I am calling you now, I am calling you now to focus your eyes upon me, and upon what I am doing in every single thing, in your life, in your family's lives, and in the lives of every single person walking the earth.

Everything that you may see on television, everything you may hear on radio, everything you may see on a newspaper, every single thing that you see, my hand is in everything. My divine plan, my divine purpose for you, my beloved sons and daughters and all my children across the earth, my plan is to bring everything that has been done in dark to light.

I, the Lord your God, I am using every lie, every act of sin, every act of evil, every act of deception, I am using all those things for good. I am using those things to awaken my children. I work in all things and I, the Lord your God, have chosen you, I have called you by name and I am pouring into you now more and more and more of my spirit, and my spirit will guide you into ALL truth.

My will for your life is that you will never again be deceived by man. You will never again receive a false teaching, a false prophecy, that you will take as a truth because my spirit upon you will convict you, and I will say to you "NO, this is a false teaching, this is a false prophetic word, do not watch it, do not share it, do not give the enemy in any way any credence".

I the Lord your God, I am giving you now all the spiritual gifts. I am birthing in you spiritual gifts that you have not had before. My beloved

sons and daughters who have been longing and desiring for more and greater spiritual gifts in your walk with me, I am now giving you those gifts. I know your heart's desire because it is I the Lord your God that has placed those desires on your hearts.

From your stomach are going to flow rivers of living waters because of your faith in me. All the areas of your life that have been dry, barren wastelands are going to flood with my living waters, because I, the Lord your God, the Lord of Heaven's Armies, has spoken.

I am the God of the impossible. What is impossible with man is possible with me. You can pray for anything, and as you have faith, you will receive it. You can even say to a mountain may be lifted off and thrown into the sea, and it will happen.

My hand is mighty upon your life.

I have anointed your head with oil.

I have set you apart.

I have chosen you.

I have called you by name.

I have put my spirit in you, and the spirit that is in you is greater than the spirit that is in the world. So you have no fear, because fear does not come from Me. I have not given you a spirit of fear, but of power, of love and of a sound mind. My perfect love for you, my unfailing love for you, expels ALL fear.

I have been training your hands for battle. I have been refining you by fire seven times over. I am now pouring into you the fire of my spirit, and the fire of my spirit is now upon your tongue. I have anointed you. I have chosen you. You are going to be speaking and declaring and decreeing my word with power and authority like you have never had before. I the Lord your God, I have given you ALL power and all authority to trample upon lions and cobras and to crush fierce lions and serpents under your feet. My beloved sons and daughters, you are fearfully and wonderfully made in my image. You can do ALL things through me who gives you strength. Every chain breaks in my name, by my blood, by my power. I am the chain

breaker and I have chosen to break off from you, every single generational curse that has been upon your life, upon your family. Through my power, through my blood, the enemy no longer has a legal right over your life and your family. I am now destroying by the fire from my tongue, I am now destroying every strongman that is been in place upon your family, upon your life, upon your children, upon your finances, upon your home.

I am the King of glory. I am the name above all names. My name is above cancer. My name is above diabetes. My name is above every single heart condition. Every single blood disorder, every single mental health affliction, whether diagnosed or not. I am your healer. I am healing in this place now. By the stripes on my back, you are healed. I am healing people now through my miracle-working powers, I am healing damaged organs. I am cleansing people's damaged, polluted, poisoned blood.

In this place I bring peace. Peace, be still.

Peace, be still.

Peace, be still.

The peace I give you, my beloved sons and daughters, is a peace the world cannot give you . You are in the world but not of the world. I have sent you out as sheep among wolves, but I am your encourager. I am your Redeemer. I am where you get your strength from. I have made a table for you in the presence of your enemies, but the testing of your faith has produced endurance.

I am the bread of life. I am the good shepherd. I know my sheep and my sheep know my voice.

You will never again fall into sin, for I, the Lord of Heaven's Armies has spoken.

You will be worshipping me in spirit and in truth like you are never worshipped before. Let the tears flow. Tears of deliverance, tears of joy, tears of breakthrough, tears of prayers been answered, tears of love, tears of patience, tears of forgiveness. Yes, forgiveness now, my forgiveness I give to you through my spirit, for you to have pure, complete forgiveness in your heart, for all those that have hurt you in the past. They were

broken people, blinded, not yet saved, following the dictates of their sin nature, bound because of sin, by the god of the world, Satan, the accuser, because of generational sin, and iniquities, but I rescued you, I redeemed you, because of my unfailing love for you.

Peace, be still. Peace, be still.

Be prepared to fall to your knees to glorify Me, the Lord your God, the Lord of Heaven's Armies.

I, the Lord your God, have only just begun moving in your life. You have seen nothing yet. Your eyes haven't seen, your ears haven't heard and your minds haven't conceived, what I the Lord your God have got planned for you.

Be prepared my beloved sons and daughters.

Be prepared.

A Message From The Lord - Every Single Thing Taking Place Is For MY Glory

[Messages From The Lord](#)

Jan 25

My beloved sons and daughters, the more deeper you come into relationship with me, the more I will reveal to you about what I am doing

across the earth. Everything that is happening is happening because of My divine purpose for everyone walking the earth.

Cast all your anxiety on me, cast your burdens upon me, because I care for you.

I the Lord your God, I have called you to be my glory carrier and to walk with total, total authority. The weapons that you fight with are not of the world, on the contrary, they have divine power to break down strongholds. And, it is I the Lord your God, it is my plan and my purpose, to allow everything that is taking place in every country across the entire earth, because I am using every single act of oppression, every single lie, every single deception, every single demonstration of tyrannical government leadership, I have allowed every single thing to take place because every act of sin is bringing more and more and more people into relationship with me. And as more and more people come into relationship with me, my army of prayer warriors is growing every second of every day, and what you are living in and through, what I have chosen you to experience, because I called you by name, I chose you before I created the heavens and the earth, what I have chosen you to live in and experience is **THE MOST PROFOUND MOVE THAT I HAVE EVER MADE ACROSS THE ENTIRE EARTH.**

I am going to be pouring out my spirit upon all flesh. I am rising up a people, an army, that I am using to destroy the powers, the principalities and the strongmen. The curses that have been in place for 1000s of years. I am using my people, I am using you, to smash generational curses. You are coming up against the Antichrist spirit, you are coming up against the biggest demonic spirits and entities that have been keeping people separated from me, because it is has been my will that because of sin and iniquity throughout all the generations, the enemy has had a legal right over my children. But this is my plan, this is my agenda, all for My glory, because what I am showing to you and to all my precious children across the world, I am showing everyone that you are nothing without me. I have every single person in the palm of my hand. I am the author and the finisher of every single person's faith

The world is now realising truly, that the love of money is the root of all evil. People across the entire earth including you are seeing what happens to the state of society when people live in sin, live self-centredly, live selfishly, live separated from being in relationship with me.

My desire for you now, says the Lord, from this moment on, is for you to not ask the question whether in your heart or through your mouth, asking the question WHY? Instead, for the question on your heart when you see things taking place in your own country, in other countries, for you to be seeking me and asking me WHAT is it Lord? WHAT is it you are doing? HOW are you using this situation, this circumstance, this news story, this act of evil, this lie, this deception, this corruption. HOW are you using it Lord? And I will show you, I will reveal to you, because I work in all things for good for you that love me and that you who live according to my purpose for you.

For the rest of your life, says the Lord, I want you to walk by faith and not by sight, to experience and live each day with my perfect love because my perfect love expels all fear. I the Lord your God have not given you a spirit of fear, but of power, of love and of a sound mind.

Every single thing that is taking place, from the biggest thing to the smallest thing, across the entirety of the earth, every single thing is part of my divine plan. I am calling you now to no longer focus on what the enemy is doing or what the enemy is trying to do, because the enemy can only do what I allow the enemy to do, to bring about my divine awakening, my divine unveiling of darkness, of evil, of sin, my divine revival, my divine reset, my divine justice.

I know all hearts and minds, I have seen all things. I have seen every single act of evil, of sin, that has ever been committed and I detest, I detest the things that have been going on, that permeated through all areas of society, and I have allowed it all to happen. I have allowed sin and iniquity to permeate through all different pillars of society, through the police force, through social services, through government, through Big Pharma, through big tech, through the church, through the entertainment industry, through society, through mainstream media. Sin, and the love of money which is the root of all evil, has run rampage and I have allowed it

to happen, I have allowed everyone to just go their own way, to follow their old fleshly desires, to have, to follow their lustful desires, to follow their sin nature, to have a love of money, to have a love of self, to have a love of possessions. I have allowed every single thing that's been happening in the world. I have allowed it to happen. Because now, since the start of 2020, I have begun bringing everything that has been done in dark to light.

My beloved children, you all walking the earth have been fed lie after lie after lie after lie, you have been deceived throughout your entire life. Your parents have been deceived, your grandparents have been deceived. The god of this world is Satan. Satan has deceived all the nations but now I the Lord your God, the King of Kings, The Lord of lords, the name above all names, it is I the Lord who has every single person in the palm of my hand every single person, and there is nothing that anyone can do against my will. It is futile to fight against my will, and I have allowed people for generations and generations to follow their own desires, their own inclinations. Sin, lust, deceit, deception, lies, corruption. I have allowed the world to see what happens when my beloved precious sons and daughters live in sin.

But now, every moment of every day, I the Lord of Heaven's Armies, I am lifting the veil. I am removing the scales from people's eyes. I am giving people the eyes to see in their ears to hear. I am setting the captives free. I am breaking iron bars. I am giving people nightmares. Yes, I'm giving people nightmares to awaken them, to awaken them to the truth and reality that they have been living in sin. They have been on the wide path of sin that leads to death. They are heading for eternal damnation but I the Lord their God, I the Lord your God, I want everyone to be saved and to understand the truth, and it is I that has everyone in the palm of my hand, and I am taking acts of evil, I am taking pains, I am taking lies, I am taking all the darkness, to reveal the truth, to reveal that I am the light of the world, that I am the resurrection and the life, that I am the good shepherd, that I am the saying yesterday, today and forever.

And you my beloved sons and daughters, and all my people, all my warriors, all my warriors across the earth and all those people who I

haven't yet awakened, I haven't yet lifted the veil, I haven't yet removed the scales from their eyes because I have everyone in the palm of my hand, but as the days roll on during 2022, as the days roll on, as I pour into you, onto the earth more and more and more of My Glory, more and more and more of My Spirit, more and more of the living waters, my living waters are flowing into people's dry wastelands, the dead are being brought to life. People, my beloved and you, I am encouraging you to go into the valley of dry bones, Ezekiel 37, and to prophesy into the dry bones and through your words spoken, because you can pray for anything and because you have faith you will receive it, and my spirit will lead you and guide you in your prayers, and my word when you send it out will prosper everywhere you send it, for I the Lord of Heaven's Armies has spoken.

Every single thing in the world right now, is exactly, is precisely what I have planned it to be before I created the heavens and the earth. My timing is perfect. I am using every single thing that is taking place to reveal to people across the entire earth that they never again want to live following their own sinful nature, because once I have begun revealing to a person individually the reality of sin, of evil, of lies, of corruption and where that comes from, and once I have shown my beloved that I am the light of the world, that I am the only one who saves, there will never ever, ever be any going back for that person. They will come into relationship with me and through that deepening relationship with me, through your deepening relationship with me, your life and their life becomes truly, truly, truly incomprehensible.

Your eyes haven't seen, your ears haven't heard and your minds haven't conceived, what I the Lord your God have got planned for you who love me. Trust in me, trust in My Word, trust in my plan, trust in my perfect timing. I am calling you to live with joy in your heart each day, because through your joy, through having your heart filled with joy because of your personal relationship with me, plus my peace which is my gift to you, which is a gift the world cannot give you, through the joy that you will demonstrate, that you will carry with you each day, you will be drawing so many people to my feet. You are my glory carriers. I have called you by

name. You are my hands and feet. You can do all things through me your Lord and Saviour who gives you strength.

Trust me. See my hand in everything. Through me pouring out my spirit into you now, as you move forward, when you see or hear something that you know is wrong because my spirit is upon you and my spirit guides you into all truth, I will also reveal to you why is it I am allowing that thing to happen.

Wherever you are across the earth, I am with you.

My hand is in the detail. Every single thing that is taking place it is for my divine purpose.

I Am Flooding Your Dry Wastelands With My Living Waters, Says The Lord

My beloved, I have chosen you to be a prophet to the nations. I have set you apart. I have put my spirit in you and the spirit that is in you is greater than the spirit that is in the world. My hand is mighty upon you. I have anointed your head with oil. I am the miracle worker. Rivers of living waters are flowing from my belly into your life now. All the areas of your life, of your family, that were dry, barren wastelands are now being flooded with my living waters, for I, the Lord of Heaven's Armies have spoken.

I reached down to the bottom of the deepest, darkest oceans to rescue you. I have lifted you out of the miry clay and I have put your feet on the solid rock, the rock of all ages. You are fearfully and wonderfully made in my image. I am the mighty warrior that saves. I have broken every chain of bondage in your life, because of sins and iniquities through your family generational bloodline. I have redeemed you, I have cleansed you of your sins and I am pouring out My Spirit upon you now.

I the Lord your God have not given you a spirit of fear, but of power, of love and over sound mind. From this moment forward, you will walk by faith and not by sight. You will trust in me and in me alone. You will devour by word. Your faith comes by hearing and hearing by my words. I am pouring into you now wisdom like you have never had before, discernment like you have never had before, faith that you have never had before, patience like you have never had before. Forgiveness is in your heart now. You have a heart of forgiveness for I the Lord your God has spoken. And you now can pray with all your heart, with a pure heart, with clean hands, you can pray for those who have come against you, and you can pray for their deliverance and you can pray for me to move in their life and I will move in their life because you have got clean, pure hands cleansed by my blood.

You mine, your family members are mine, you are so precious in my eyes. I formed you, I created you, I knitted you together in utter seclusion in the dark of the womb. I knew you before you were born. I chose you before I created the Heaven's and the earth. I have seen every single thing that you have ever been through. I have seen your pains, your grief, your turmoil. I have seen every single one of your tears. Yes, every single one of your tears, and I have captured them in my bottle. And you, my beloved, you have sown with tears and you are going to reap with joy for I the Lord your God, the Lord of Heaven's armies has spoken.

What have been the dry bones in your life, what has been dead and buried in your life, and the dry bones that have even become powder because of how dead they have been dead. The dry bones are going to come alive. For I the Lord your God has spoken. I am the miracle worker. I am the way maker. What has seemed impossible in your life is possible with me. I have heard your prayers. I am going to answer your prayers. I am the miracle worker. You are going to be seeing your loved ones that have turned away from you, they are going to turn and come back to you for I the Lord your God have spoken.

I am going to be giving people dreams, visions and nightmares to awaken them out of their sin, to awaken them out of their darkness into my glorious light, for I the Lord of Heaven's armies has spoken. You my beloved are going to be shedding tears of joy as I move in your life like I have never moved before. I am only just getting started in your life. I do not put new wine into old wineskins because old wine skins, your old self, would not be able to handle my new wine. The new wine would spill but no, I the Lord your God have been refining you by fire, but like Shadrach, Meshach and Abednego you have not been burnt up because I the Lord your God had been in the refiner's fire with you. You are mine. My hand is mighty upon you, and I have been preparing you refining you for this time right now. 2022 is going to be a glorious year for you my beloved. Victory is coming, breakthrough is coming, provision is coming. The spiritually dead are going to be coming to life, all for my glory in my name. The dry bones are going to be rattling and coming alive. There is going to be tissue and skin and muscles put on to the dry bones and then you will be

prophesying into these dry bones, saying dry bones come alive. May the winds of my breath from the north, the south, the east and the west you will be prophesying into the dry bones and the dry bones will come alive. Yes, you and your family. You are going to be an army coming alive in me, the Lord of Heaven's army. I am the resurrection and the life. I am the King of kings. I am the Lord of lords, I am the name above all names, above cancer, above diabetes, above every single mental health affliction that has ever been given to anyone in your family life.

I am roaring, the chains are breaking, the curses, the strongmen have been destroyed in my name. I am roaring, I am the chain breaker, I am the King of glory and you are my precious beloved servants. You are so precious in my eyes. So, so precious. Greater is the spirit that is in you than the spirit that is in the world. You resist the devil and he flees from you. You put on the full armour of God so that you can take a stand against the devils schemes. I have made a table for you in the presence of your enemies, but Satan is under your feet. You now know that I work in ALL things for God because you love me and you live according to my purpose for you, and my ways are perfect. My ways are perfect. My ways are perfect and I now give you my peace. My Peace is a gift the world cannot give you. Peace be still. Peace, be still. Peace, be still. Peace, be still.

I have you and everyone across the earth in the palm of my hand. What you are living in and through is My agenda for My glory. I have waited patiently for generations, generations, generations and more generations as I have watched sin permeate more and more to pollute the earth. Everything that has happened, everything that has been done, I have allowed as I have watched, because you are now seeing that everything done in dark is now being brought to light. You are living in and through the most profound move that I have made upon the earth, since I the Lord your God walked the earth in a body just like you.

Focus on me. Focus on what I am doing in your life, and in the world.

Trust that I do work in all things for good for all those who love me and who live according to my purpose for them.

You have been given all power and all authority in a spiritual realm. So when you come into prayer using my name and using my words there will be fire coming from your tongue. You have no comprehension yet of the work that you will be doing for My Kingdom for My glory.

I have set you apart. I have anointed your head with oil. I have put my spirit within you. I surrendered my life for you so that you can come into

relationship with me. You can surrender everything in your life. You can use my name you can use my words and see me move in the most miraculous ways in your life so that you can glorify your Father in heaven.

A supernatural increase in your desire to praise and worship me in spirit and in truth. The weapons that you fight with are not of the world. On the contrary, they have divine power to break down strongholds and you will be breaking down demonic strongholds, curses, strongmen, soul ties, spirits of addiction, spirits of suicide, spirits of death, spirits of fear, spirits of religion, spirits of unbelief. You will be destroying the Jezebel spirit that has been coming against people in your life and people that I will bring into your life. You have all the authority. Yes, you have all the authority to trample upon lions and cobras to crush fearce lions and serpents under your feet.

Have no fear. My hand is mighty upon your life, and you will see your family members, the lost family members where it is seemed impossible for them to turn to repent and to receive me as their Lord and Saviour, you will see they will be changing, for I the Lord your God have spoken.

STOP Fear Mongering, Speak Life NOT Death Into The World, Says The Lord

My beloved, there are many, many false teachers and false prophets walking the earth right now. There are many false teachers and false prophets, speaking doom, gloom and apocalypse into people's lives, but I am the light of the world. You are my hands and feet. I have called you by name. I have given you all the power and all the authority in a spiritual realm to prophesy into the dry bones, for the dead to come alive.

There are prophets out there speaking doom, gloom and death into people's lives, but I say NO!!! I am the way, the true and the life, and you are my chosen people. I am raising the dead to life, and I have had enough of the false teachers, the false prophets, speaking apocalypse.

When have I said this is the apocalypse?

The enemy has deceived all the nations, even the elect her being deceived. I am doing a new thing for my glory. I am exposing all the works of evil, of darkness that I have seen through all the generations. Everything done in dark is being brought to light, for I the Lord of Heaven Armies have spoken. I laugh at the plans of the wicked. I scoff at the rulers. I am going to destroy the powers and principalities of evil of darkness. Every knee shall bow.

You, my beloved, my fearfully and wonderfully made army, greater is the spirit in you than the spirit that is in the world. You can pray for anything, and because you have the faith that I have given you, you will receive it.

You, my beloved, have been called to walk in the whole truth. I have called you by name. I have put my spirit in you. My spirit guides you into all truth, and you are never again going to speak doom, gloom, apocalypse, darkness, death into anyone's life. You are going to speak life into people's lives. You are going to speak love into people's lives. The dry bones are going to come alive.

I, the Lord of Heaven Army, are doing a new thing. Everything that can be shaken, is being shaken. I am shaking the wicked and the evil, but you do not see it, because it comes from within. People may plan all kinds of things. People have been planning all kinds of things. People have been perpetrating evil because of their sinful nature, because of their love of money, which is the root of all evil. And I have seen everything and my heart has been weeping, weeping for the children, the devastation, the evil acts. The murderers and the deceivers. The families, the elderly.

But this is MY agenda. These are MY plans. Everything that has been happening, I have allowed to happen because before the creation of the heavens and the earth, I planned for 2020, 2021, 2022 to awaken my people, my beloved lost sheep, to awaken them to the truth of evil and to the truth of their sin nature.

And for my glory, I am awakening the masses. For My glory, I am giving people in positions of power and authority that have abused their power and the authority that I have given them, I am giving them nightmares. Yes nightmares. Yes I am showing them hell. I am showing that they are heading to hell. That they are on the wide path of sin that leads to death. I am convicting them in their hearts of what they have perpetrated, the evil that they have perpetrated.

Even when you don't see it, I am working. Even when you don't feel it, I am working. My divine justice is coming into the world. For my glory, yes, for I the Lord your God. I am the King of kings. I am the Lord of lords. I am the name above all names.

My light is shining more and more and more into the world into the hearts and minds of millions, and what will become billions of people. My people, my beloved, my precious lost sheep. This is My plan. This is My agenda for My glory. I am the King of glory. I am the Way, the Truth and the Life and no one comes to the Father except through me.

My beloved... the teachers, the preachers, the prophets that are speaking death, devastation, apocalypse, end of end days... they have been deceived. They are striking fear into My people, they are striking fear into the hearts of the unbelievers.

I have called you to speak truth, life, love, revival, awakening, glory into the lives of people in your life and the people I will be bringing into your life. The spiritually dead are going to be coming alive like never seen before. My presence is already on earth. It is I that lives in you. You are my hands and feet. Greater is the spirit in you than the Spirit that is in the world. You can do all things through me who gives you strength. The weapons that you fight with are not of the world. On the contrary, they have divine power to break down struggles. My presence, the Lord of Heavens Armies is already upon the earth and my presence is coming into the earth, onto the world more and more and more, and I look down from heaven and I see everything. I see the wicked, the rulers, the false teachers. I see how Satan even masquerades as an angel of light.

This is ALL for MY glory. This is all what I have allowed to happen because now the world is seeing that the love of money is the root of all evil. People in high places have been bought, have been corrupted. My church has been infested with sin, with Freemasons, with Jesuits, but I see all hearts and minds. I have everyone in the palm of my hand. Yes, everyone walking the earth. NOTHING is going to stop what I am doing across the earth in 2022. NOTHING!

I have chosen you. You are my true remnant, purified by my blood, purified by my Holy Spirit, completely surrendered to me. My hand is mighty upon you. I have anointed your head with oil. I have appointed you, before the creation of the heavens and the earth, to be a prophet to the nation's. I have only just begun working in your life. And you my beloved will never again be deceived by man. You will never again be deceived by false prophets, by false teachers, by false evangelists. I am now pouring out my spirit within you, upon you, through you. I am filling you now with my spirit, and my spirit guides you, my beloved, into ALL truth. And through my spirit guiding you you will be devouring my word like NEVER before. You will be worshipping in spirit and in truth like never before.

You are going to be calling on my word in Jeremiah 33 verse three. Call on Me and I will answer. I will tell you things that haven't been shared, secret

things that you do not know call on me and I will answer for I the Lord of Heaven's armies have spoken.

“My sheep hear my voice, and I know them, and they follow me:

And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand.”

John 10:27-28
